STRANGE AS IT SEEMS - By JOHN HIX

For further proof address the author, inclosing a stamped envelope for reply. Reg. U. S. Pat. Off.

Lightning Protector. One of the strange superstitions about the evergreen plan, the laurel, was that it was immune from being struck by lightning. Commonly thought of as a symbol of victory, the laurel wreath was used by the ancient Greeks as a prize in the Pythian games. Roman emperors also wore the laurel wreath to indicate that they were commander of Rome's victorious army. One emperor, at least, used laurel for a different purpose; whenever he went out in a thunderstorm, Tiberius placed on his head a wreath of the green leaves to protect him from being struck by lightning! Finally, on the fifth shot, Davis was off down the fairway, a nervous wreck.

The Grange

Roxy Ann Grange met this Friday evening for regular session with a good attendance. Unusually good reports were given by all committees. Mrs. Blackburn (Pomona) had charge of the program with both educational and interesting numbers. "A Radio Mixup" given by Mrs. E. Newlin, caused much merriment. The men were winners of a peanut relay and the ladies won the spelling contest. Refreshments were served by Mr. and Mrs. Andrews and Mr. and Mrs. Cameron. Mrs. Ethel Bish had an excellent program for Booster Night, September 30, which every one thoroughly enjoyed and refreshments were served by the Home Economics club. The H. E. C. ladies met at the home of Mrs. Grace Moffat Wednesday, last, for a pleasant afternoon. Daily refreshments followed the business meeting. Saturday, October 15, the first dance of the season will be held in the grange hall, to which every one who enjoys dancing and a good time is invited. The dance committee has arranged for good music, which, together with a good floor and a good crowd, should mean an enjoyable evening for all who attend. The Roxy Ann home extension unit is having the first meeting of the new year at the home of Mrs. Bruce Moffat on Spring Street Friday, October 14 at 10 o'clock. Mrs. Mable Mack (our county agent) will give Lesson No. 1 on nutrition. Having completed course of study at both Oregon State college and Cornell university, Mrs. Mack's discussions will be highly educational and beneficial. All ladies interested in home economics work are invited to join us for a profitable and pleasant year's work. Attend our first meeting and get acquainted.

News of 4-H CLUBS

By Virginia Ricks. The Howard 4-H club will hold an exhibit and short program at the Howard school gym Tuesday, October 11, at 7:30 p.m. The club members who attended 4-H club summer school at Corvallis and the state fair at Salem will give short reports. C. D. Conrad, county 4-H club agent, will give the main talk of the evening and will present achievement cards and pins to those members who have completed the year's work and to the local leaders. Everyone in the community is urged to attend this exhibit of sewing, cooking and handicraft, and to hear the reports so as to gain a better understanding of what 4-H club work is doing for boys and girls, and to meet the local leaders and county 4-H club agent. No charge is being made for this program.

Marie Logan

After the good showing that the Oak Grove 4-H clubs made at the 4-H county fair they are happy to see that they gained recognition at the Livestock fair. Bobby Barbee
