LEGION POST HERE CONCLUDES PLANS FOR CONVENTION

Plans for the national convention in Los Angeles next week and reports of the recent state convention in Pendleton occupied the attention of Medford American Legionnaires at their regular semi-monthly meeeting in the armory Wednesday night.

From present indications, Medford will be well represented in Los Angeles, a large number of Legion and Auxiliary members planning to attend. Last minute information on the convention was given by Commander Robert Ebel and H. L. Bromley, county chairman of the "On to Los Angeles" committee.

Commander Ebel also outlined plans for advertising Medford at the convention through the distribution of local pears at the Oregon headquarters in the Biltmore hotel.

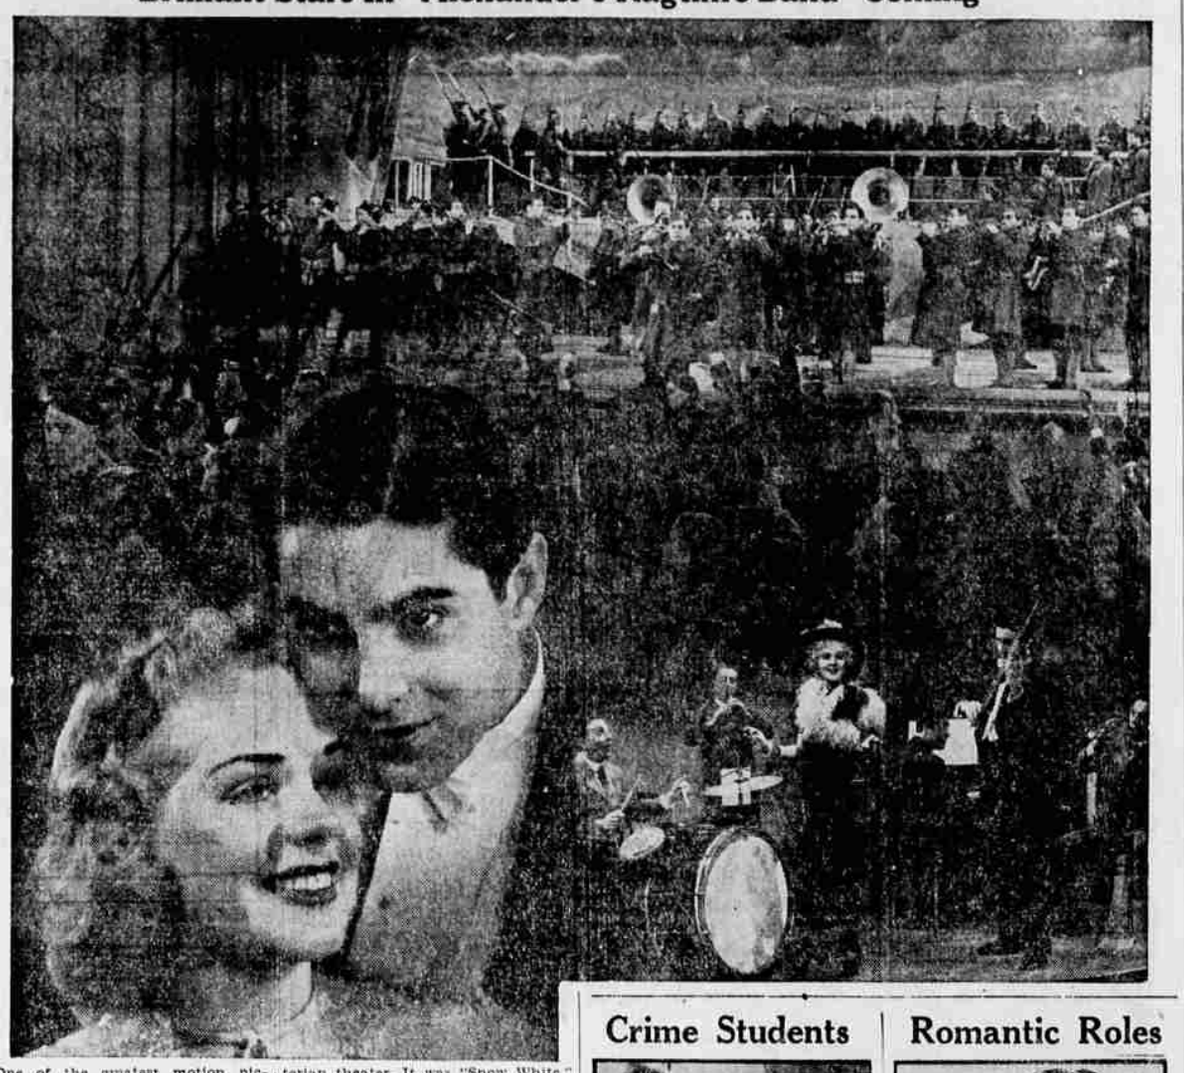
Reports of the Pendleton convention were made by Commander Ebel and Delegates Lee Garlock, J. F. Fliegel and Bromley. Medford post was honored by the selection of Mr. Fliegel as chairman of the constitutional amendments committee and Mr. Bromley as chairman of the credentials committee. Mr. Bromley was also elected a national delegate to the Los Angeles convention.

Mr. Garlock won state-wide recognition for his membership record in 1938 and was awarded the state trophy for his success in signing up 246 members this year, the reports revealed.

Don Newbury, retiring commander of Medford post, was presented with a past commander's emblem, Past-Commander George Codding making the presentation speech in which he reviewed the accomplishments of the past year, including the program of boys' work. Mr. Newbury responded with a brief acceptance speech and thanked all committees and members for their cooperation in making his administration a success.

The meeting was concluded by a program of movies put on by the Medford naval recruiting officer, George Patterson. The pictures showed naval aviation and scenic views in foreign waters.

Brilliant Stars In "Alexander's Ragtime Band" Coming



One of the greatest motion pictures of all time, "Alexander's Ragtime Band," starring Tyrone Power, Alice Faye and Don Ameche, and presenting a kaleidoscopic view of Irving Berlin's influence on American music, comes to the Craterian theater Sunday for a full week's engagement.

Only one other picture has ever been held a full week at the Craterian theater. It was "Snow White." But so popular has been the reception accorded "Alexander's Ragtime Band" throughout the country, it was decided to give it the playing time it has proven it deserves. Some sort of record has been established by this remarkable production in that it has yet to find a city of more than 50,000 population where it has not been held over into the third week at least.

Four Votes for George

When Sen. Walter F. George of Georgia went to the polls at Vienna, Ga., to vote in the Democratic primary, members of his family were there with him, and for him. George is opposed by the administration-blessed Lawrence Camp. Above (right to left), Sen. George, Mrs. George, Herd George, son and campaign manager, and Mrs. Herd George. (A. P. Photo).

Crime Students

Bobby Jordan, sensational star of "Crime School," and Frankie Darro are starred with Jack Holt in "Reformatory," coming to the Rialto theater for tomorrow and Saturday. A story of prison reform, "Reformatory" has Charlotte Wynters in the leading feminine role.

"The Purple Vigilantes," starring the Three Mesquiteers, will play as the added feature with the Jack Holt action film.

Romantic Roles

Dick Powell and Rosemary Lane have the romantic leads in "Varsity Show," playing today and tomorrow only at the Roxy Theater.

ALASKA BOURBONS POINT WITH PRIDE

JUNEAU, Alaska, Sept. 15.—(AP)—Alaska Democrats, proud of saying "as Alaska goes, so goes the nation," pointed today to delegate Anthony Dimond's steadily mounting lead in the contest to return him to congress.

With returns from Tuesday's voting seeping slowly in, his total was nearly double the combined vote for Al White, Republican, and George Grisby, who ran as an independent.

Territorial Treasurer Oscar Olson, Democrat, was returned to office by nearly two-to-one margin over Dr. Will E. Chase, Republican. Democrats also elected the senator and four representatives to the territorial legislature in the first division with returns complete from 32 precincts, including the larger ones, out of 53.

SLOVAKIA ORDERS HENLEIN'S ARREST ACCOUNT TREASON

(Continued from Page One.)

It assailed methods used by the Czechoslovak government in efforts to crush disorders which have caused at least 23 deaths in Sudeten areas in the past three days.

The proclamation declared:

"My compatriots, as a man whom you trust and conscious of my responsibility, I proclaim to the whole world that the use of machine guns, armored cars and tanks against defenseless Sudeten Germans has reached the highest point of Czech oppression.

"Thereby the Czech people have demonstrated before the whole world that it is definitely impossible for Sudeten Germans and Czechs to live in the same state. The experience of 20 years of oppression and above all the party sacrifices of the past few days make it my duty to declare:

"1. In the year 1919 we were denied the promised right of self-determination and against our wills were forced into the Czech state.

"2. Without at any time renouncing our right for self-determination, we have attempted, by giving frequent sacrifices, to find a proper place in the Czech state.

"3. All our efforts to persuade the Czech people and its responsible leaders to make honorable and just compromises have failed because of their irreconciliability.

"In this hour of Sudeten German extremity I direct to you, the German people and the entire civilized world:

"We wish to live as free German men! We want to work at peace in our homes! We want to return to our home in the reich! God bless us in our just fight!"

Study Proclamation

The cabinet immediately began to study the proclamation at Prague and indicated an answer would be given, possibly this afternoon.

Meanwhile, the government dispatched more troops and tanks to suppress disorders in the Sudeten regions, the death toll of which was not yet fully known.

The figure of 23 was fixed by the government, which is publishing its tabulations only after careful investigation. It appeared certain many lives were lost, and many more wounded in the fighting along the 125-mile Sudeten border.

"Stop this rebellion before it becomes an European conflict," were instructions to the army, the police and the gendarmerie.

Bent on swift action, it appeared probable before the end of the day the government would convene one of the special courts provided by martial law at Eger, Sudeten stronghold where officers encountered machine-gun fire as they tried to capture a sniper in Victoria hotel.

The courts are empowered to impose death sentences to be executed within two hours. Both Eger and Schwaderbach, where bitter fighting took place yesterday, were quiet save for military patrols early this morning.

Yesterday's fighting with machine-guns, hand grenades and tanks, besides rifles and pistols, was severest at Eger and Schwaderbach.

Sudeten headquarters also told of a battle at Habersprik with from 10 to 25 Czech gendarmes dead and probably a similar number of Sudetens. But the government denied this report and said all was quiet after "warm" fighting. Four were killed, the government said.
