

# BASEBALL TRYOUT GETS FIVE MORE

Five additional young baseball players reported to Mickey Shader and Hank Severeid this morning as the Cincinnati Reds tryout camp went into its second day at the high school park. The camp ends tomorrow.

The newcomers reporting, which brought the total enrollment to nearly 30, were Chub Howe, the big high school pitcher from Crescent City;

Don Croucher, pitcher, Johnny Gitzman, infielder and Lyle Russell, outfielder, all of Medford, and Lowry Pennell, first baseman, from Crescent City.

Activity this morning saw Severeid, ex-major league catcher, instructing the players in the art of playing every position on the diamond. A regulation game was to be held this afternoon.

The camp will close tomorrow with Severeid continuing his coaching and the young pastimers taking part in regular ball games.

# BALDWIN, FORMER BRITISH PREMIER CALLS UPON KING

### Surprise Visit Linked to English Politics in Czech Peace Terms Upheaval.

LONDON, Sept. 22.—(AP)—Former Premier Baldwin made a surprise call on the king as Premier Neville Chamberlain flew today to the German Rhineland to try to buy European peace from Chancellor Hitler with surrender of the Czechoslovak Sudetenland.

Earl Baldwin, who led the nation through the crisis of Edward VIII's abdication, lunched with Chamberlain yesterday.

His visit to Buckingham palace aroused quick political speculation, for he is known to be extremely friendly with Anthony Eden, who served as foreign minister under both Baldwin and Chamberlain.

Lord Baldwin stayed at the palace about an hour.

Meanwhile, Earl Winterton, chancellor of the Duchy of Lancaster, a cabinet member, appeared to the people to keep "a very cool head and clear judgment in the terrible perplexities of the situation."

He spoke at Hoveham, in the district he represents in the house of commons.

"The crisis is by no means over and false optimism at this moment would be as dangerous as black pessimism," he said.

"The prime minister is taking with him to Germany proposals which, in the circumstances France and ourselves believe we can honestly and honorably make and which the Czechoslovak government have accepted."

Eden broke with the present premier seven months ago rather than support efforts to reach a peace understanding with the Italian premier, Benito Mussolini, under what he considered threats.

Eden declared last night: "They (the British people) know that a stand must be made. They pray that it be not made too late."

Chamberlain, facing violent criticism at home, was said to have a set of peace gestures to be asked from Hitler in return for the Czechoslovak Sudetenland.

Some political observers think Baldwin's call on the king with the announcement yesterday Chamberlain would make a personal address to his own Birmingham constituents October 14.

Usually a premier does this only when he has a message of extreme importance for the whole nation.

# LONG QUARTET OF DENVER TO OPEN REVIVAL MEETING

The Claude Long Quartet, of Denver, Colo., will open a series of special evangelistic meetings in the Medford church of the Nazarene, located at Holly and First, Sunday morning, Sept. 25th, to continue every night, excepting Saturday, to the concluding Sunday, October 9.

The quartet is made up of a brother and three sisters, all of whom are converts to Christianity from the theatrical profession. It is only a few years since that they have been giving their lives to the Gospel ministry of song and personal evangelism. Their efforts in evangelism have met with unusual success throughout the United States.

While following the theatrical line, they played to the largest houses in this country and in Europe. They were chosen to represent America on an international bill during the coronation of the king of England.

The coming evangelists exercise a variety of talent; adding to their vocal contributions, they play saxophones, accordians and violins. Their musical contributions will be supplemented by Rev. Floyd W. Hawkins, now musical director of the local church and a talented composer of songs.

The evangelistic speaker for this series will be the Rev. Fred M. Weatherford, who has given 15 years of successful evangelistic and pastoral service to the ministry. He is a writer of some recognition and has traveled abroad extensively.

The public is invited to share nightly in this evangelistic series.

**MOCK WEDDING AT SEA, DEFENSE SAYS**

TOLEDO, Ore., Sept. 22.—(AP)—The first-degree murder trial of Henry Nelson, Portland salesman, indicted on a charge of shooting Richard Earle, Depece bay pleasure boat operator July 18, got underway yesterday after a jury of eight men and four women had been selected.

District Attorney L. G. English, in opening statement, told the jury Nelson's statement made immediately after his arrest was an admission of premeditated murder. He said Nelson confessed he had gone to his car, procured his gun, returned and shot Earle.

Defense Attorney George Mowrey, Portland, told the jury the original story of the boat ride that preceded the fatal affair was incorrect. He said Nelson and his woman companion, Lucille Coenenberg, Portland, had gone to sea with Earle to be married beyond the 12-mile line.

Mowrey said that Earle had falsely told them he was authorized to perform the marriage ceremony at sea. A mock service had been performed, he asserted. He continued that Earle and Nelson had drunk heavily on the way back and after landing.

He said the defense would prove the victim took Nelson's gun and fired the first shot and that the defendant then wrested the gun from Earle and fired in self-defense.

The jury visited the scene of the shooting late Wednesday.

# FRENCH BANDITS SEIZE GOLD ORE

MARSEILLE, Sept. 22.—(AP)—Ten masked bandits ambushed a freight train between Marseille and Avignon today and made off with gold ore weighing 395 pounds after wounding a member of the train crew.

Officials said the ore, being shipped from the Belgian Congo to a smelting plant in Belgium, probably was worth several hundred thousand francs (100,000 francs is \$2,700).

The train came to a halt when a member of the band, hidden aboard, applied the brakes. A guard was wounded when the crew descended to see what was wrong.

The robbers loaded the two crates of ore into an automobile and sped away. Mobile guards set out in pursuit of the band, and police blocked all Marseille roads.

# CREW ESCAPES AS VESSEL CAPSIZES

SAN FRANCISCO, Sept. 22.—(AP)—The big purse seiner Frigid Land capsized early today 10½ miles south of the San Francisco lightship, but her crew of 11 men and the owner, Paul Martinez, of Tacoma, Wash., were reported removed safely.

Coast guard officials and the marine exchange said the seiner went down almost on-end and only about four feet of her stern was showing above water.

The City of Sacramento, which reported the accident to coast guard headquarters here, said the men aboard the Frigid Land had been safely removed. Coast guard officials here presumed the men were aboard the Sacramento.

The marine exchange said the salvage tug Sea Hanger was enroute to the scene.

No explanation for the accident was offered, save possibly the continuation of heavy ground swells

which Tuesday night splintered several small boats against Santa Cruz, Calif., pier.

The fishing vessel was large for its type, 69 feet long and weighing 85 gross tons.
