By JOHN M. HIGHTOWER WASHINGTON, Sept. 1.—(AP)—The heaviest primary election month of 1938 began today with three major defeats chalked up against the Roosevelt administration and three straight-out New Deal contests still to be decided.

Administration Leutenants hope primaries in Maryland, Georgia and New York will offset reverses suffered by the president Tuesday in the victory of Sen. Ellison D. Smith (D. S. C.) and the defeat of Sen. William G. McAdoo (D. Calif.). The only other major upset to the administration this year was in Idaho where New Deal Sen. James F. Pope lost to Rep. D. Worth Clark, self-described conservative Democrat.

Prestige at stake Two other Democratic senators—Herbert Hitchcock of South Dakota and George L. Berry of Tennessee—lost renomination battles, but support of the president's policies was not at issue. Most politicians agree some of the remaining primary contests will involve the president's prestige even more than any already held.

Mr. Roosevelt did not take a hand in the Idaho contest. He endorsed McAdoo, but the winner—Sheridan Downey—says he is a New Dealer. Although the New Deal was a direct issue in South Carolina, the president did not mention names in indicating his preference for Smith's opponent, Gov. Olin D. Johnston. Mr. Roosevelt, however, has denounced by name Sen. Walter George of Georgia, and Millard

Wall St. Report NEW YORK, Sept. 1.—(AP)—Stocks skidded a bit today, then resumed an idle walk around the lower levels of the narrow course the market held throughout August. A moderate forenoon selling wave nicked prices of the trading favorites fractions to 2 points. Ralls took more punishment than usual following the failure of mediation efforts in the wage cut struggle.

Transactions set about the same slow pace as in the previous session, approximating 500,000 shares. Dealings were heaviest on the early selling flurry. THREE NEW DEAL CONTESTS REMAIN ON PRIMARY LIST

Three Major Defeats So Far - Administration Aides Hope for Success in New York, Maryland, Georgia

Political Calendar

WASHINGTON, Sept. 1.—(AP)—Here is the political calendar for September: Sept. 6—Nevada primary. Sept. 12—Maine general election; Maryland primary. Sept. 13—Primaries in Arizona, Colorado, Louisiana, Michigan, Utah, Vermont, Washington and New Hampshire; Democratic convention in Connecticut. Sept. 14—Georgia primary. Sept. 15—16—Connecticut Republican convention. Sept. 20—Primaries in Massachusetts, New Jersey, New York (congressmen and legislators) and Wisconsin. Sept. 28-29—New York Republican convention (for senator and state ticket). Sept. 29-30—New York Democratic convention (for senator and state ticket).

Tydings of Maryland and Rep. John O'Connor of New York. He will continue his campaign against Tydings Monday by speaking in Maryland, for the New Deal senatorial candidate, Rep. David J. Lewis. Georgia Test Due Another test of direct presidential intervention will come in Georgia Sept. 14, two days after the Tydings-Lewis race is settled. The president has said he hoped Senator George would be defeated by Lawrence Camp, but there has been no indication he intended to make any further formal pronouncements in that contest.

The third direct test will be September 20 in the 16th congressional district in New York, where Representative O'Connor is opposed by James H. Poy, who has presidential endorsement. O'Connor, chairman of the house rules committee, is seeking both Republican and Democratic nominations.

In all senatorial contests will be decided in 14 states in September, and two other states will have primaries involving lesser offices. Maine, as customary, will hold its general election in September, but no senate seat is at stake. Mr. Roosevelt's reaction to the renomination of Senator Smith and the elimination of Senator McAdoo may be made more apparent through his actions in Maryland and elsewhere than in any statement he makes here, unless he utilizes tomorrow's press conference for that purpose.

Lindberghs Headed For Czechoslovakia

CLUJ, Rumania, Sept. 1.—(AP)—Col. and Mrs. Charles A. Lindbergh continued their aerial tour of Europe today after an overnight stop here.

Lindbergh would not disclose his itinerary but it was believed Praha, Czechoslovakia, would be the next stopping place. The couple came here from Odessa after a two weeks' visit to Soviet Russia.

HAM LEWIS SEES NO THIRD TERM

PORTLAND, Sept. 1.—(AP)—President Roosevelt will not be elected for a third term, Senator J. Ham Lewis, redoubtable Democratic opponent from Illinois, predicted yesterday in an interview. "Two and a half years is a long time," the senior Illinois senator said. "Governments have gone into revolutions in 30 days."

"By the time the president is finishing his present term new issues, largely foreign and international, will arise and new candidates on these issues will press all present issues and all present candidates to the background or supercede them completely."

He professed to see a "real danger" in the California primary result. "The danger," he added, "is that every other state in the west may have independent candidates running on the issue of more pensions and larger sums to be guaranteed by the government to all individuals."
