VALLEY 4-H BOY AND GIRL FIRST NATIONAL GUEST

Betty Reich of Medford and Marvin Payer of Ashland, winners of the Jackson county division of the 4-H Club achievement and leadership contest, are in Portland this week with 72 other outstanding 4-H members as guests of the First National Bank of Portland during the Pacific International Exposition, on Wednesday, Thursday and Friday.

The two arrived in Portland in time for the opening of the three-day program with a luncheon at the headquarters hotel, followed by a visit of the entire group to the Pacific International Livestock Exposition grounds. Dinner that evening was served at Henry Thiele's English Tax-

ern on the Exposition grounds, and the first day ended with the group attending the Horse Show and famous McCarty-Elliott Indoor Rodeo.

Thursday's program encompasses a tour of the head office of the First National Bank of Portland, a visit to the famous Sanctuary of Our Sorrowful Mother, a special luncheon at the Coon Chicken Inn and a tour through the Jantzen Knitting Mills. Thursday evening the bank will be host to the entire group and other honored guests at a banquet which will be followed by an informal dance in the Georgian Room of the Heathman hotel.

On Friday the guests visit the Swan Island airport, and later, again go to the Pacific International Livestock Exposition grounds. A special luncheon is to be held Friday noon at the Columbia-Edgewater Country Club on the banks of the Columbia river, following which the club members will start on their return trips home.

The floors of a large Portland hotel were reserved for the party, whose headquarters were established on the mezzanine floor.

Betty Lue Reich, daughter of Fred Reich, is in the eighth grade of Oak

Grove school and has been in 4-H Club work for four years. In 1937, 1938, and for 1939 she was the recipient of scholarships to summer school and has won several prizes at the county fair. Marvin Payer, son of E. B. Poyer, is a junior at Ashland high school. He has been in 4-H work nine years, has won a scholarship for summer school and has received several prizes at the county fair. Marvin will also have entries in the swine department at the Pacific International Livestock Exposition this year.
