

ANNOYER BESETS FDR BLESSING OF OKLAHOMA SOLON

(Continued from Page One.)

dent's special train resumed its course to Fort Worth, Texas, where Mr. Roosevelt will spend Sunday at the home of his son, Elliott.

Just before the train departed, the president pencilled out a tribute to Justice Cardozo, word of whose death had just reached him.

The president, following up his recent Washington radio chat, devoted much of his address to a plea for liberalism in government.

"America needs a government of constant progress along liberal lines," he said. "America requires that this progress be sane and honest. America calls for government with a soul."

Sharply Critical. At one point, the president was sharply critical of those "who seek office, sincerely or otherwise, on impossible pledges and platforms—people with panaceas for reforming the world overnight—people who are not practical and progressive."

Theodore Roosevelt was perhaps a bit rough when he referred to such people as "the lunatic fringe. Strictly speaking, they are not lunatics, but in many cases a little push would shove them over the line."

Mr. Roosevelt drew his most thunderous applause when he made an inferential reference to former Gov. W. H. "Alfalfa Bill" Murray as being nationally "known as a Republican."

This statement was interpolated into the address after it had been written.

He used again his reference to "Yes—but people" to describe those who object to "progressive" government policies.

CONVICT ADMITS TRIPLE KILLING

MINNEAPOLIS, July 9.—(AP)—County Attorney E. J. Goff said today Robert McLeod told him he killed a Maple Grove farm couple and their hired man "so they wouldn't overhear him stealing cattle."

McLeod, a former North Dakota convict, was captured yesterday at South St. Paul a few hours after Mr. and Mrs. Kenneth Oswald and their hired man, John Kujawa were found beaten and shot to death in their beds.

Goff said McLeod told him he had gone to the farm, where he formerly was employed, early Thursday and loaded two cows into a truck and was about to drive away when he decided the truck would make so much noise it would wake the Oswalds. Then he went into the house and killed them in their beds.

SHIRLEY PICNICS WITH FIRST LADY

HYDE PARK, N. Y., July 9.—(AP) Shirley Temple departed for New York City tonight after enjoying what Mrs. Franklin D. Roosevelt described as "a perfectly plain picnic" with the Roosevelt grandchildren, Sistine and Buzze Dall.

Dressed in a light blue polka dot dress and a red ribbon in her hair, the 9-year-old movie actress told her youthful host and hostess at the Roosevelt country estate here that "it is very nice of you to have me up to this beautiful place."

Shirley will be the guest of Gov. and Mrs. Herbert H. Lehman tomorrow at Purchase, N. Y.

WAITRESS JAILED AS ACID THROWER

PITTSBURGH, July 9.—(UP)—His face seared by acid thrown by a waitress who accused him of unwelcome advances, one-armed John Lovas, 24, tonight faced possible permanent impairment of his sight.

The waitress, Jacqueline Pelegy, 25, was held in jail on a district attorney's detainer. She said that she had accepted a ride from Lovas after she got through work in a McKeesport bar early today.

When Lovas drove her to Elizabeth and allegedly made advances, she hurled the acid which she was taking home to use as a disinfectant.

FOOD FOR THE HARVEST ARMY in the Texas wheat country is rationed out at the chuck wagons, and the lunch table may be most anything: the ground and even the broad back of a fellow worker (left of the forks). In harvesting the wheat, binders tie the stalks into bundles and separators winnow out the grain and blow the straw into great piles.

POLITICAL PLOT NOW LAID TO Foe OF NEW DEALER

WASHINGTON, July 9.—(AP)—A parting presidential shot at Gov. A. B. Chandler, opponent of new-deal-favored Alben W. Barkley in Kentucky's Democratic senatorial primary, exploded in the capital today.

Politicians here were still talking avidly about the president's unprecedented endorsement of Barkley in Kentucky yesterday when Senator Logan (D-Ky.) made public a letter from Mr. Roosevelt dated February 1.

It said the governor had made a "proposition" to the president the day before, and had "seemed surprised when I told him that you and I would be the last people in the world to traffic in judicial appointments in order to satisfy the ambitions of one office-seeker."

Mr. Roosevelt's letter did not say in so many words what Chandler's "proposition" was. But, coupled with an announcement which Logan had just issued, it conveyed the idea clearly that the governor had suggested that the junior senator from Kentucky be appointed to a federal judgeship.

This would have permitted Chandler to be appointed to succeed him in the senate, and would have left Barkley a clear field in his race for re-nomination in Kentucky's other senate seat.

"I want you to know how fine I think your statement of Monday was," the president wrote, referring to Logan's announcement that he would decline any judicial post offered him. "The governor put you and Alben and me into a most disagreeable situation and wholly without any necessity therefor."

He apparently referred to the president's comment that Barkley would be more valuable as a seasoned member of the senate than the youthful governor.

Klamath Tavern Burns. KLAMATH FALLS, July 9.—(AP)—Fire which swept up from beneath the building last night razed the Pine Cone Inn, tavern located in the thickly-settled suburban area a mile south of the city limits, causing a loss estimated at \$6000.

BARKLEY RAPPED AFTER FDR BOOST

GEORGETOWN, Ky., July 9.—(UP) Gov. A. B. Chandler today characterized Sen. Alben W. Barkley, his opponent for the Kentucky Democratic nomination for U. S. senator as "the nation's No. 1 coastall rider."

Undaunted by President Roosevelt's endorsement of Barkley in Covington, yesterday, the governor in a campaign talk here said he "could do more for the state of Kentucky in six years than Barkley has done in 24 years."

He apparently referred to the president's comment that Barkley would be more valuable as a seasoned member of the senate than the youthful governor.

Postal Clerk Held. MARSHFIELD, July 9.—(AP)—Justice G. N. Bolt, acting United States commissioner, bound David Henry Ward, 21, Bandon substitute postal clerk, over to the federal grand jury on a charge of tampering with the mails.

Ward was accused of opening a letter addressed to the Bank of Bandon and extracting money.

JAP PLANES BOMB YANGTZE SECTOR

SHANGHAI, July 9.—(AP)—Japanese naval officers said today their "heavily operating" air forces were attempting to blast out Chinese defenders 30 miles above Kiukiang on the Yangtze river.

Stationed at Kiukiang, 135 miles below the provisional capital of Hankow, were the U. S. gunboat Monocacy and the British gunboat Cockchafer, remaining to protect their nationals despite Chinese and Japanese warnings of dangerous, thickly-mined waters.

The bombing operations followed by a few hours a Japanese note to foreign powers urging "voluntary evacuation" of an 80-mile area, from Kiukiang to Hwangshihkang, marked out for an intensified battleground.

Japanese announced they were rushing 20,000 troops for land operations in the zone.

Murray Pardoned. SALEM, July 9.—(AP)—Governor Charles H. Martin today issued a conditional pardon to Thomas Murray, who is serving a 10-year term in the state penitentiary here for manslaughter.

Supreme Court Vacations. SALEM, July 9.—(AP)—The state supreme court will recess July 15 for the summer vacation. Arthur S. Benson, clerk of the court, announced today. The court will reconvene September 6.

Klamath Fires Held. KLAMATH FALLS, July 9.—(AP)—Two forest fires which broke out in separate parts of Klamath county yesterday were controlled today, but not before one had destroyed more than 80 acres of pine timber.

SWEDISH PRINCE IN BOSTON FETE

BOSTON, July 9.—(AP)—Ready to make his first public appearance since he came to the United States to participate in the 300th anniversary of the landing of the Swedish colonists in Delaware, Crown Prince Gustaf Adolf, of Sweden, arrived here tonight with a message of good will for the Swedish population of New England.

Tomorrow he will address Swedish people from all parts of New England at a tercentenary celebration.

After being awarded an honorary degree Monday from Harvard university, the crown prince will visit several museums.

Favors Licenses Unused Patents

WASHINGTON, July 9.—(AP)—Senator King (D, Utah) urged today legislation for compulsory licensing of unused patents as one way of curbing monopolistic tendencies in business.

King, a member of the monopoly investigating committee, wrote Thurman Arnold, assistant attorney general, that he hoped the justice department would recommend such legislation when it completes its part in the monopoly study.

"There is no doubt," King asserted, "that some large corporations have bought up patents that they have never used and had no intention of using at the time they were purchased. They thus have impeded progress while protecting their own process of manufacture or products."

MALE SCIENTISTS QUIT COLORADO RIVER BOAT TRIP

LEE'S FERRY, Ariz., July 9.—(AP)—Ranks of the Colorado river boat expedition divided today after 300-odd miles of cooperative battling through death-lurking rapids and whirlpools.

Some of the adventurers, resting at this northern Arizona outpost, spoke of internal dissension, but the two quitting members offered other reasons for leaving at the half-way point in a 666-mile voyage from Green River, Utah, to Moulder Dam in Nevada.

Eugene Atkinson, University of Michigan geologist who barely survived a half-mile ride over Seven Rapids, clinging to a capized boat.

HINT WESTERNER FOR HIGH BENCH

WASHINGTON, July 9.—(AP)—The death of Justice Benjamin N. Cardozo gives President Roosevelt an opportunity to make his third appointment to the supreme court.

Many names were mentioned in speculation tonight over a successor to Justice Cardozo.

Since Cardozo was from New York, there were reports that his death might open the way for the nomination of Senator Wagner (D, N. Y.) to the high tribunal. Wagner has been one of the president's most active supporters on Capitol Hill and has been a leader in advocating New Deal legislation.

Brooklyn Manager Chased From Game

PHILADELPHIA, July 9.—(AP)—Burlingame Grimes, Brooklyn Dodgers manager who got into trouble with the umpires so often last year he was reprimanded by President Ford Prick of the National League, was chased from a game today for the third time this season.

Grimes was ordered off the Dodgers' bench in the second inning of the game with the Phillies for hitting Umpire Dolly Stark, who was calling balls and strikes. A disputable decision on Arnovich in the first inning provoked the argument.

Find Climber's Body. HOOD RIVER, July 9.—(AP)—The body of Bob Blanke, Salt Lake City youth who lost his life in a fall into the Devil's Punch Bowl from a cliff he was trying to scale, was recovered yesterday.
