

League Title Hinges On Game With Coast Team, 2:30 Today

CRATERS ENLIST WILE TURPIN TO DO MOUND DUTY

Loser Of Crucial Game Eliminated—Locals Hope To Quash Jinx—Play-off Looms.

Southern Oregon League	W. L. Pct.
Medford	6 1 .857
Crescent City	6 1 .857
Grants Pass	6 1 .857
Yreka	3 5 .457
Glendale	3 5 .457
Ashland	0 8 .000

Medford Craters and the Crescent City Merchants, the Southern Oregon league's most hated rivals, clash for the fourth and final time today at the high school park as the terrific second-half pennant race comes to an end. The game, climaxing four months of red-hot baseball action, starts at 2:30 sharp.

Upon the outcome of the encounter, most crucial of the entire season, hangs the second-half championship. In case Grants Pass, tied with Medford and Crescent City for first place, loses to Glendale at Glendale today, the winner of the battle here will become undisputed titleholder. If Grants Pass beats Glendale, the victor of the Medford-Crescent City game will pitch for the City club for the championship, making a playoff game necessary. Regardless of what happens at Glendale, the loser of the Medford-Crescent City game will be eliminated from the pennant race.

Lyle Turpin, big and youthful right-hander acquired from the Klamath Falls Red Sox of the Northern California league, will pitch for the Craters. Manager Paul "Hooper" Hoffard definitely announced yesterday, a nephew of Hal Turpin, hurler for the Seattle Rainiers, Lyle is considered one of the most promising young pitchers in southern Oregon.

Lyle Mike Kell, young southpaw who has beaten the Craters twice already this year and who has won 11 and lost 2 games, including a no hit, no run conquest of Ashland, will do the mound work for Crescent City, last year's champions and winners of the first-half pennant this season. A victory for Crescent City today will make it three out of four over the Craters for the season.

Although Medford has never beaten Crescent City on the high school field, Manager Hoffard and his heavy-hitting Craters are confident of victory this afternoon. The team has won through its final batting and fielding drill Friday afternoon with the finest display of spirit and justice of the year, and the Craters are determined to break the jinx that has given the Coast team a victory every time it appeared here.

Last time the two outfits met here, in the final game of the first-half race, they were dodged for the leadership like they are today. Crescent City won a sensational 13-inning battle, 7 to 6, which gave them the championship. Fans acclaimed the game the most thrilling ever staged here, and today's encounter figures to be just as spine-tangling.

One change in the Crater lineup today will be in the pitching box, while Manager Roy Deo of Crescent City plans to start the same array which has performed so excellently all season. Although the Craters beat by far the higher team batting average, .329 to Crescent City's .273, the visitors are far and away the greatest defensive club in the circuit. Medford has three players hitting over .440—Orval Hampel (.523), Hoffard (.457) and Tommy White (.447)—and three batting over .300—Lyle Lewis (.375), Cliff McLean (.369) and Billy Calvert (.360). Mike Kell leads the Merchants at the plate with a mark of .415, followed by second baseman Matson with .333 and Ralph Deo, third sacker, with the same.

Following are the batting line-ups:

Medford	Crescent City
Sakrals, cf	Miller, 1b
Calvert, 2b	Matson, 2b
Spinn, if	Spinn, if
McLean, c	Reynolds, rf
White, rf	Kell, p
Lewis, ss	Deo, 3b
Hampel, 1b	Franstead, cf
Cobb, 3b	Loffer, ss

EYSTON TRAVELS 345.49 PER HOUR

BONNEVILLE SALT FLATS, Utah, Aug. 27.—(AP)—Capt. George E. T. Eyston of England fired his black racing car, "Thunderbolt" over the flats here today at 345.49 miles per hour, holding his own world land speed record of 347 miles per hour and set the scene for an unparalleled speed duel.

Eyston, jubilant over breaking his mark of 311.42 miles per hour set here last November, said he would not return to London immediately.

Monday, the crown prince of speed, John Cobb, also of London, will bring his sleek, bullet-shaped racer, "Hilton," out in an attempt to better Eyston's new mark.

Although he declined to announce it flatly the rank, scholarly speed king will remain to race his seven-ton juggernaut again should Cobb shatter the 345-mark.

The motorcar was invented by Cobb in 1935.

PITTSBURGH, Aug. 27.—(AP)—Pittsburgh presented a patchwork lineup today and turned the tables on Philadelphia 6 to 1 behind the seven-hit pitching of big Ed Brandt.

BUDGE AND MAKO DEFEAT AUSSIES

BROOKLINE, Mass., Aug. 27.—(AP)—The rout of the largest foreign army to battle for national doubles championship in 57 years comes complete today when Don Budge and Gene Mako regained their title by overwhelming Adrian Quist and John Bromwich of Australia, and Alice Marble and Mrs. Sarah Pauline Fabyan retained theirs by overtaking Mme. Rene Mathieu, of France, and Jadwiga Jedzejowska, of Poland.

A crowd of 4500, which overflowed Longwood, marveled at the amazing overnight improvement displayed by Budge and Mako as they trounced the Australians, 6-3, 6-2, 6-1, in 31 minutes flat. That speedy triumph gave them the national title they lost to Baron Gottfried von Cramm and Henner Henkel, of Germany, here last year and their first success in four starts against the Australians. Those same teams meet again next week in the Davis Cup challenge round doubles match at Philadelphia.

Miss Marble and Mrs. Patsyann, after being overpowered in the opening set by their strong Franco-Polish rivals, rallied so magnificently that they pulled out a 6-8, 6-4, 6-3 victory.

Women's Golf Honor Won By Patty Berg

CHICAGO, Aug. 27.—(AP)—Patty Berg, Minneapolis, won her first women's western golf championship today, defeating Edith Estabrook of Dubuque, Iowa, 4 and 3 in their final match scheduled for 36 holes at the Olympia field country club.

The power and championship belonged to the 20-year old marvel from Minneapolis, for she finished the match with an eagle 4 on the 552 yard, 33rd hole.

But much of the glory went to her 16-year old opponent, starting the final round 7 down. Miss Estabrook, former western junior champion, threatened to square the match when she scored a 38, one under par for the first nine holes of the afternoon round.

Silver Stars Squad On All Star Squad

WICHITA, Kas., Aug. 27.—(AP)—Two Oregon players who recently played with Silverton in the national semi-pro baseball tournament were named today to the all-American team selected by a board of major league scouts who attended the games. They were John Pesky, shortstop, and George Windsor, pitcher.

PEARSON TWIRLS NO HIT, RUN GAME AGAINST INDIANS

Yankee Curve Artist Gives Two Walks In Perfect Performance Before 40,000 Fans.

NEW YORK, Aug. 27.—(AP)—Monte McCarellus Pearson, the New York Yankee's classy curve-baller who looks like a million dollars when his control is right, tossed his right-hand slants into baseball's hall of fame today with a no-hit, no-run pitching performance against the Cleveland Indians.

Working with only two days rest since his last assignment, the six-foot Californian allowed just two men to reach base—both on walks—as he became the first American league hurler to turn the trick since Bill Dietrich did it in June of the 1937 campaign. Since then Johnny Vander Meer, who posted two-in-a-row two months ago, has been the only no-hit pitcher.

Pearson picked his old mates, the Indians, as the victims of his curving class in the nightcap of a doubleheader, and let a crowd of 40,959 in on the fun. He retired the first nine batters to face him, walked Lyle Lary and Bruce Campbell at the start of the fourth, and then finished up by getting the last 18 in a row.

As Bruce Campbell filed out to left to end the game, hundreds of fans rushed onto the field and Monte had to fight his way into the club dressing rooms.

His mates backed him up with a 13-hit attack, including two homers apiece by Tommy Henrich and Joe Gordon, to give Pearson his tenth win in a row this year, by a 15-0 margin. The Yanks made it holiday by sweeping the twin bill, taking the opener 8-7 on Joe DiMaggio's two-run triple in the ninth inning. That three-bagger was DiMaggio's third of the game, equalling the major league record in that respect.

Pearson's no-hit today is the third ever turned in by a Yankee pitcher in history. Sad Sam Jones did it back in 1923, and Tom Hughes accomplished the stunt in 1920 for nine innings, but lost the game in the tenth.

Pearson's performance was the best of the no-hitters since Paul Dean gave up just one base on balls for the St. Louis Cardinals against Brooklyn in 1914, and the best in the American league since old Ted Lyons' one-base-on-balls classic for the White Sox back in 1926.

The current campaign is Pearson's seventh in the big leagues. He broke into organized baseball with Oakland in the Pacific Coast league in 1929.

First game: R. H. E.
New York 0 0 0
Cleveland 13 13 1
Milnar, Galehouse, Allen and Pylak; Hadley, Murphy and Glenn.

Second game: R. H. E.
Cleveland 0 0 2
New York 15 13 0

WPA TIMEKEEPER WINS GOLF TOGA

CLEVELAND, Aug. 27.—(AP)—A diminutive Cleveland WPA worker—with the courage of a Dempsey when it counted—became the home town boy who made good and the new national public links golf champion today.

Al Leach, 26-year old WPA timekeeper, won the title by defeating the equally game Louis Cyr, railroad worker from Portland, Ore., one up, in a spectacular 36-hole match which saw Cyr, after being six down at the 23rd hole, storm back to square the duel on the 34th green.

At that point Leach, who apparently had "cracked" wide open, steadied like a champion. He halved the 35th and then lashed out a terrific drive far over the creek which had wrecked the hopes of so many players. Se was on the green 15 feet from the pin in two as Cyr drove into the rough and was still short of the green in three. Leach ran his putt to within six inches of the cup and Cyr, after his fourth run on past the hole, conceded the match.

MACKMEN, BROWNS NOW OUT OF RACE

NEW YORK, Aug. 27.—(AP)—The American league pennant race officially became a six-club affair today. When the Yankees won two games from Cleveland, it marked the 81st and 82nd victories of the year for the New Yorkers. The seventh-place St. Louis Browns, with 43 victories and 38 games left to play, can only win 81 games, even if they take the rest of their schedule, and the last-place Athletics, with 42 wins and 36 still to play, can only win 78.

Those, the Brownies and A's are eliminated beyond all mathematical possibility of catching up—although it was unanimously agreed last April that neither of them would ever be any higher.

Salmon Park Gains
JUNEAU, Alaska, Aug. 27.—(AP)—The fisheries bureau yesterday reported substantial late season gains in the southeastern Alaska salmon pack.

BROWNS WIN PAIR, A'S TAKE CELLAR

PHILADELPHIA, Aug. 27.—(AP)—Four home runs today moved the St. Louis Browns out of the American League cellar by giving them a double victory over the Athletics, 8 to 3, and 6 to 5.

First game: R. H. E.
St. Louis 8 14 2
Philadelphia 3 9 0
H. Mills and Heath; Potter and Lays.

Second game: R. H. E.
St. Louis 6 14 0
Philadelphia 5 8 1

SOCKEYE IN HUFF CHALLENGES PETE TO GLOVE BATTLE

"I'm getting tired of being pushed around by Pete Belcastro. From now on, I'm going to do the pushing. I've bought a set of boxing gloves, and Belcastro is either going to put them on with me and fight it out tomorrow night, or show his true color by refusing."

Such was the sensational statement made yesterday by Sockeye Jack McDonald, the ex-Seattle logger who has lost two straight wrestling matches to the Weed Mad Italian because of what he believes were fouls. "I'm not challenging Belcastro," McDonald stated with anger, "I'm just going to make him fight or get out of town. I know that Belcastro can't lick me, and I know that I can knock him out anytime I wish. Nobody is going to stop me, either Mack Lillard, the boxing commission or the police. Right after our match with Steve Strelch, I am going to wait in the ring for Belcastro, and when he climbs through those ropes for his main event with Bob Kenaston, I am going to make him put on the gloves with me and then we'll just see how tough he is. I'm sure Kenaston will understand and not cause any trouble. If Belcastro refuses to put on the gloves and fight like a man, I'll sue everyone in town who will know that he is yellow."

So that's the startling situation that will occur tomorrow night in the Medford armory, turning the scheduled wrestling card into a spectacular prizefight, if Belcastro agrees to don the six-ounce gloves McDonald has purchased. The program originally called for Belcastro and Kenaston to meet in the one-hour main event, McDonald and Strelch to clash in the middle squabble and Bobby Chick and Juan Sebastian to meet in the opener.

McDonald, mad as a hornet at Belcastro because of repeated foulins in their two previous matches, figures to get rid of Strelch as soon as possible, then accost Belcastro as he enters the ring for his match with Kenaston. He will publicly demand the Mad Italian to put on the gloves with him. "I don't think Belcastro can hurt me," Sockeye gritted, "and I know I can hurt him plenty. I have done some fighting in my career, meeting Leo Lomski, Freddie Lenhart, Maxie Rosenbloom and others, and I'm going to belt Belcastro into slumberland if he is man enough to fight."

So, that's the way the situation stands today. Belcastro could not be reached for a statement, and whether he will accept McDonald's demands or show the white feather by refusing is not known. McDonald is burned up, over the manner in which Belcastro beat him twice, at Referee Earl Yeakler for letting Pete do his underhanded stuff, and even at Promoter Mack Lillard, mildly.
