Many Attend Society Meet

The annual luncheon of the Women's Missionary society of the Presbyterian church was held on Tuesday and was a most successful affair. Women attended from all parts of Jackson county, 110 being present.

The floral decorations of autumn flowers on the service tables formed a beautiful arrangement and were made by the various hostesses in charge of the luncheon.

Following the luncheon, Mrs. William Hoyt, president, gave a brief address after which Mrs. E. Iverson, who was in charge of devotions, recited a poem, "Face to Face." Miss Mary Anne Gates presented two vocal solos which were enjoyed by the group.

Miss Mary Moore, district secretary of the foreign mission board and guest speaker for the day, proved to be a very able and interesting orator. Her subject was "Christian Women of the World." Miss Moore related many incidents pertaining to her world travels and her contact with women of all nations. She combined the seriousness of her subject with bits of humor throughout the address which proved most interesting to the large and appreciative audience.

HUNGARY ENVOYS ASK RETURN OF LOST TERRITORY

BUDAPEST, Sept. 22.—It was officially announced today Hungary, through her minister to Prague, handed a note to the Czechoslovak foreign minister, Kamil Krofta, this morning requesting rights for Hungarian minorities in Czechoslovakia, equal to those which may be granted the Sudeten German minority.

The Demarche in Prague came after the Hungarian council had decided upon measures to assure the return to Hungary of territories which she lost to Czechoslovakia as a result of the World war.

Hungary seems determined to get those territories back at the same time Germany sets foot on Sudetenland.

It also was announced other powers were informed of the step. A special appeal was said to have been sent to England by the Hungarian government, asking neither neglect nor postponement of Hungary's demands.

The Hungarian regent, Admiral Horthy, returned this morning from his "hunting trip" as the guest of Field Marshal Hermann Wilhelm Goerring in Germany, and immediately thereafter received the premier, the foreign and war ministers.

Among the other cabinet members was Anthony Kunder, whom Admiral Horthy yesterday named minister of commerce.

There were reports here also Rumania and Yugoslavia were concerned that Naridom was directing attention to influence in these two countries.

NEW YORK—Power failure didn't phase the audience at one movie theater. Declining the management's money-back offer, about 300 persons stayed to watch an impromptu vaudeville program staged by several boys and girls among them. Ushers' flashlights served as the "spot light."

FREEDPORT, N. Y.—Two toots on the fire whistles of all communities in Nassau county brought 2,000 American Legionnaires running to emergency duty. It was the first use of the signal since it was arranged six months ago.

NEW YORK—Bronx residents gasped when they saw two 30-foot cruizers in the center of Harding avenue. They were left stranded after recession of the flood tide which carried them 300 feet from their pier.

UNION, N. J.—A drenched audience of 1,000 persons persistently trudged to three school auditoriums before hearing a concert by Amri Gallit, Camp, coloratura soprano. The chase through the rain was necessitated by power failures at the first two schools.

NEW YORK—Emergency calls by harassed residents who wanted to report neighborhood power failures so contested telephone exchanges that 500 former operators were pressed into service to "spell" the regular employees. The 150 members of the three eight-hour shifts of operators at police headquarters worked through the day and night.

POMPTON LAKES, N. J.—Forty passengers on an Erie railroad suburban train took turns with axes to clear the tracks when fallen trees halted the train. One man said they cut their way through 19 trees.

Many places in the storm area: Babies were delivered and operations were performed by flashlight and candle light as electric power failed. A 7½-pound boy was delivered under such conditions by an interne in New York.

POWER COMPANIES SEEK TAX SLASH

SALEM, Sept. 22.—(AP)—The tax commission heard protests today from the Portland General Electric company and the West Coast Power company against valuation increases this year of \$1,340,000 and \$298,000 respectively.

NO RESULTS FROM BRITISH PARLEY WITH NAZI CHIEF

(Continued from Page One)

Prague, meanwhile, became quieter. General Svorvy himself several times made radio appeals—broadcast by street loudspeakers—asking the populace to preserve order. His plea apparently was being taken to heart.

"The army is on guard," he assured the nation.

A statement broadcast from a Prague radio station said President Benes was negotiating formation of a "government of national unity."

Resume Tomorrow

GOESBERG, Germany, Sept. 20.—(AP)—Prime Minister Chamberlain, after a conference of more than three hours with Chancellor Hitler, tonight issued an appeal to the fuhrer and other parties concerned "to assist in maintaining a state of orderliness" in Czechoslovakia.

A communique issued at the prime ministers' headquarters after he had returned from his talk with Hitler said:

"The prime minister had a conversation with the German fuhrer which, beginning at 4 p. m., was continued until shortly after 7 p. m. (10 a. m. PST.)"

"It is intended to resume the conversation tomorrow morning.

"In the meantime, the first essential in the opinion of the prime minister is that there should be a determination on the part of all parties and on the part of all concerned to insure that local conditions in Czechoslovakia are such as not in any way to interfere with the progress of the conversations.

"The prime minister appeals most earnestly, therefore, to everybody to assist in maintaining a state of orderliness and to refrain from action of any kind that would be likely to lead to incidents."

Common Sense About Constipation

A doctor would tell you that the best thing to do with any ailment is to get at its cause. If you're constipated, don't fiddle with makeshift remedies. Find out what's giving you the trouble!

Chances are you won't have to look very far if you eat just the things most people do. Most likely you don't get enough "bulk." And "bulk" doesn't mean just a lot of food. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is what you lack, your ticket is crisp crunchy Kellogg's All-Bran for breakfast. It contains the "bulk" you need plus the intestinal tonic, vitamin B—and it's not a drug, not a medicine!

Eat All-Bran every day, drink plenty of water, and join the "regulars." Made by Kellogg's in Battle Creek, Sold by every grocer.
