

ANNOUNCE AWARD IN C. OF C. CONTEST TO CUT TAX WASTE

Walla Walla Chamber Winner Among Sixty in West — Tax Reductions, More Service for Money Aims

PALO ALTO, Calif., Aug. 2.—(AP)—The Walla Walla, Wash., Chamber of Commerce was declared the winner among 60 competing chambers of commerce in the western tax economy contest, sponsored by the United States Chamber of Commerce.

Chairman Lane Webber of Los Angeles made the award today at the western conference of commercial and trade executives at Stanford university.

Other prizes went to chambers of commerce of Glendale, Calif., Pasadena, Calif., Yakima, Wash., and Selma, Calif., in that order.

Webber said the contest was designed to promote greater city and county tax economy, but that in this initial year of it the judging was based solely on the excellence of research work into public fiscal affairs.

A detailed report which grew out of the research disclosed findings such as the cost of county jail meals varying from 7.8 cents to 44 cents; mileage allowance ranging from 3 1/2 cents to 10 cents; and some cities pay more than twice as much as other cities pay for the same work.

Manager Alfred McVay of the Walla Walla chamber said, "It is our belief this creation of a tax economy competition between western cities and counties through their chambers of commerce will in coming years do more than anything else to bring genuine tax reductions and give the taxpayer more service for his money."

Honorable mention went to the chambers of Hayward and Torrance, Calif., Chehalis, Raymond and Pullman, Wash., and Eugene and Baker, Ore.

SWISS HITLERITES DEFY PARADE BAN, POLICE CLUB MANY

National Front Movement Seeks Overthrow of Switzerland's Democracy — Germany Influence Seen

ZURICH, Switzerland, Aug. 2.—(AP)—A dozen persons were injured today when police clashed with members of the fascist "national front" who defied an order forbidding them to demonstrate.

Police charged the crowd with nightsticks after the demonstrators refused to disperse. The frontists, many of them women, stood their ground fighting back at the police.

The fighting started before midnight and continued until early hours this morning.

Thirty were arrested and the government immediately moved to prosecute the leaders.

Police charged Deputy Wilhelm Tobler, chief of the "national front," called upon his followers to march "against the present political system against all resistance."

They said they found documents on the arrested frontists disclosing details of the party's organization and cards noting each member's participation in the party's agitation.

Tobler also was accused of declaring the Swiss government "was not lawful authority but authority which violates the law."

The "national front" is the largest movement seeking to overthrow Switzerland's traditional democracy. It has its headquarters in Zurich, and is powerful in eastern Switzerland where the German language is spoken.

The party closely copies Adolf Hitler's national socialism.

James H. Owen, general manager of the Medford Corporation, asked Klamath county loggers were operating on the old schedule, and asked the same privilege. He said the fire hazard in the Butte Falls districts had been lessened by cool nights and lower temperatures.

Owen leaves tonight for San Francisco to attend the annual meeting of the Western Pine association.
