

KERN CRANDALL MADE CHAIRMAN OF STATE G. O. P.

Harmony and Enthusiasm Mark Committee Session—Group Addressed by State, Congress Aspirants

SALEM, July 19.—(AP)—Kern Crandall, Portland, was elected chairman of the state Republican central committee yesterday in a session marked by harmony and enthusiasm over prospects for a Republican victory in November.

Mrs. E. R. Ryan, Bend, was named vice-chairman, and Kenneth Nielson, Lane county, secretary. An executive secretary-treasurer will be named later by the committee.

All elections were unanimous, despite rivalry displayed prior to the general meeting.

The group was addressed by candidates for state offices and congress. "We must give the public real ideas in the coming campaign," said Charles A. Sprague of Salem, nominee for governor.

"Too, we must supply jobs, not doles, and we must provide opportunity for youth," he continued. "We must offer real progress, not squirrel-cage progress."

But Holsman, state treasurer and senate candidate, attacked "those glittering promises that sound like the cries of circus barkers."

"There is no substitute for common honesty," he added. He advocated the election of long-time residents of Oregon "whose records are known and who have accounted for every penny they have handled in private and public life."

"The New Deal and President Roosevelt are still popular," commented Congressman James Mott of the first district. "Our principal hope here in Oregon is the intelligence of the populace and its keen interest in politics."

BRITISH MERCHANTMAN BOMBED AND FIRED BY REBELS AT VALENCIA

VALENCIA, July 19.—(AP)—A thousand-pound bomb hit the British merchantman Standand in Valencia harbor today, setting her afire.

Her crew and two nonintervention observers had close escape from death or injury.

The fire, confined to the vessel's decks, soon was extinguished.

It was the first bombing of a British ship in recent weeks, a lull in such attacks in Spanish waters having followed vigorous British protests to Generalissimo Francisco Franco, leader of insurgent Spain.

The observers aboard the vessel were an Italian and a Netherlander. Five planes made the raid. Eight Spanish workers were killed as their heavy bombs plunged into the dock area.

BARCELONA, July 19.—(AP)—The celebrated cathedral of Barcelona was struck by an insurgent bomb during an air raid today.

HENDAYE, France.—(At the Spanish Frontier)—July 19.—(AP)—Picked "suicide squads" fought a desperate delaying action through the Espina mountains today to cover the retreat of the main body of the Spanish government army to new defense lines before Valencia.

Two insurgent armies, advancing down either side of the main highway from Teruel, were crushing the government's fortifications between them.

YOUNG PLEADS GUILTY, IS FINED FOR SMASHUP

Pleading guilty to a charge of reckless driving before City Judge Allen D. Curry this afternoon, Arnold Francis Young, 24, of 518 South Oakdale Avenue, was fined \$25, his operator's license was suspended for a period of 60 days, and his state liquor license was revoked for the balance of the year.

Young was represented in court by Attorney W. G. Tyll.

The charge against Young grew out of an automobile accident on South Oakdale Avenue early Sunday morning, in which his machine smashed into a parked car, driving it up on the parking strip and inflicting severe head injuries to Sam Metz of 309 Elm Street, a passenger in the Young auto.

14-MONTHS-OLD GIRL DROWNS IN FISH POND

THE DALLES, July 19.—(AP)—Verna Allene Nielson, 14 months old, drowned in 18 inches of water in her parents' fish pond yesterday. The child learned to walk five days ago.

"Kip" Life Saving Dog, Dies by Poisoner's Hand

Kip is dead.

The purebred Chesapeake dog who last fall saved a man's life died an agonizing death early this morning.

The dog was let out a little after 11 o'clock last night and was heard around the house during the next hour. It was stated by his owner, W. H. Fuhner of Wellington Heights.

At 12:30 a. m. Kip was found dead in the driveway of the Morris Leonard residence across the way. The dog had gone to the Leonard pool for a drink, Mr. Fuhner thought.

"Kip did not get far away from the house and he was therefore poisoned in the neighborhood," said Mr. Fuhner, visibly affected by the tragic end to his heroic dog. A piece of meat containing cyanide poison was found this morning near the Fuhner kennel. It was stated by Dr. Stanley E. Phillips.

Post-mortem tests showed tentatively that the dog died of cyanide poisoning. Dr. Phillips said. Further tests were to be made to confirm the preliminary findings, he added.

The Southern Oregon Humane society this afternoon offered a reward of \$250 for information leading to the arrest and conviction of the poisoner. Mr. Fuhner indicated he would also post a reward.

Several dogs have been poisoned in the east side residential district in recent months, the humane society said.

It was last fall that Kip saved the life of Elwood Strader, a bakery truck driver, who was duck hunting on Klemath lake. Strader fell into the water from a raft and, heavily clothed, could not swim. He called for help. Kip went to his rescue and towed him safely to shore. The story of the rescue was published all over the world. Kip was three years old.

Mrs. H. M. Thompson of 14 Almond street reported today that her Persian cat was found dead yesterday noon in the woodshed behind her residence, also apparently the victim of poison. The death was to be investigated by the humane society. The cat was a pet of Mrs. Thompson's four-and-a-half-year-old son, Jerry.

ROGUE RIVER VOTE FAVORE ERECTION NEW HIGH SCHOOL

ROGUE RIVER, July 19.—(Spl.)—At a special election yesterday, residents of the Rogue River school district voted to float a \$28,000 bond issue toward construction of a new high school building to cost \$31,000.

Balloting was close, with 60 eligible voters in favor and 48 against the issue. One ballot was spoiled.

Application for a PWA grant of \$22,909 has been on file since last June. Construction of the new school building will be started immediately upon approval of the grant and completion of plans and drawings by William Laing, Medford architect.

Bids, authorized by PWA, will also be called for then.

Mr. Laing stated actual work would probably start about the first of October, with the building being completed in six months.

The school building, to be located across the road from the present high school, will be 128 by 138 feet in dimension, with a red brick and hollow tile exterior, and an asbestos shingle roof. There will be one main entrance and three exits. Inside, there will be a combination gymnasium and assembly room, 60 by 84 feet in dimension, four classrooms, a library, a study hall, a home-making room, boys' and girls' rest rooms with showers, the principal's office and a teachers' rest room.

In the basement, there will be a manual training room and a central heating plant.

The school will take care of 250 students. After completion, the present high school building will be used to accommodate an overflow condition in the grade school.

JOHN RITTER DIES OF SELF-INFLICTED SHOT

John Ritter, 63, Gold Hill wood dealer, died in a local hospital at 11:45 a. m. today from a bullet wound which state police said was self-inflicted.

Mr. Ritter, suffering from poor health, shot himself in the head at his home last Saturday night, according to the state police report.

Funeral arrangements were being made this afternoon by the Conger funeral home.

Alley Vacating Is Main Council Item

Public hearing on the vacating of an alley on South Holly street will be held at the regular semi-monthly meeting of the city council tonight.

The alley is situated between 12th and 13th streets. It is a dead-end strip that has not been used as an alley for many years.

The council will convene as usual in chambers on the top floor of city hall at 7:30. Aside from the hearing only routine business is scheduled to come before the council.

More Parasitized Earwigs At Work

Five thousand more deadly enemies of Medford's large crop of earwigs—the parasitized variety—arrived today from the city of Portland, and will be immediately distributed in sections of the city where the pests are especially prevalent.

This makes the fourth shipment of the 25,000 ordered by the city of Medford to combat the earwig nuisance here. The parasitized earwigs are shipped, 5,000 at a time, in perforated tin cans. With 20,000 already delivered, there remains 35,000 yet to be received and put to work.

CHICAGO, July 19.—(AP)—Representatives of class one railroads and the Brotherhood of Railroad Trainmen continued deadlocked today over the carriers' 15 percent wage cut order. Another meeting was scheduled for tomorrow.

DE VALERA GIVES WRONG WAY FLIER CONGRATULATIONS

(Continued from Page One.)

pearing as fresh as if he had just hopped across the Irish sea, visited government buildings to straighten out difficulties arising out of his failure to have any of the papers a flier abroad is supposed to carry.

No Difficulties. Officials of Ireland's department of external affairs told him they would place no difficulties in his way.

Corrigan went out to Baldonnel air port to see his "old crate" and disclosed he hoped to visit London to exhibit the plane. There also was some talk that he might take the machine to the Glasgow expedition.

"I am not going home without the plane, but I won't fly it," the Californian explained. He said he would take it back by steamer.

He had lunch at the United States legation, where messages from many parts of the world poured in with congratulations on his flight. One of them was said to have been from Henry Ford.

Corrigan was \$2,000 to the good already as a result of the little "mistake" in direction, having received that much for a radio broadcast to America.

Plane Is Held. Corrigan's antiquated plane was held by Irish customs officials, but he said this was a mere formality and that he was approaching the Dublin government in an effort to get it released.

He acknowledged that "folks here still are tremendously excited about my trip, but after all it wasn't much. They've been very kind to me in not having me summoned for landing without an airworthiness certificate."

The 31-year-old Californian slept late in the guest bed of the American legation. He wore pajamas borrowed from American Minister John Cuddeback.

"I want a nice long rest," he told Cuddeback last night. "Don't wake me for a long time. I'll sleep through breakfast."

He won't have to worry about clothes. Admiring tailors already have sent the daring aviator two new outfits, free.

O'CONNELL WINDS UP MONTANA VOTE CHASE

HELENA, Mont., July 19.—(AP)—Representative Jerry J. O'Connell of Montana wound up his campaign for Democratic renomination in Montana's primary election today with an assertion President Roosevelt had told him "to go out there and fight like hell to defeat Senator Wheeler's machine so he wouldn't be back in 1940."

O'Connell, who recently engaged in a free speech argument with Mayor Frank Hague of Jersey City, N. J., told a Butte audience last night that the president, now fishing off the coast of Mexico, had given him the "instructions" at the time congress adjourned.

Senator Burton K. Wheeler, whose term expires in 1940, was one of the leading Democratic opponents of the Roosevelt campaign bill reorganization plan.

MAYOR TO SPEAK AT SHAKESPEARE PICNIC TONIGHT

ASHLAND, July 19.—(Spl.)—Mayor T. B. Wiley will give a short talk at the Oregon Shakespearean Festival association picnic in Lithia park here at 6 p. m. today. Members of the Ashland Ministerial association also have been invited.

The association is giving the picnic for all the workers in the fourth annual series of Shakespearean plays to be given in the Elizabethan theater here beginning August 5. More than 60 persons are expected to attend. After the picnic all will attend a rehearsal of Hamlet.

The sponsoring membership sales campaign for the annual festival will begin in Ashland tomorrow.

Mrs. H. M. Schilling, chairman of the membership committee in Ashland, announced today that a breakfast will be served at the Lithia hotel and at 9 o'clock the committee of 10 will start a canvass of the city.

"So much interest has been shown in the festival," she said, "that I am sure that this will be our most successful year."

In its second year, the festival doubled the receipts of the first; the third tripled that of the second. Mrs. Schilling feels confident that this year attendance will "quadruple" that of last year.

Sponsoring memberships admit the holder to six performances in a reserved section.

Assisting Mrs. Schilling are Mrs. Ramsey Benson, Mrs. Earl C. Leever, Mrs. E. A. Woods, Mrs. John H. Fuller, Mrs. Clarence M. Litzwiler, Mrs. William Beebe, Mrs. James C. Hamaker, Miss Jean Billings and William Snider.

PLAN NEW HOTEL AT OREGON CAVES

GRANTS PASS, July 19.—(AP)—Plans for a \$30,000 additional hotel at the Oregon caves are being considered by directors of the Caves Resort association.

The new lodge will be located where the ticket office and souvenir store near the entrance to the caverns is now located, and will be similar in design to the chateau.

Due to the increasing number of visitors, the chateau, a \$50,000 structure completed only three years ago,

Temporarily TO GUESTS

Hires ROOT BEER

has been inadequate to fill the demand for accommodations this year. Blueprints of an addition to the guides' dormitory have already been forwarded to Washington, D. C., for official approval, and, if accepted, construction will be started shortly after September 1, or as soon as the

peak of the all-year tourist season is passed.

power to 816 farm homes from 157 miles of rural electrification administration lines connected with the Pacific Power and Light company.

pastors who can use more than persuasion on wayward members of his flock. He can put them in jail if necessary.

MANN'S Store-Wide!

REMNANT Sale

Quality Remnants - Odd Lots and Broken Sizes...Gathered From All Departments for This Exciting Sale Event!!

FABRIC Remnants

Hundreds of desirable lengths in seasonable silk, cotton, wool and rayon fabrics at

HALF PRICE & LESS

Go On Sale Tomorrow!

• Silk Remnants

Desirable lengths in beautiful quality silks including flat crepe, crepe de chine, rayon crepe georgette, slip satin, pongee and other silken fabrics. Every one of these lengths are a real bargain. Suitable for Dresses, Underwear, and other Garments. Pick yours out tomorrow at Mann's sale of remnants. But remember early shoppers always get the best lengths. So be here when the door opens

• Wool Remnants

Woolen remnants in lengths suitable for children's dresses, women's and misses' skirts, jackets, etc. Included in this lot are flannels, tweeds, challies, wool crepe and mixtures. Many of these remnants will make a coat for some little miss. Come pick out several of these choice pieces. The cost is almost nothing. Come early Wednesday morning and get your pick of these remnants.
