WASHINGTON, Sept. 30.—(AP)—The social security board cited 12 instances of alleged inefficiency today in the administration of Ohio's old age assistance and intimated these would have to be corrected if federal contributions were to continue.

The board said in a formal statement: "There is ample time before the next (monthly) checks are sent out to Ohio's needy aged for the chief of the Ohio division of aid for the aged to make the necessary improvements in administration as set forth in the findings of the board and as required by both the social security act and the Ohio law."

FARMER TOO FAST, COYOTE BITES HIM OPPOSITION PEAK FOR NLRB PASSED

ROSEBURG, Sept. 30.—(P)—Never, never skin a coyote until it is dead. This is the warning, based on sad experience, of L. B. Proefrock, Tiller, Ore., turkey farmer. He shot a coyote that had raided his flocks, picked the animal up, carried to a shed, hung it on a wire and began to remove the hide.
The predator came to life and sank its fangs to the bone in Proefrock's right arm. He shot the beast and hastened to a nearby CCC camp for an anti-tetanus and rabies inoculation.

PORTLAND, Sept. 30.—(P)—The "crescendo of opposition" to the national labor relations board has passed, Donald Wakefield Smith, Washington, D. C., member of the three-man board, assured an interviewer yesterday.
"Only from five to eight per cent of the cases filed with us now come to formal hearing," Smith said.
