Mrs. Egan Elected President of New Concert Association

Mrs. H. Chandler Egan was elected president of the Southern Oregon Concert Association, newly organized group which will sponsor concerts here this season, at its first meeting in the Medford hotel Wednesday evening.

Mrs. R. J. Henry and Mrs. Esther Church Leake, will serve as vice-presidents, with Mrs. H. C. Mulholland, secretary, and Mrs. James Stevens and Paul Luy as co-treasurers. Roy Craft was named campaign chairman.

A board of sponsors, to be made up of social, civic and music leaders of Medford, Ashland and Grants Pass, will be announced soon. A large group turned out for the organization meeting, and definite plans were made for staging three concerts in the Holy theatre this season.

The series will open November 16 with the San Francisco Opera Ballet, a company of 35 artists headed by Janet Reed, former Medford girl, as premiere danseuse, and with Zoe Del Lantis, Medford's "Pirate Girl" appearing in a dance form not originally associated with her San Francisco exhibition roles.

On January 17, John Howell and Marti Monti and a company of opera stars from San Francisco, will present "Secrets of Suzzanna" by Ferrari, and "Portrait of Manon" by Massenet, two light and charming small operas directed by Armando Aguiar, and beautifully set and costumed.

The Mozart Boys' Choir, brought to America by Toscanini following their Salzburg appearance last year, will be presented March 21. The choir is made up of 20 boy singers from Vienna and has proved one of the big concert attractions in England, South America and Canada.

In selecting the larger ensemble groups, the committee had in mind the splendid possibilities of the Holy stage, and has attempted to select concerts of general appeal. A scale of prices greatly reduced from last year's "Petite music" series will permit a greater number of people to enjoy the concerts, it is believed.

Find Out What Makes You Constipated!

You know that constipation often gives you that "drowsy" sunken, bogged down feeling. Why not get at the cause and prevent it? If you eat what millions do—things like bread, beans, oat porridge—the chances are all that the matter with you is you don't get enough "bulk." And "bulk" doesn't mean what you may think. It's a kind of food that isn't overly digested, but leaves a soft bulky mass in the intestines that aids elimination.

If this is your trouble, what you need is crisp crunchy Kellogg's All-Bran for breakfast. It contains both "bulk" and Nature's most beneficial food, vitamin B. And it's not a drug, and a medicine! Eat All-Bran every day, drink plenty of water, and see if the old "drowsy" feeling isn't a lot brighter! All-Bran is made by Kellogg's in Battle Creek, and by every grocer.

Prizes Awarded to Golfers Yesterday At Luncheon Meet

An enjoyable event of yesterday afternoon was held at the Rogue River Valley golf club when 25 women members gathered for luncheon and tournament play.

A number of prizes were awarded at the luncheon for previous tournaments. Recipients of awards for the 54 hole drive played last week were Mrs. F. G. Bunch and Mrs. George Coddling. The former turned in a low net score of 246 and the latter 247 low net.

In a previous handicap tournament prizes were given as prizes to the following members: Mrs. Willis Wood, Mrs. Walter Craft and Mrs. Jean Lincoln.

In the putt and approach contest played yesterday, Mrs. Aletha Vawter and Mrs. T. J. Fuzon tied, a play off will be held next week. In the two-ball greensome, also played yesterday, Mrs. Helen Thompson and Mrs. Aletha Vawter were winners.

Several new members have been taken into the women's organization and during the present ideal golfing weather, the club is fairly buzzing with activities of luncheons and tournaments.

Mrs. Coleman Leaves For San Francisco

Mrs. Russell Coleman left Medford Monday evening after having spent a fortnight's sojourn here as housewife of Judge and Mrs. William R. Coleman and the E. F. Coleman family.

Mrs. Coleman went to San Francisco where she will visit her parents, Mr. and Mrs. J. D. Walters after which she will sail for her home in Honolulu, T. H., on December 1st.

Mrs. Coleman is well known in the city. During her stay she was the inspiration for a number of delightful social events. Prior to leaving, she especially enjoyed a trip to Crater Lake and Diamond Lake with Mr. and Mrs. Roland Hubbard.

County Council P.T. Held In Ashland

The fall meeting of the Jackson County Council of Parents and Teachers was held in the Presbyterian church, Ashland, Oct. 19, 1938. Thirteen local units and both city councilmen were well represented. Mrs. Nell Dunn of Ashland led the group singing. Reports by the presidents of local units gave evidence of much worth-while activity. Plans were outlined for the publicity and membership campaigns and a report of the summer round-up of pre-school children.

Luncheon was served by the ladies of the church. At the time, Dr. Taylor of the Southern Oregon Normal announced the Teachers' Institute to be held in Ashland October 27-29. About 1,500 teachers are expected. At the afternoon session, conferences were held on publicity, membership, publications and parliamentary practice. The session closed with an interesting talk by Mrs. B. C. Forsythe on her impressions of the national convention of P. T. A. held in Salt Lake City last May.

The next meeting of the county council will be held Jan. 18, 1939.

the 15th anniversary of its organization. It will be in the nature of a county founders' day program. Many who were active in P. T. A. at that time are expected to take part.

The slogan of the membership drive to be held next week is "Make membership mean more." The goal for Jackson county is 1,800.

The affair will be held in the Knights of Pythias hall on North Spruce street and the Hallowe'en spirit will prevail. The hours of dancing will be 9:30 to 12:30 o'clock, which time will enable football fans who plan to attend the Medford-Klamath Falls game to also attend the dancing party.

General chairman of the event is LaVonne Mills, the committee includes Maxine Thompson and Mary Morrissey.

Steve Whipple and his orchestra will furnish the music. Tickets may be purchased at the hall tomorrow evening. It is anticipated that a large crowd will attend the party.

Gleaners to Have Hallowe'en Party

The PTA Creed

The following "Parent-Teacher Creed" by Martha Sprague Mason, is offered by the Jackson County P. T. A. council in conjunction with the organization's membership campaign efforts:

I Believe:

That a parent-teacher association should be connected with all problems that relate to the welfare of the child in home, school, and community.

That its great object should be to interest all people in all children and to link in common purpose the home, the school, and all other educational forces in the life of the child, to work for his highest good.

That it should learn firsthand all school conditions and all town conditions affecting the child.

That it should work actively to supply the school and community needs by creating a public sentiment which shall favor and provide good teachers, good school equipment, and adequate recreation for leisure time.

That it should give service to the home by training for parenthood and home-making; and to the school, by adding parent power to school power.

That it should not be a means of entertainment, or charity, or criticism of school authority, but a cooperative, nonpartisan, nonsectarian, noncommercial effort, to produce American citizens who shall be strong in body, alert in mind, and sound in character, capable of perpetuating the best which has been developed in our national life.

I BELIEVE THAT the principles which guide the parent-teacher association are the embodiment of actual service, civic virtue, and patriotism.

HITCHHIKER IS GIVEN CLEMENCY

Eva Lillian Sleetman, 24, a woman hitchhiker, charged with petty larceny, was given a 90-day suspended county jail sentence in justice court today upon a plea of guilty. The district attorney, sheriff and complaining witness recommended leniency.

The court recommended the defendant return to her relatives in Michigan as quickly as possible and refrain from hitchhiking.

She was charged with theft of a watch and diamond ring belonging to James Torres, of the quarantine station on the state line. Weary from her travels, the woman was given a place to rest at the station. During this period she admitted taking the jewelry. The loss was discovered and she was arrested at Ashland. She was travelling from San Francisco to Portland, where she said she had friends.

The woman informed the court she was separated from her husband, and her small child is with her father in Michigan.

PAIR BOUND OVER ON TURKEY THEFT

Jason Edward Fisher and John Roosevelt Rodgers, who claim Eugene as their residence, charged with the larceny of livestock, were ordered held to await grand jury action, following a justice court hearing Wednesday. Bonds were fixed at \$500.

The pair are charged with larceny of six turkeys belonging to C. J. Jones, of this city, and selling them to the Medford Poultry company. The turkeys, unskilled, were returned to Jones.

The authorities report this to be the first turkey flock raiding report of the season, though many complaints along this line were reported during the spring. A number of the larger turkey growers have installed electric lights as a protection, and keep the roosting places illuminated.

TRUCKMEN FINED FOR MINOR LAW FRACTURES

Alvin E. Reinking, charged with operating a truck without clearance lights, was fined \$1 and costs in justice court yesterday.

Earl Pershing Gibson of the Applegate, charged with non-possession of an operator's license, was fined \$2 and costs. The state police stopped Gibson when his tailight was not burning and then discovered the operator license lack.
