Complete Boat Trip - Glenn Woodruff, fishing guide at California-on-the-Rogue, returned to the resort today after guiding two Californians on a 120-mile boat trip down the Rogue river from Grants Pass to Gold Beach. Mr. Woodruff said the entire trip was made without difficulty although the adventurers had to go through about 34 miles of rough water. The Californians were Charles Foster and Max F. Farrand, both of Los Angeles. They made the river trip to get photographs of the Rogue. Mr. Farrand is associated with the Huntington art gallery and library. The two men continued woodward from Gold Beach. Mr. Woodruff said fishing was not good along the river from Grants Pass. At Gold Beach, however, salmon were being landed in large numbers, he said. The trip was made in a 17-foot rowboat. The party left June 27 and reached Gold Beach July 2.
