FIREBALL HEAVES TRIM CATHOLICS TO TUNE OF 7-0

Chief McLean Chalks Up Royal Flush to Aid Timbermen in 13-6 Victory Over Piche; Homer Hit Far

Games Tonight

Mald-Rite vs. Lamports, 8 p. m.
Office Boys vs. Jennings Tire, 9 p. m.
Division B
Lewis Super Service vs. Groceteria, 8 p. m.
Zoric vs. Gasco, 9 p. m.

Move over, Johnny Vander Meer, and make room for Morris Steiner in the hall of fame.
Hurling against the Catholic Men last night at the stadium in a Division A softball game, the Wooden Boxmen fireballer turned in his second consecutive no hit, no run game within five days. The score was 7 to 0.

Steiner, working a masterful game, duplicated his performance of last Friday night, when he shut out Grants Pass without a hit or a run. For the second straight time, also, his teammates gave him perfect support and gave him seven runs by landing on Father Meyer, Catholic pitcher, for 13 solid base knocks. Cliff "Chief" McLean, league leading hitter, socked baseball's "royal flush" to lead Timber Products to a 13 to 6 victory over Piche in the other Division A battle. The slugging Indian belted a single, double, triple and homer in four trips to the plate, his four-base clout clearing the center field wall. It was the second ball hit over the fence this season. Calvert and Hammack of the winners busted triples, and Hawk and Campbell of Piche hit three-baggers.
In Division B games, Elks beat Western States, 6 to 4 and Zoric swamped Lewis Super Service, 10 to 4.
Division A scores:

Wooden Boxmen	7	12	0
Catholic Men	0	0	0
Steiner and Wilson; Meyers and P. Sakrada.			
Division B			
Timber Products	13	16	2
Piche	6	6	4
B. Smith and J. Smith; Hawk and Kubil.

GRAMMAR SCHOOL KID RIVALS VANDER MEER

PHILADELPHIA, July 20.—(AP)—Thirteen-year-old Arthur "Bud" Potts bids fair to rival the pitching feats of Johnny Vander Meer. The grammar school kid yesterday tossed his second no-hit, no-run game in succession. In 21 innings he has allowed only three hits, all in the first tilt.

Hot Dogs Trouble Ziegler On Grants Pass Marathon

GRANTS PASS, July 20.—(AP)—A tentative schedule for Adam Ziegler, marathon runner from San Francisco to Grants Pass, shows that he plans to reach this city at 6 a. m. Sunday.

UKIAH, Calif., July 20.—(AP)—Heat which reached 112 degrees almost prostrated Adam Ziegler, 55-year-old hiker, but he rested and started out afresh today on his 480-mile hike from San Francisco to Grants Pass, Ore.
Ziegler reached the Mendocino county line at 9:21 o'clock last night after trotting along while the thermometer climbed, but he managed to average six miles an hour.
The hiker rested three hours at Cloverdale last night. He was met at the county line by Don MacMillan, director of the Mendocino county chamber of commerce.
Hopland, 20 miles south, gave Ziegler a rousing reception. Mel Rowe, Hopland, fell into step beside Ziegler; and accompanied him here, arriving at 5:40 a. m. today.
W. P. Whitney of Willits, secretary of the Mendocino county chamber of commerce, greeted Ziegler and planned to accompany him to the Humboldt county line.
Ziegler was scheduled to rest four hours here but he postponed the rest until he reached Willits, 25 miles north, where he was to halt for three hours in the middle of the day because of the extreme heat.

Flagged by Mayor Angelo Rossi of San Francisco, Adam Ziegler, 55-year-old endurance runner, is shown as he started a 480-mile marathon to Grants Pass, Ore. He hopes to set a new record of six days or better.

ONE CLEANIE IN TEAM GRAPPLE

The long-awaited team match, which features the opening wrestling program under the stars at the high school stadium next Monday night, will pit a pair of meanies against one meanie and one clean and scientific performer. Sockeye Jack McDonald and Polah Palokka Joe Smolinski, members of the meanie team, have never received plaudits for their legitimate mat tactics, and the same can be said, with a few reservations, for Sgt. Bob Kenaston, the Gold Hill man who will team with Fido Kelly. Kelly, in fact, will be the lone grappler of the quartet who depends entirely on orthodox maneuvers.
The two teams will wrestle four out of six falls, or for one hour. A three-minute rest period will occur when one team obtains two tumbles, and the match will end when four falls are garnered by either of the teams.
Benny Wilson of Texas and Ali Pasha of Hindustan will clash in the opening attraction, going six 10-minute rounds or the best two out of three falls.

SEATTLE, July 20.—(AP)—Freddie Steele and Al Hostak entered their last week of training today for their middleweight title 15-round fight here next Tuesday night, and each day shows the odds shortening on Steele.
The middleweight champion is raking in the crown for the first time since last winter when he stowed away Carmen Barth and in turn received an injured breast bone.
When the match was made with Hostak, Seattle Slav from the overall ranks of Georgetown suburb, the downtown betting boys installed the champion as a 10-7 favorite. Today the odds had shortened to 10-9 and by ring time experts were forecasting even money.

STEELE AND HOSTAK MAY BE EVEN ODDS

LEAGUE BATSMEN REMAIN CLOSE TO SEASON AVERAGE

There was little change in position of the Southern Oregon league's 350 hitters following games of last Sunday, all players moving along close to their season's average clip. Tommy White, Medford outfielder, continues to lead the batting parade with a mark of 470, although he hasn't seen action for five weeks.
Medford Graters remain at the head of the team batting race with an average of 302, with Yreka in second place with 305. Manager Wally Rickert of the Graters has scored 16 runs to top all in that department, and has also manufactured the same number of hits to lead in that phase of offense.
Lefty Mike Koll of Crescent City tops all hurlers with eight wins and one loss.

NEW YORK, July 20.—(AP)—The broad upward sweep of the stock market gave way today to shifting buying and selling sides, highlighted by a sharp decline in movie shares immediately following court action by the federal government to divorce theater ownership from film production.
