# STOCKS RESUME DOWNWARD SLIDE ON WAR THREAT

## Heavy Selling Appears in Second Day of European Crisis—Fears for Peace Increase As Day Goes On

NEW YORK, Sept. 14.—(AP)—Fresh waves of selling swept over the stock market today, sending prices into another swift decline, on reports of clashes between Sudeten Germans and Czech soldiers.

As the news of "incidents" in troubled Czechoslovakia came in over financial tickers, Wall Street seemed to relinquish an early show of hope for a peaceful settlement of the issue and markets gave up a struggle to recover from the staggering selling blow they suffered in the final hour yesterday.

Heavy Liquidation Gains of 1 to 3 points scored by representative issues in the first half hour of trading were converted into losses ranging to around five points before the selling lightened late in the session.

Liquidation was the heaviest since last autumn, with transactions approximating 2,800,000 shares. The ticker frequently was behind the market, sometimes as much as 5 or 6 minutes, on the crest of successive selling waves but proceedings generally were orderly.

Fears for Europe's peace appeared to increase as the day wore on in the market places. Major commodities turned upward, led by another bulge in wheat. At the close of the Chicago pit, wheat was up 1/8 to 1/4 cents a bushel on top of yesterday's sharp rise. Corn was up 1/4 to 1/2 cents a bushel. Cotton near the close was 30 to 50 cents a bale higher.

Aided by reports of brisk report demand for the metal, copper shares fared better than most groups as the market's tone improved toward the finish. Numerous issues were off only fractionally on the day and a few clung to part of the early gains, including Kennecott, Briggs and International Nickel.

## NEW BANKING CLASS WILL OPEN TONIGHT FOR 28-WEEK STUDY

The Rogue River valley group study class of the American Institute of Banking will hold its first session of the year tonight at 7:30 in the Medford senior high school. It will meet each subsequent Wednesday for the next 28 weeks.

Subject of this year's class is "Commercial Law" and is second in the group of subjects necessary to the pre-standard certificate of the institute.

Anyone desiring information relative to this educational work may contact Mr. Houghton. Each class will last for one and one-half hours. # LEGION CONCLAVE MOTOR CAVALCADE WILL FORM HERE

Medford and Klamath Falls will be the focal points Friday evening for motor caravans to the annual American Legion national convention in Los Angeles September 19 to 24.

Legionnaires from all parts of Oregon will assemble in the two cities Friday for an overnight stay. Upon arrival here the Legionnaires are to contact Adjutant Horace L. Bromley for overnight accommodations and for instructions regarding the caravan.

The motor cavalcade is to leave Medford and Klamath Falls Saturday morning in time to reach Weed, Cal., by 8:30 a. m. There the two processions will combine for the trek to Los Angeles. Officers emphasized that both caravans must be in Weed not later than 8:30 as a definite schedule has been mapped out and must be followed.

Convention registrations indicate that Oregon will have more Legionnaires at the Los Angeles convclave than at any previous national assembly. For this reason separate headquarters for Oregon have been established in room 2102 at the Hotel Biltmore in the heart of the city.

A meeting of all Oregon members has been called by John A. Beckwith, department commander, in the Hotel Biltmore headquarters for 6 p. m. Sunday. All Oregon Legionnaires are expected to attend the meeting as the state delegation is to be organized and convention instructions and information issued, a news release from headquarters said.

At tonight's regular semi-monthly meeting in the armory, final plans regarding the convention will be made by Medford post. Because of the importance of this last session prior to the national convclave, officers request the presence of all members. The meeting will convene at 8 o'clock.
