met him at Heston airdrome against accepting any unauthorized accounts of what took place in his conversation with the German Fuehrer.

The premier read a brief statement into a microphone which carried his words to distant crowds.

Meets Inner Cabinet With Viscount Halifax, foreign secretary, he then sped off to Ten Downing street to meet first his inner cabinet—Lord Halifax, Chancellor of the Exchequer Sir John Simon, and Home Secretary Sir Samuel Hoare—and later the entire cabinet, perhaps tonight or tomorrow.

Chamberlain declared that later, perhaps in a few days, "I am going to have another talk with Herr Hitler." Amid the crowd's cheers he added:

"Only this time he has told me it was his intention to come half way to meet me."

He said Hitler "wishes to spare an old man another such long journey."

source in touch with high German chancellery officials listed three points today as the cardinal demands of Reichsfuehrer Hitler from Czechoslovakia.

They were: 1. Cession to Germany of Czechoslovakia's Sudeten German area; 2. Binding assurances that Czechoslovakia's foreign policy be in harmony with Germany's; 3. Coordination of Czechoslovakia, after absorption of the Sudetenland, with Germany's economic system.

Czechoslovakia's defensive alliances with France and Soviet Russia have been a target of the German-Italian-Japanese anti-communism pact.

Under the economic demand, Germany, for instance, would have final say over the output of Czechoslovakia's great Skoda munitions works and where it is sent.

Sauer Gets Herwig's Tips

Big Bob Herwig, iron man of the 1937 University of California grid team, and graduated in June, was on hand at Berkeley, Cal., to pass on a few tips on the center job to Ralph Sauer (left), when the Bears reported to practice. Sauer probably will take the line job Herwig held down so efficiently. (A. P. Photo.)

LEGION CARAVAN TO LEAVE AT 6:30 A. M. FOR L. A. CONVENTION

Last minute information on the Los Angeles caravan of Oregon Legionnaires was received today from H. L. Bromley, county chairman of the "On to Los Angeles" committee. Mr. Bromley advised that the caravan which will include many cars from Portland and way points will assemble at the Hotel Medford at 6:30 a. m. tomorrow, leaving immediately for Weed, Calif., where it will consolidate with a similar caravan from Klamath Falls and eastern Oregon. Departure from Weed will be at 9 a. m. under California state police escort and all local Legionnaires are urged to be present at that time. Further information may be secured from Chairman Bromley at the Hotel Medford this evening.

Some good advertising for Medford and the Rogue river valley is expected to result from the efforts of Medford post No. 15 at the Legion national convention next week. Through cooperation of local fruit concerns, a goodly supply of the famous Medford pears has been secured and will be distributed to eastern delegates at the Oregon headquarters in the Biltmore hotel. Several boxes will also be presented by Commander Ebel of Medford post to National Commander Dan Doherty, vice commander, Harry M. Johnson and other national leaders of the Legion.

Among the local packing plants furnishing choice pears for advertising the Rogue valley "Paradise" are the following: American Fruitgrowers, Bear Creek Orchards, Crystal Springs Orchards, Walter Leverette, Palmer Corporation, Pinnacle Packing Co., Reter Packing Co., and Southern Oregon Sales.

PEARS IN BEAR CREEK BRING \$25 FINE FOR POLLUTION OF STREAM

E. E. Halfhill, employe of the Orchard Park orchard, charged with pollution of a stream, entered a plea of guilty in justice court today, and was fined \$25 and costs. Walter H. Leverette, his employer, and jointly charged with the same offense, entered a plea of guilty, but withdrew it and entered a plea of not guilty, after the court had imposed the same fine on both. Upon motion of the district attorney, the charge against Leverette was dismissed. The complaint charge dumping of cull pears into Bear creek. A state police game warden informed the court he had found a number of trout floating below the pear dump, and the odor was terrific. Leverette, in changing his plea said he had no idea the pears would pollute Bear creek, that he knew they were dumped, but took no part in the dumping, and no one was more interested in stream purity than himself. He agreed to clean out the pear dump, and to see that the practice ceased. He protested two fines for the same offense, but stated he would pay the fine of his employe.

It was erroneously reported yesterday that the accident victim was Lewis Clark, Mr. Clark's son.

In the first hour, numerous shares yielded half or so of yesterday's extensive gains, which were rung up in a revival of hope for maintenance of peace on the Hitler-Chamberlain talk. Losses were reduced later, however, leaving leading shares fractions to around 2 lower on the average.

Commodities valued for war purposes continued to run counter to stocks. Wheat finished 1/2 to a cent higher at Chicago and corn was up the same.
