

Newland Gets Call for Mound Duty Against Eugene Legion Juniors

OPENING CONTEST IN TRIPLE SERIES AT 1 P. M. SUNDAY

Local Boys to Battle for Right to Enter State Finals—Wimer Will Hurl in Second Installment

Coach George Harrington announced today that Bob Newland would pitch the first game for Medford's American Legion junior baseball team here Sunday afternoon in their possible triple-header with the Eugene Legion Juniors for the championship of districts 3 and 4 and right to enter the state finals in Woodburn, August 5 and 7.

The two clubs will battle it out in a three-game series, with the first encounter starting at 1 o'clock sharp at the high school park. In case one team wins the first two games, a third will not be necessary. However, if the teams split the first two battles, a third will be played to determine the championship. All games will be of five-inning duration.

Newland, lanky righthander, had been forced to move from the mound into the outfield because of a tripping that slipped out of place while hurling. His last mound effort was against Roseburg two weeks ago. Now, however, the hip seems to be staying in place satisfactorily, and he told Coach Harrington he was confident he could take his turn in the box.

Wimer Also Slated.

For the second battle against the Lane county champions, Medford will use slender Al Wimer, the 15-year-old southpaw who came through with a neat exhibition against Roseburg last Sunday. In case a third and deciding game is necessary, Coach Harrington said he would use whichever pitcher seemed the most effective. "If Wimer wins the second game, he will keep right on pitching," the mentor stated.

Herb Bette will do the catching, Larry Schade will take care of first base, Jimmy Lewis will pivot at second, Al Gould at short, Eugene Miller at third, Bill Reed in left, Cato Wray in center and Louie Thurman in right. Mickey Miller will go to right field in the second game, and probably Newland, because of his hitting, will take over an outfield berth after the opener.

Although losing a three-game series to the Roseburg American Legion junior team, Medford was declared district 4 champions because of the failure of the Douglas county club to register its player roster with the state American Legion junior baseball committee by June 30, the deadline.

Babe Will Wed

MILDRED "BABE" DIRLIKOV, ST. LOUIS, July 22.—(AP)—A golf course isn't exactly the most romantic spot in the world, as Mildred "Babe" Dirlikov puts it, but it was on a putting green at the Normandie club here that she announced her engagement yesterday to George Zaharias, the Pueblo, Colo., wrestler.

"We haven't agreed on the date," she famous Beaumont, Tex., woman athlete said. "We'll probably decide that when we make up our minds whether we go to Australia or Niagara Falls on our honeymoon."

George said he is holding out for Niagara Falls.

WHITE'S BIG BAT TO HELP CRATERS IN ASHLAND CLASH

League Leading Hitter Recovered From Injury to Add Strength to Local Lineup—Infield Changed

Games Sunday
Medford at Ashland.
Crescent City at Grants Pass.
Goldendale at Yreka.

Boostered by the return of Tommy White, league leading hitter with a mark of 470, and with a change in personnel in the infield, Medford's pennant-leading Craters travel to Ashland Sunday to face their bitter Southern Oregon league rivals in the third game of the second-half race. The game starts at 2:30 sharp.

White, out of action for the past five weeks with a cracked wrist, has entirely recovered, and will be back in the lineup in an outfield position.

The infield change will see Orval Hampel at second base and the strong-armed Billy Calvert at the hot corner instead of Hale Greenman. Calvert was shifted from second to third when Greenman didn't quite measure up to Southern Oregon league requirements. Remainder of the inner works will remain the same, with Bob Smith on first and Dick Lewis at short.

Fielders Can Hit

The outfield will be composed of Hooster Hoffard, White, Dick Sakraida and Manager Wally Rickett. The Crater skipper is still undecided upon the three starters, but probably all will see action. Terrific batting punch will be carried in the Medford outfield, even though Sakraida, a light hitter but grand fly-chaser, performs. In addition to White's mark of 470, Rickett is batting .420 and Hoffard .376. With White, Hoffard and Rickett composing the outer defense, the trio will have an average plate punch of .408, by far the highest in the circuit.

Lowell Brown will do the Medford pitching with Cliff "Chief" McLean back 420 and Hoffard .376. With White, Hoffard and Rickett composing the outer defense, the trio will have an average plate punch of .408, by far the highest in the circuit.

Second Half Hot

Phil Griggs, righthander formerly with Grants Pass, is expected to pitch for the Lithians, with Al Simpson wearing the mask and protector. Manager Leonard Hall has released Jack Baulding, second baseman. Darrell Leavens will be at the keystone sack.

With Medford, Grants Pass and Crescent City all tied for the league leadership with two wins and no losses, the second-half race is becoming even hotter than the first-half squabble. However, after games Sunday, one of these three top teams will no longer be in the underdog class, as Crescent City travels to Grants Pass.

HEAT FORCES REST ON JOG TO GRANTS PASS

GARBERVILLE, Cal., July 22.—(AP) Seeking a hiking resort for the 482-mile journey from San Francisco to Grants Pass, Ore., Adam Ziegler crossed the Humboldt county line today. Ziegler rested last night at Lane's redwood flat, Mendocino county, after another arduous day of walking. Blistering heat necessitated two lengthy rests during the day.

Although behind the schedule no set for himself, Ziegler is ahead of the record set by an Indian, flying through the route in 30 minutes under seven days.

Billy Hulen says:

Few Changes Seen in Hunting Laws For Fall Season

Looking over State Police Captain Lee Brown's shoulder at a stereotyped copy of Oregon's 1938 hunting law synopsis, we see that southern Oregon sportsmen won't be faced with many new changes in seasons and bag limits this fall. Copies of the 1938 synopsis for general distribution aren't printed yet, and when they are they will read practically the same as last year.

In fact, the only changes in hunting laws will concern silver gray squirrels, antelope and Chinese pheasant. The more popular forms of shootin'—bear, deer and elk—will undergo no revisions from last season's laws.

There will be an open season on silver gray squirrels this year, from Sept. 1 to Oct. 31 in 11 counties, including Jackson, Douglas and Josephine. Bag limit will be five such squirrels in any seven consecutive days. Last year, it was unlawful to hunt or kill silver gray squirrels in any Oregon county.

There will also be an open season on antelope from October 26 to November 1, inclusive, but in only three counties—Harney, Malheur and Lake. Special permits will be issued for certain areas in those counties, with Harney issuing 250, Malheur 250 and Lake 500. It will be first come, first served for those who want to hunt antelope. Special tags will cost \$5 for residents and \$25 for non-residents, in addition to regular hunting licenses.

Only change in laws regarding Chinese pheasant hunting will be in the bag limit, that is, in Jackson and Josephine counties. Instead of two male birds in any one day, but not more than four male birds in any seven consecutive days, the new limit will be four male birds in one day, but not more than eight in any seven consecutive days, or in possession at any one time. In other words, pheasant hunters will be able to bag twice as many this year as last. Season remains the same, against Crescent City, the new limit will be four male birds in one day, but not more than eight in any seven consecutive days, or in possession at any one time.
