

ULRICH, BOHNERT AND WILEY NAMED ON TENANT BOARD

Official appointment of Jackson county's tenant loan committee of three local farmers to review applications, appraise farms designated for purchase and recommend tenants best qualified for successful farm ownership, has been announced by Secretary Wallace, according to word received by Eugene Hampton, county FSA supervisor, Medford, who will serve as executive secretary.

T. S. Wiley, Ashland, was named county chairman, with Otto Bohnert of Central Point, an Earl Ulrich of Trail, making a group of representative farm leaders of the county.

An allotment of \$92,915 is available in Jackson and Lane counties for the fiscal year ending July 1, 1939, to make farm purchase loans to qualified tenants resident in the two counties.

CANADIAN 'STORK DERBY' ENTRY IS HELD FOR ARSON

TORONTO, Ont., Oct. 7.—(UP)—Mrs. Matthew Kenny, "runner-up" in the famous Charles Vance Millar "stork derby," was arrested here on a charge of arson.

Police took her into custody after an investigation by the fire marshal's department into the fourth fire to break out in houses occupied by the large Kenny family in four months.

The last fire damaged a home bought by the Kennys on Bathurst street, in west-central Toronto, with part of the \$12,500 "consolation prize" Mrs. Kenny received as runner-up in the baby race. There was no one in the house at the time of the fire, police said.

Mrs. Kenny was arrested by officers of the Ontario fire marshal's department after a chase through lanes and back streets near her home. When the officers went to the Kenny home, Mrs. Kenny vigorously protested she had done nothing wrong and darted out of the back door. She was soon captured, however, and taken to a police station, where she was formally charged with arson. Bail was set at \$3,000.

BONNEVILLE FISH LADDER TOO GOOD

THE DALLES, Ore., Oct. 7.—(UP)—Now they're complaining the Bonneville fish ladders make it too easy for salmon to reach the spawning grounds.

Upriver fishermen, along with conservationists generally, claimed previously the big dam would destroy the fish run. Now they say the network of ladders gives the salmon an avenue to spawning grounds that doesn't sufficiently tax its energy. Previously fish reaching the upper river were so exhausted they rested in quiet pools and, so to speak, caught their breath. This made fishing good. Now they reach the same regions without having to fight through the fast water and do not pause for their half-way point rest. Fishing is poor.

Observers say the fish ladders have eliminated the bruising tussle in the rock strewn rapids that previously existed in the Bonneville vicinity.

TWO DIE, 9 HURT DANCEHALL FIRE

BIRMINGHAM, Ala., Oct. 7.—(UP)—Two persons died and nine others suffered burns today in a fire which destroyed Vanderbilt Gardens, suburban dance hall and apartment building.

Nearly a score of persons, including two small children, either jumped or were thrown from second story windows to escape the flames.

J. M. Kirk, 66 and partially deaf, and Mrs. Fannie Lee Forman, 59, were killed when the three-story frame structure collapsed, only a few minutes after firemen arrived. Fire Chief Alf Brown, who suffered a burned foot, said the cause of the blaze was undetermined.

High Court Listens

SALEM, Oct. 7.—(UP)—The state supreme court heard arguments today in the capital reconstruction commission's suit to disqualify Circuit Judge L. H. McMahon of Marion county from hearing its condemnation suit against the Mary Boeschman property, located on the capital grounds.

The Grange

Griffin Creek Grange
Country style fun will be in order this Saturday night at Griffin Creek Grange, when a modern barn dance and box social will limber up Griffin Creek dancers for the winter season.

A prize waltz and a door prize will add to the excitement, always when swains bid for their favorite boxes. Ladies will bring boxes, plain or fancy, contributing the customary lunch for two and the lady's name. The boxes will be auctioned off to the highest bidder shortly before midnight.

Modern dances will predominate with a few quadrilles and a Paul Jones or two. Clyde Sturgill's orchestra will play. A foot high angel food cake, baked by one of Griffin Creek's champion 4-H girls will go to the winners of the prize waltz.

In keeping with the barn dance idea, the honored guest will be Griffinella, the grange pig.

Griffinella, a little white pig was adopted by the grange last spring and fed cooperatively by grange members until she now tips the scales at well over 200 pounds.

October 27, a sausage supper will celebrate Griffinella's last public appearance.

The barn dance and box social is a public dance. The hall is located on the grounds at the White school house on the main Griffin Creek road.

Gold Hill

Gold Hill Grange Booster Night Program Friday evening, September 30, to which the public was invited, was a big success with about 150 in attendance from as far north as Grants Pass and as far south as Bellview.

The program was opened with an address of welcome by Worthy Master William Howes. Due to lack of space we had to omit seating drill, opening of Bible and presentation of flag by assistants. Three songs by all.

A very interesting letter from National Master Louis Taber was read by Brother Fish.

Address on agriculture by Master Howes.

Beautiful tableaux dramatizing "Nearer My God to Thee," directed by Sister Jean Gray and sang by Brother Fish. A talk on many of the things the grange has accomplished in its 72 years of progress by Overseer Ferguson. We were fortunate to have some guest stars with us.

Mr. George Maddox of Medford, who sang two beautiful solos, accompanied on piano by Mrs. Maddox, and Mrs. Mita Gordon, who sang two beautiful solos, accompanied on piano by Sister Beulah Nathan. These solos were greatly appreciated by all.

An educational talk by County Deputy Nealon of Sams Valley. A very laughable skit, "Have I Taken Poison?" by William Howes as Mr. Crank; Pearl Gray as Mrs. Crank; Alfred Hilton as Uncle; Florence Howes as maid; Bill Ferguson as Butler.

We were also fortunate in securing Mr. George Gilchrist to show us the pictures he took of the north-west Jackson county fair and some of other sections of the country. They were quite interesting.

Funny story by Brother Greenleaf, and did we laugh? Short talks by Mabel Mack, home demonstration leader and Olive Floyd, Pomona meeting for recreational leaders from Sams Valley, Live Oak, Enterprise and Gold Hill, and stayed to enjoy our program.

Punch and wafers were served after program by H. E. C.

Jacksonville

Observing Booster Night with a covered dish dinner and program. Jacksonville Grangers had a most enjoyable evening, September 30.

Every member participated in the after dinner discussions on "What Makes a Good Granger," with some very clever and constructive talks.

The program which followed consisted of Opening of the Bible and prayer by the chaplain, Gertrude Martin; presentation of the flag and escorting of all past masters to seats of honor; reading of National Master Taber's address of welcome; numbers by the ladies' quartet, comprised of Anna Wendt, Nellie Niedermeyer, Reva Henapeter and Gertrude Martin accompanied by Leora Niedermeyer; reading by Paul Henapeter; a "Professor Quiz" contest, conducted by Professor Florence Severance, who chose Roy Martin, Deltha Jennings, I. A. Dew, Wynn Arnold and Anna Wendt as contestants and Ralph Jennings, Katherine Wendt and A. L. Beck as judges. I. A. Dew came out with first prize and Mrs. Jennings and Wendt tying for second.

This was followed by duets by George and Chester Wendt, accompanied by Katherine Wendt; a talk on "History and Present Problems of the Grange" by A. E. Brockway; and horn solos by George Wendt.

Live Oak Grange met in regular session Monday evening, October 3. While not a record attendance, yet a very interesting meeting was held. Reports from H. E. C. chairman on amounts taken in on booth and stand at Gold Hill fair. Live Oak took first place on their booth for the first time at the fair, of which we

all are justly proud. Lecture program put on by Worthy Lecturer John Fleming was in honor of Pomona. The readings and games were in keeping with the subject.

Monday evening, October 12, we will put on the first and second degree work for our new candidates. Thursday, October 13, the H. E. C. will meet at Myrtle Whipple's home in the afternoon.

Lumber Cut Drops

SEATTLE, Oct. 7.—(UP)—One hundred and fifty one western Washington and Oregon Douglas fir mills cut slightly less lumber last week than the preceding week but new orders boomed up more than 10,000,000 board feet.

Better Wool Prospects
BOSTON, Oct. 7.—(UP)—The commercial bulletin will say tomorrow: "There is a better tone in the wool market. Further sales of medium bright fleeces are reported at prices which show some tendency to advance. Fine and fine medium territory wools are also firm and if anything against the buyer, although not quotably dear."

AND THOSE HANDS ARE SKILLED IN MAKING COFFEE

It's a wise woman who teaches her hands to make delicious coffee. Even more important is the practice of using only Hills Bros. Coffee. For this famous coffee has a flavor that never varies—that invites praise at the first taste—"Now, that's what I call good coffee!" For 60 years millions of women have been complimented—over and over again—because they served Hills Bros. Coffee.
