HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tight kidneys—and may be relieved when treated in the right way. The kidneys are Nature's chief way of taking poisons and poisonous waste out of the blood. Most people pass about a pint a day or about 3 pounds of waste. Frequent or scanty passage with smarting and burning shows there may be something wrong with your kidneys or bladder. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backache, rheumatic pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 45 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

MOTHER AND MEDICS OFFER EXPLANATION FOR LEAP TO DEATH

NEW YORK, July 28.—(UP)—The mother of John W. Warde today supplied a possible motive for his strange death leap after 11 hours of indecision on a 17th floor ledge of the Hotel Gotham.

Friends quoted the mother as saying: "He had a passionate fondness for a woman he could never hope to marry."

There was only vague speculation about the reason for his selection of such a spectacular means to suicide. The most prevalent theory was that his maniac depressive tendencies were complicated by exhibitionism, that he achieved a sense of importance in being the center of New York's horrified attention for a few hours Tuesday.

With a similar attempt at suicide today by Betty Voronun, 24, of Irvington, N. J., police feared that a wave of such freakish incidents might occur. Miss Voronun was found by office workers perched on a building ledge a mile from the spot where Warde leaped. His telephone police, who rescued her, withdrew.

Funeral arrangements were announced at Warde's home in Southampton, Long Island. After private services at a funeral home in Brooklyn burial will be in Evergreen cemetery, Brooklyn.
