Talk On Hoover At Republican Meet By Mrs. Hurd

Pro-America, national Republican women's organization, convened yesterday noon at the Hotel Holland for one of the most successful luncheon sessions of the season. Mrs. C. M. Hurd, Pro-American president, addressed the members and guests in her proverbial ingratiating manner regarding her recent audience with ex-president Herbert Hoover. Mrs. Hurd was the only woman present when Mr. Hoover spoke in Medford several months ago in her talk. Mrs. Hurd pointed out that she was particularly impressed with Mr. Hoover's sense of humor, his excellent knowledge of national and international affairs and his great devotion for this country. Mrs. Hurd stated that she did not believe that Mr. Hoover ever had a "ghost writer" as was rumored during the time he was the country's first man, principally because he was perfectly capable of writing for himself.
