

MAIN RETAIL CENTERS REPORT BUYING UPTURN DURING PRESENT WEEK

NEW YORK, July 29.—(AP)—Average sales increased 2 to 6 per cent in leading retail centers this week over the previous week, Dun & Bradstreet reported today.

Wholesale buying with the fall buying peak apparently yet to be reached, was estimated at 4 to 12 per cent under last year's comparative figure.

This, the report noted, reflected continued improvement over the first quarter of this year when volume ran 25 to 40 per cent under the comparable 1937 pace.

Resumption of consumer buying, hampered last week by prolonged rains in many sections, gave impetus to the retail gains which were only 4 to 12 per cent less than the 1937 comparative.

11 ORPHANED BY SLAYING, SUICIDE

OAKLAND, Cal., July 29.—(AP)—Eleven children were orphaned today by deaths, apparently the result of a slaying and a suicide, of Edward Neve, 42, and his estranged wife, Carrie, 42, on a lonely road near here.

Police found marks of a violent struggle near the bodies. Mrs. Neve's body was lying face down, shot twice through the torso. Neve's body lay across hers and a pistol lay beside the two. Their automobile was 40 feet away.

Deputy Sheriff Tom Silva said Neve had telephoned him this morning to learn whether it was necessary for him to appear in court and answer the divorce complaint. When Silva told him he believed it was, Neve appeared depressed over the matter.

Public Is Invited To Treasure Cabin

The public was today invited to inspect Treasure Cabin on the Crater Lake highway opposite Rogue River lodge near Trail. The place is owned and operated by Mr. and Mrs. Ralph Watson and their two sons, Carroll and Gordon, occupants of the property for the past six years.

Treasure Cabin features novelties and cut stones, the opals being obtained from a mine owned by Mr. and Mrs. Watson in Nevada. Situated in the picturesque setting, Treasure Cabin will be enlarged next year and the business expanded to include home-made candy and pastry, the owners said.

Minnie King Crisler Passes In Klamath

KLAMATH FALLS, July 29.—(AP)—Minnie King Crisler, 69, a native of Benton county and for 40 years a resident of Klamath county, died today.

She was the widow of C. B. Crisler, one of the founders of the Eucalyptus Box company, largest saw-mill within Klamath Falls, and a former president of the First National Bank here.

Burial will take place Saturday afternoon at Ashland. A daughter and sister survive.

SURPRISE IS IN STORE FOR MIGRATING DEER

CHEYENNE, Wyo. (AP)—Migrating deer in Shell Creek canyon near the Montana-Wyoming boundary have a shock in store for them.

When they start their migration next spring to the west slope of the Big Horns they will get a shot of electricity every time they touch a certain wire fence that is being erected. The fence is an experiment to determine if a charged wire will keep deer from breaking into the alfalfa fields of ranches in that vicinity. If it works, all the fences will be changed.

MORE MONEY NEEDED FOR WAR ON CRICKETS

ELKO, Nev. (AP)—More money will be necessary if Nevada crickets are to be protected from the 1938 cricket plague, Lee Burge, state supervisor, reports.

By use of chemical dusting and gnatcatchers from fences several threatened areas have been effectively protected, he says, but funds have not permitted adequate control in less important agricultural sections.

SCARED CHICKEN THIEF LEAVES SHOES BEHIND

DUQUOIN, Ill. (AP)—A would-be chicken thief jumped right out of his shoes when James Miller fired at him.

Miller fired one shot into the night when he was awakened by his "chicken alarm." The next morning he found one shoe in the chicken yard and the other in the alley.
