

# FURNAS, SAMUELS AND ALFORD FILE FOR RE-ELECTION

### Four Seek Council Seats—No Contest Unless Written in at November Vote.

A municipal slate of officers to be elected November 8 was completed today as the last day for filing ended at 5 p. m. yesterday.

Unless there is a write-in vote, there will be no contest for the various city offices, there being only one candidate for each position to go on the ballot.

Up for re-election are Mayor C. C. Furnas, who became municipal head when Mayor George W. Porter resigned, Recorder M. L. Alford and Treasurer C. S. Samuels.

Councilmen up for re-election are M. N. Hogan, first ward; Larry Schade, second ward, and C. H. Herman and Thomas Roseberry, third ward. J. Frank Reinhart will be on the ballot for councilman representing the fourth ward which has been represented during the past four years by W. P. Stewart. Mr. Stewart recently moved out of the ward.

Both Herman and Roseberry are now serving by appointment. Herman will be up for the full four-year term while Roseberry will be on the ballot for a two-year term.

Four of the eight councilmen are elected every two years, the full term being for four years. The term for mayor, recorder and treasurer is two years.

The list of candidates was to be certified today to the county clerk for inclusion on the general ballot.

## A New View of Mother

This London baby looks at her mother, grotesque in the gas mask that is becoming part and parcel of every Londoner's wardrobe, as mother got a fitting while statesmen labored to save Europe's peace, and London, in the fear and terror that is reflected on baby's face, gets ready for the worst. There'll be a mask for baby, too. This picture was sent from London to New York by radio.

### LADY FIGURES IN MYSTERY KILLING

PORTLAND, Sept. 28.—(AP)—An apparently mysterious killing was left in the hands of police yesterday with the death of Charles Nelson, 45, Gales Creek logger, from a fractured skull.

Nelson was found unconscious early Sunday in the street at Southwest Second avenue and Grant. Detectives Al Eichenberger and Herman Horack said a resident of the vicinity heard two men angling and one exclaimed:

"What are you doing with my wife?"

The resident, who said he heard a dull thud, looked out the window to see a man stretched in the street. Police said a woman, whose name they withheld, tried to visit Nelson at a hospital, but they have since been unable to locate her. The detectives said Nelson recently had separated from his wife.
