

Valley Hales \$1.15 Box, Bay City Market, Best Price in 10 Years

PRODUCTION CARE AND QUALITY NET GROWER RESULTS

Rosenberg Bros. Shipment, in Competition With Yakima, California Crop Wins Consumer Praise.

The highest price in the past ten years was brought by three carloads of Rogue river valley Hale peaches in San Francisco market last week.

"We have been told that the Rogue river valley peaches were the sensation of the fruit trade in San Francisco and Oakland," said Harry Rosenberg of Rosenberg Brothers, owners of Bear Creek Orchards.

"The trade was exceedingly enthusiastic and our representative informed us that next year we could easily dispose of much larger quantities of these superior quality Rogue valley peaches at this attractive price."

In shipping the peaches to market, Rosenberg Brothers used a deluxe pack which aided in bringing the high returns.

"With a peach of genuinely high quality we could afford to use the deluxe pack," Mr. Rosenberg explained. "The quality, however, must be there first."

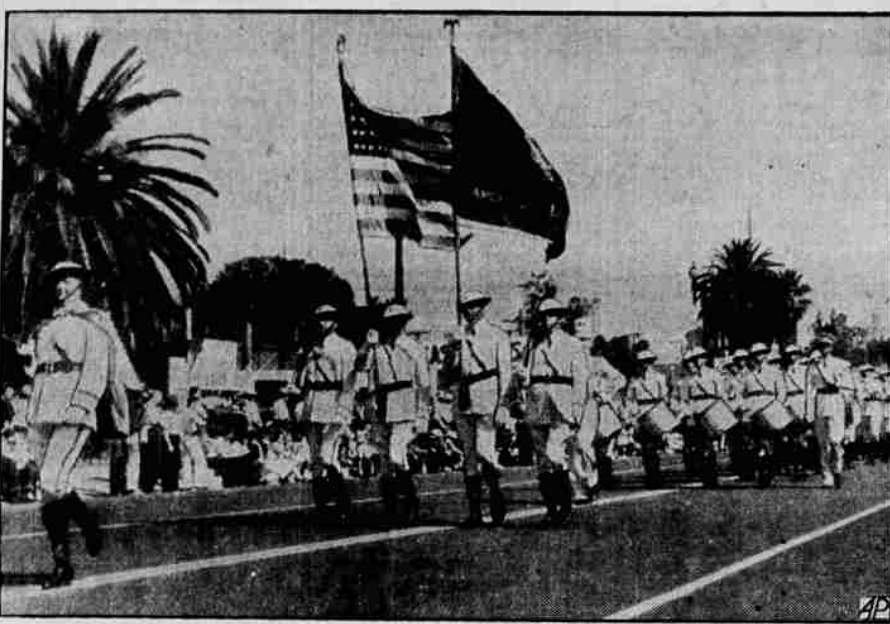

Mr. Rosenberg said that it was encouraging to growers to know that Rogue valley peaches, in direct competition with the large California crop and with shipments from Yakima, could command prices ranging up to 50 per cent above prices of the competing fruit.

Credit for the high quality of the local peaches should go to the growers who took proper care of their orchards and picked the fruit with care at the right time.

The peaches commanding the high prices came from the Eugene Thornadike and G. E. Pierce orchards, a few coming from Ashland. Mr. Rosenberg said.

J'ville Boy In Navy Writes From Brazil

JACKSONVILLE, Sept. 21.—(SpI)—An interesting description of Rio de Janeiro, Brazil, is contained in a letter received by Mrs. W. J. Edens from her son Fred, who is serving on the United States navy ship Enterprise.

Much of the letter is devoted to the peculiarities of Brazilian cooking and to the cosmopolitan population of Rio.

The Enterprise, Edens wrote, was to leave Rio for Guantanamo bay September 2 and to depart from Guantanamo for Norfolk September 18, scheduled to arrive at the eastern U. S. port on the 22nd.

The letter came all the way from Rio by airmail for 25 cents.

NOVEMBER 8 SET BY CITY COUNCIL AS ELECTION DATE

Mayor, Recorder, Treasurer and Five Councilmen to Be Chosen — To Move Dump.

The city council last night adopted a resolution setting November 8 for the election of municipal officials.

To be elected are a mayor, recorder, treasurer and five councilmen. A councilman from each of the four wards is to be elected for the full term and in addition a councilman is to be chosen in the third ward to complete an unexpired term of two years.

Steps were taken last night to abolish the present garbage dump on the east side of town when the garbage disposal contract with Winifred M. Clancy was amended.

Under the amended contract the garbage dump will be removed not later than a year hence to a 20-acre tract two miles south of the present pit. The contract as amended is to run for 10 years.

At the termination of the contract, it was provided, the city has the right to acquire the new garbage disposal grounds from the contractor for \$3,000 plus the value of improvements thereon.

For years the present garbage dump has been the source of complaints because of its proximity to residences.

A report submitted by Fred W. Scheffel, city superintendent, showed that 28 defective sidewalks had been repaired by the property owners since the previous council meeting on September 6. A new list of 262 sidewalks needing repairs was filed with the council.

The meeting was adjourned to 7:30 p. m. next Monday when further attention will be given to the proposed reconstruction of paved streets also meet with the citizens budget committee to go over all items in next year's tentative budget.

4-H CLUB WINNER GETS TRIP NORTH

While 4-H members of Jackson county await selection of an outstanding boy and girl from their group, judges who will announce the choice are studying the achievement and leadership record of each contestant preparatory to making a final choice later in the month. The judges in this county are C. D. Conrad, county club agent, C. R. Bowman, county school superintendent, and Eugene Thornadike, manager of the Medford branch of the First National Bank of Portland.

In recognition of their achievements, the two winning 4-H clubbers will be in Portland October 5, 6 and 7 to attend the Pacific International Livestock Exposition as guests of the First National Bank of Portland. All entertainment and transportation will be arranged by the bank, cooperating with H. C. Seymour, Oregon 4-H Club director.

In Portland the winners will join outstanding club members from every other county in the state, and the huge party will register in a body at one of the large hotels under the chaperonage of a bank officer.

Selection of each boy and girl will be based on a system of achievements worked out by Mr. Seymour which records individual activities in 4-H club work. Last year's guests from Jackson county were Olive Davis of Central Point and Melvin Poyer of Ashland.

Does Your Breath Broadcast "I Wear False Teeth"?

Play Safe—Be Sure—Use Polident

Most people who wear plates or bridges suffer from a special kind of bad breath. Dentists call it "denture breath." You won't know if you have it—but it can spoil your happiness. Friends will shudder—people avoid you! And the worst of it is that ordinary brushing cannot prevent it. Neither will mouth washes. For the odor comes from a mucous scum that collects on plates and bridges. This scum soaks up germs and decay bacteria and causes a vile odor that you cannot detect.

One thing can stop "denture breath"—and that's Polident! This new brushless cleaner has won the approval of thousands of dentists. Users say it's a blessing. Polident not only purifies false teeth—but also removes all stain, tarnish and deposits. Makes breath sweeter—plates look better and feel better. Costs only 30¢ at any drug store and lasts for many weeks. Money back if not delighted.

Cleans, Purifies Like Magic. Put plate or bridge in 1/2 glass of water. Add a little Polident powder. Leave in 10 to 15 minutes—rinse—and it's sweet and purified—ready to use!

Oregon fraternities were revealed yesterday. Among them were: Beta Theta Pi—Lewis Lacy, Ashland. Phi Delta Theta—Robert Hayes, Medford. Sigma Chi—John Cleland, Medford.
