In the two services Sunday they will present a variety of musical combinations including vocal, brass, and trombone trrios, and violin, piano and accordion numbers. Helps for Housewives
Egg tests: Fresh eggs will sink when they are placed in a pan of cold water. Held in front of a candle flame in a dark room they will appear clear.
Store salad oil in a dry, cold place. Keep coffee, tea, sugar, baking powder, spices, soda, cream of tartar and cereals tightly covered in a dark, dry place.
Metal traps sometimes give a "musty" flavor to tea made in them. To prevent this, store a lump of sugar in the pot. When you're ready to use the pot rinse it in boiling water.
Want some juice-appetizers? Try the following juice combinations: Tomato and clam, tomato and pineapple, grapefruit and orange, grapefruit and grape juice, lemon and grape, apple and pineapple, prune and orange, raspberry and lemon, and grapefruit and cherry—with a bit of chopped mint.
Save your kitchen towels this way: Place a roll of paper toweling near the sink. Use the paper to clean greasy pans, to wipe up spilled foods, and to wipe out the sink strainer.
Standard food measurements: Two cups of solid fat equal one pound, as do two cups of granulated sugar, two and two-thirds cups of confectioner's sugar, two and two-thirds cups of dark brown sugar, three and three-quarters cups of regular flour or four cups of pastry flour. Three teaspoons equal one tablespoon. Sixteen tablespoons equal one cup. Two cups make a pint.
Mistletoe Club To Have Picnic
The Mistletoe club will have a picnic in Astoria Wednesday at 1 o'clock. All members are asked to be present at which time names will be drawn for new polliannias and thank you gifts given.
Hostesses include Mrs. Irene Shirley and Mrs. Howard Glascock. Each member is asked to bring a covered dish.
Gives Luster To Glass
Add a few drops of bluing to the warm water used for rinsing glassware. Then dry each piece quickly with a cloth that is free from any lint.
Lipstick Stains
If you have lipstick stains on white linens, soak them out with vinegar, full strength. If the stain is in color, use a little ammonia.

Shantung Colors Popular Fashions For Summer Chic

(United Press Staff Correspondent)
PARIS (UP)—Shantung days are now a glorious reality for the woman who likes to combine summer comfort with summer chic. More practical than linen and often more dressy than pique, shantung in all weights and colors is Paris' choice for racetrack or shaded tea terrace.
Be sure to take a shantung suit in your vacation wardrobe. Make it a simple tailor of natural colored shantung with at least a few pleats in the skirt; or try Vera Borea's idea of inserting a knit back in the suit jacket, an elastic casing at the waist to give a genuine blouse effect.
Pale pink—a tint that is gaining popularity by the minute—makes another shantung suit for a hundred occasions. Pipe it with navy blue even around the revers and wear navy accessories with it. A more dressy shantung recipe, proposed by Jean Dessas, slips a straight black shantung skirt and bolero jacket over a one-piece white dress. As the black skirt is slit to the waist in front it offers a striking black-and-white ensemble effect.
Still more dressy is Patou's cool-looking white shantung suit composed of dress and long sleeved tailored jacket. Gay flowers are embroidered on the front of the dress in shades of green, mauve, rose and blue. The same silk embroidery is repeated at the bottom of the long sleeves. For blondes and red haired women Patou suggests a gay combination of burnt orange shantung with the natural shade. Four flower pots are appliqued as patch pockets on the burnt orange jacket. Underneath is a natural shantung dress whose two flower-pot pockets have embroidered flowers and gold wheat stalks sprouting from them.
Simplicity marks Bruyere's pale orange shantung dress whose only trimming is a narrow round neck band of black and white embroidered flowers. The tie belt is of the dress material and knots in the center of the back.
Combine gray shantung with deep red shantung piping for a striking dress whose accordion pleated skirt starts at a low hip line.

ARABS OBJECT TO SAMARIA ARRESTS

JERUSALEM, July 23.—(AP)—Arabs in Jerusalem's old city struck today in protest against mass arrests of their countrymen in lower Samaria and the demolition of 43 houses in the Arab village of Baqa Algharbiya. Near Nablus.
The demolitions were ordered because of the killing there of a British soldier. Two buses carrying Arab government workers from Jaffa were fired on in Tel Aviv, wounding several.
A party of 180 American tourists was refused police permission to visit Biblical spots in Galilee because of danger growing out of recent clashes between Arabs and Jews.
Closing time for Too Late to Classify Ada is 1:30 p. m.

COLORADO FOE OF COURT PACK WINS

COLORADO SPRINGS, Colo., July 23.—(AP)—Designated by the Colorado Democratic assembly, United States Senator Alva B. Adams, opponent of President Roosevelt's supreme court and reorganization bills, will enter the September primary election unopposed for renomination.
In a heated contest fought on the issues of administration support, Adams gained the choice over State Supreme Court Justice Benjamin C. Hilliard yesterday.
Placing Adams in nomination before the assembly, Philip Hornbein, Denver party leader, declared Adams "has stood for every measure of the Roosevelt administration that had anything to do with attaining the humanitarian objectives of our great president."

STATISTICS SHOW HIGHWAYS SAFER

PORTLAND, July 23.—(AP)—Hugh E. Bosson, director of public safety, has figures to prove that Oregon is becoming a safer state in which to venture upon highways. He said not a single county showed a general increase in the three classifications of traffic safety—accidents, personal injuries and fatalities—during the first six months of the year.
We wish to extend our sincere thanks to our many friends for their kindness and sympathy during our recent bereavement and for the beautiful floral offerings.
