

3 DEAD, 3 INJURED IN AUTO CRASHES ON NORTH HIGHWAY

Third Death Due to Collision of Auto and Bus On Rice Hill — One Crash Leaves Seven Children Orphaned

ROSEBURG, Ore., Oct. 24.—(AP)—Death of Mrs. Lillie Tait, 63, of Grants Pass, last night brought the toll of week-end automobile accidents in Douglas county to three dead and three injured. Mrs. Tait died from injuries suffered late Sunday when the car driven by her husband, John Tait, 65, struck a Greyhound bus near the summit of Rice hill, north of Oakland. Mr. and Mrs. Allen P. Moore, Roseburg, parents of seven children, died as the result of an accident Saturday at Deady, five miles north of Roseburg.

Three persons injured in accidents were in the hospital here. They were Mr. Tait, suffering from head injuries; Mrs. Katherine Lutz, 55, Loomis, Sask., Can., dislocated ankle, body bruises and shock; and William Mayer, Marshfield, Oregon, head lacerations and body bruises. All were expected to recover.

Bus on Curve

Mrs. Tait was brought to the hospital here Sunday after the car driven by her husband occupied also by Mrs. Lutz collided with the bus on a curve near the crest of Rice hill.

The stage was disabled and it was necessary to transfer passengers to a relief bus. Passengers were shaken by the collision, but none seriously hurt, Sergeant Paul Parsons of the state police reported.

District Attorney J. V. Long reported this morning formal charges probably would be filed against Mayer, as a result of the accident which caused the deaths of Mr. and Mrs. Moore.

Wife Complains

He is under technical arrest on a complaint charging assault and battery filed by his wife, Millie Mayer, who told officers, Long said, that prior to the accident, she was beaten by her husband and put out of their car at Oakland, Oregon.

Traveling south from Oakland Mayer, in attempting to pass a car proceeding him on the highway, met a light truck driven by Moore, local typewriter sales and service manager, according to Deputy Sheriff Clifford Thornton, investigating officer. Both drivers simultaneously took to the ditch beside the road and the two vehicles collided off the roadway. Mrs. Moore was killed instantly. Her husband died a few hours later in the hospital here.

TURKEY SHIPPING WILL START SOON

First shipment of the Rogue River valley turkey crop, estimated at between 38,000 and 40,000 birds by County Agent Robert G. Fowler, will come next week. The crop is slightly less than last year but in good condition. Favorable conditions prevailed throughout most of the season.

Some of the growers have started to fatten the birds, and some plan to start killing operations next week. The price prospects look none to good, Fowler said. New York prices range from 25 to 32c. No local prices have been quoted.

TWO CHANGES IN POLLING PLACES

Two changes have been announced by the sheriff's office, in polling places for the coming general election, November 8.

Polling place for the Wimer district has been changed from the Wimer store, in the Wimer Grange hall, North Main street, Medford, has been changed from the corner room of the Holland hotel, to McPherson Garage, just across Sixth street. The change was necessitated by occupancy of the Holland hotel space by the Federal Employment bureau.

The county clerk's office today started preliminary work on preparing the ballot boxes and books and arranging supplies. Preparation of poll books is also underway. The registration count shows 17,888 voters in Jackson county, and official ballots for that number will be printed.

PORTLAND, Oct. 24.—(AP)—William E. Truman, Oregon state unemployment commission cashier, died here yesterday of a stomach ailment. His home was in Salem.

Drops to Death

Dressed in evening clothes and wearing a corsage of tea roses, Dorothy Hale (above), motion picture actress and dancer in the theater, plunged to her death from her 16th floor apartment in an exclusive hotel overlooking Central Park, New York. She was a friend of Harry Hopkins, WPA administrator, but their reported engagement was denied last summer. (A. P. Photo).

MAHONEY'S VISIT TONIGHT EXPECTED TO STIR POLITICS

With but a fortnight remaining before the general election November 8, the local political arena today remained as quiet as a graveyard at midnight.

Whether the unusual quiet indicated that the voters were not particularly interested in the election or that they had already made up their minds about candidates and initiatives could not be easily determined. The only registration, however, was to indicate that the voters are doing their own thinking, 1.5 years and are not in a mood to listen to sweeping promises of the nominees or to the biased leaders eager to interpret the initiative measures.

However that might be, the Democratic candidate for the U. S. senate, Willis Mahoney of Klamath Falls, will fire a final campaign shot at a public meeting here tonight. It is expected that Mahoney, if anyone can flame the issues, with a bit of pyrotechnics and for this reason party leaders are expecting a large audience tonight.

The candidate will speak at 8:30 in the hall over the Baldwin piano shop at 123 1/2 West Main street. The audience will also be given a glimpse of the county candidates, for they are to be introduced to the assembly.

Mr. Mahoney arrived here this morning and was to spend the day meeting with various groups and party leaders.

Mr. Mahoney will spend tomorrow in Josephine county. He will return to Medford tomorrow night to give a broadcast over station KMED at 6:45.

GOVERNOR FLAYS RULE OF WHINERS

McMINNVILLE, Oct. 24.—(AP)—"Softie doctrines" are demoralizing Democrats and weakening the resistance of such governments to the totalitarian influence, Gov. Charles H. Martin told an audience Saturday which saw him press a key starting service in a memorable addition to this city's Diesel-powered light plant.

A 1280-watt, \$110,000 generator brings the plant to the sixth largest of its kind in the country.

The governor urged Americans to return to the "hardy doctrines."

"If we are going to keep out of war and get out of our present difficulties, we are not going to let whiners rule," he said in his characteristic, crisp language. He criticized the Roosevelt administration for spending, saying "we spent dollars and where have we been."

He turned then toward the increased plant and remarked: "You paid for it without help from any great white father."

State Aides Dies

PORTLAND, Oct. 24.—(AP)—William E. Truman, Oregon state unemployment commission cashier, died here yesterday of a stomach ailment. His home was in Salem.

GRIFFINELLA TO FURNISH SUPPER THURSDAY NIGHT

Griffinella

"Griffinella," a 275-pound live-weight pig, butchered and made into 114 pounds of sausage, will be served at a gala supper and dance sponsored by the Griffin Creek Grange in Medford K. P. hall next Thursday night. The complete supper, consisting of sausage, muffins, baked potatoes, salad, applesauce, homemade pie and coffee, will be served at 6:30 o'clock. The public is cordially invited to attend.

Following the sausage supper an entertainment program will be presented before dancing starts at 9 o'clock. On the program will be Miss Jewel Deter in several dance numbers, the Grange harmonica band consisting of Jake Brown, Rufus Pan and Roy Levander, and possibly some hillbilly selections by members of the Upper Applegate CCC camp. Dancing will be from 9 to 12 to the music of Dickey's orchestra. All political candidates present will be introduced.

All money raised at the sausage supper will be used to augment the Griffin Creek Grange's building fund, the organization planning to build a new hall in the near future.

The pig which has been butchered was "farmed" out to four Grange families for fattening, each family keeping and feeding the porker about six weeks. Johnny Curley butchered the animal, and it was made into sausage by the Haves market here. One has his being cured, and will be given away at a future Grange meeting.

BIRTHS

Born to Mr. and Mrs. Sam Willey of Eagle Point October 24 in the Stanley Nursing home, a daughter weighing 7 pounds, 9 ounces.

Born to Mr. and Mrs. Emmett Seal of Long Beach, Cal., on October 24 a boy weighing six pounds and eight ounces. The baby has been named Ronald Emmett, Mrs. Seal, with her baby, is at the home of her parents, Mr. and Mrs. George Horner of Griffin creek.

Goering's Pet Lion Cub

Colonel Lindbergh has been telling this one about his meeting with Field Marshal Goering during one of the colonel's visits to Germany. Lindbergh always has been royally received in Germany, and on this occasion Goering staged a special exhibition featuring his pet lion cub. The Nazi air minister, one of the vainest members of the Hitler entourage, is especially proud of his prowess in taming this lion cub, and was dressed for the ceremony in spottish white. He wore white gloves, white boots, white trousers and white tunic. Across his chest was a row of war medals, only touch of color in the snow white ensemble.

Goering carefully lined up his fellow officers in fan-shape formation between himself and the lion's cage. The line of officers covered at a point where Goering sat, white and resplendent. Only he and Lindbergh were permitted to sit. Even Mrs. Lindbergh remained standing.

At the proper signal, the lion's cage was opened, and the cub came bounding out, taking his place, as trained upon Goering's knee.

Everything went as expected, except that the cub was far more nervous than anyone present, and behaved as young animals and children sometimes do when frightened.

The Nazi air minister leaped to his feet and retired in confusion, his white uniform ruined. (Pearson's Magazine.)

PEARL RHODES FACES GRAND JURY QUIZ ON HUBER ASSAULT CASE

Pearl Rhodes, charged with assault with a dangerous weapon, was ordered held to await grand jury action. In a decision handed down this morning by Justice of the Peace William R. Coleman, the district attorney's office said the case would be called to the attention of the grand jury which started deliberations today.

Glen Huber, charged with assault and battery in the same case, was held guilty and fined \$50 and costs. The complaining witness, was Huber's former wife.

According to testimony offered in the justice court hearing, the trio engaged in a fight on Grape street near Groceria No. 2, a month ago. Mrs. Huber alleged the Rhodes women hit her over the head with a stove poker, while she was held by Huber. It was also alleged her former husband bit her on the shoulder.

Huber claimed he acted in self-defense, and to cause Mrs. Huber to let go of a painful hold.

Both the state and the defense presented briefs in the case, which was pondered by the justice of the peace, before handing down findings.

ACQUITTAL GIVEN PERFECT HUSBAND

CHICAGO, Oct. 22.—(AP)—A jury of 11 husbands and a bachelor decided Rudolph Sikora, the "perfect husband," was justified in killing the man who stole his young wife's affections.

They acquitted the 31-year-old defendant last night after deliberating less than two hours. They took only one ballot.

Russell F. Hirsburg, 33, juror foreman, apparently voted the sentiments of his fellow jurors when he declared:

"We felt that he acted in a way that should protect the sanctity of the American home."

Edward Solomon, 35, the bachelor lover of Mrs. Margaret Sikora, was shot to death on a street corner last August 22.

CHAMBER BOARD GIVES SUMMARY 6 MONTHS WORK

A brief summary of committee reports covering work of the past six months was issued Saturday by the board of directors of the Jackson County Chamber of Commerce. Committee chairmen submitted the report to the board at its meeting Friday in the Hotel Medford. The summary follows:

Convention Committee: Obtained eight conventions so far for 1939.

Fish and game: Committee held a meeting with mining operators and representatives from Gold Beach regarding pollution of the Rogue river. Successfully urged state game commission to extend pheasant hunting season to October 15. Prepared fishing and hunting data to be submitted to next state legislature.

Retail Merchants: Conducted 4-H dollar day sale and laid plans for another in November. Appointed solicitations and donations committee and better business bureau.

Aviation: Urged United Air Lines to place additional plane on Medford schedule. This has been done. Cooperated with the Northwest Aviation Planning Council. Endorsed establishment of airmail line from United States to Alaska. Cooperated with city administration in improving facilities at Medford airport.

Industrial: Investigated one or two industries which contemplated locating in Medford and performed service for firms already here.

Agricultural: Brought about reciprocity program with Klamath Falls for interchange of agricultural products. Held meetings with various growers to work out marketing programs. Brought about arrangements whereby Grange agricultural committee and chamber committee would meet and confer regularly.

Traffic Safety Council: Carried on continual educational campaign and obtained 25 changes in stop signs in the city streets for the betterment of travel. Conducted driver's schools at the high school.

Tourist: Successfully organized resort on the Crater Lake highway. Held meetings with other southern Oregon chambers of commerce and resort owners to work out a unified southern Oregon program. Educational classes on scenic resources will commence next month.

Legislative: Investigated one or two bills before the national congress and will pass on every bill in the state legislature which affects the interests of Jackson county.

Roads and Highways: Successfully organized the Association of Southern Oregon Chambers of Commerce in order to bring about a unified road program.

Inter-City Visitation: Encouraged Medford's attendance at all southern Oregon celebrations and festivals and visited a number of Granges with entertainment.

Finance: Reported the chamber of commerce to be in good financial condition.

Publicity: Conducted daily radio program in Grange magazine. Sent photographs to magazines and newspapers upon request. Published 10,000 pamphlets. Purchased advertisement with Oregon Rural Mail Carriers' association set up by-outs for the Oregon Newspaper Publishers' association convention which were used in all papers in the northwest. Assisted in tourist travel survey in southern Oregon.

PRISON TERM FOR STEALING TURKEYS

John Roosevelt Rodgers of Eugene, who entered a plea of guilty to larceny of six turkeys belonging to C. R. Jones, a suburban area grower, was sentenced to an indeterminate state prison term, not to exceed two years, by Circuit Judge H. D. Norton today.

Jason Edward Fisher, a nephew of Rodgers, was given a suspended sentence. It was his first encounter with the law. It was claimed Rodgers had a previous turkey theft record.

The pair attempted to sell the birds alive at a local market, and were arrested. Jones regained his fowl.

Cited as Slayer

Mrs. Fern Patricia Dull (above), 34, was arraigned on a first degree murder charge in Benton Harbor, Michigan, less than 12 hours after her 42-year-old employer, William Holbrook, was shot to death in front of the Benton Harbor police headquarters. She was accused of killing Holbrook while in a jealous rage.

ARMY, NAVY VIE TO BE FIRST IN ENTERING CITY

(Continued from Page One.)

About 200 miles southwest of Hankow, there were no casualties. The customs dispute arose over Japanese refusal to clear the Dollar liner President Coolidge early this morning for San Francisco, with a cargo of silver valued at more than \$4,000,000 which the Japanese-sponsored government apparently considered its property.

The dollar line agreed to unload the silver, whereupon permission was granted to sail at 8 a. m. Tuesday.

Referred to Chief

The silver, loaded under guard of United States Marines, was consigned to the Chase National Bank of New York. That bank's Shanghai branch, however, declined to make any statement concerning the silver's origin or details of the transaction.

Clarence E. Gauss, United States consul-general, was understood to have referred the matter to the state department in Washington following his negotiations with Shinroku Hida, Japanese charge d'affaires. It was reported Gauss in these negotiations had emphasized the interest of the American bank in the affair.

Chinese customs officials on Sunday issued permits for export of the silver and for departure of the Coolidge, and passengers took the tender to board her in midstream before Japanese officials cancelled the clearance papers.

The Japanese-sponsored government of Shanghai with the cooperation of Japanese military and naval authorities effected cancellation of the clearance papers.

IF YOU FEEL SUNK Read this and cheer up

Are you as blue as life is no longer worth living? Do you cry easily? Do you feel low, mean, depressed—just absolutely SUNK? Here's a good news for you in case you need a good general system tonic—Just take Linton's Compound. Let its wholesome herbs and roots help Nature build up more physical resistance and tone up your system, so that it can more easily throw off the "blues" and give more energy to enjoy life.

MILLIONS of women have depended upon this Compound and have passed the word along to friends and neighbors, and to their children.

Why not take Linton's Compound and get "smiling thru"?

IMPROVED SALES TREND NOTED BY WARD HEAD HERE

Noting a new development in consumer buying, H. L. Brown reported today that an improved sales trend was apparently due to the fact that customers were buying in larger quantities.

"We have definitely noticed during our current Ward sale," Brown said, "that customers are buying more. The tendency seems to be to stock up on all staple needs. Of course, it is hard to determine whether this is due to a fear of inflation or to some other cause."

"Certainly, the crowds that have come into our store during Ward Week evidence a real eagerness to buy. Judging from present indications business during this winter will be much better than we had anticipated."

The Ward Week sale is featured in Montgomery Ward stores all over the country at this time every year. Early reports show that this year's sales trend during the event is comparing favorably to that of last year. Ward Week continues here until October 29.

NRA FOE TO FIGHT WAGE-HOUR RULE

YORK, Pa., Oct. 24.—(AP)—Fred C. Perkins, battery firm owner who was jailed briefly in 1933 on a charge of violating the national recovery act, thumbed his nose today at the new federal wage-hour law, effective last midnight.

"I cannot afford to abide by it," he said in a statement to the Gazette and Daily, "and I defy them to enforce it."

"If they attempt to crush me, I will do my level best to put their impractical notions to the acid test of public opinion in every hamlet in America."

Perkins was prosecuted for NRA violations during the "crack down" days of General Hugh S. Johnson, first recovery administrator. He spent a short time in jail here before being released under bond.

A federal court jury in Harrisburg later found him guilty. He appealed to a higher court, but before the appeal was heard the U. S. supreme court ruled NRA unconstitutional.

THAT'S HEATED THIS NEW LOW-COST WAY — WITH SHELL OIL HEAT.

GET MORE HEAT PER DOLLAR

Circulating heaters that burn oil cost little to start with. And amazingly little to operate if you use a fuel like Shell Stove Oil.

DON'T GAMBLE

—on Higher Living Costs & Lower Income

FARMING — A 2% transaction tax is a tax on farmer's gross receipts from all sales, including eggs, wheat, flax, livestock, vegetables; also a tax on everything he buys — machinery, seeds, fertilizer, boxes, insurance, etc.

RETAIL — A 2% transaction tax is a tax on dollar value of all sales, large or small. The merchant is supposed to pay the tax. If he adds the tax to his prices, he can add MORE than the tax, thereby fooling the purchaser.

WHOLESALE — A 2% transaction tax is a tax on wholesale sales. Many retailers will buy outside Oregon, because interstate sales are exempt.

SERVICES of doctor, dentist, lawyer, accountant, garage repairman, are taxable. Lodge and club dues are taxable. All so rents received, interest, dividends, transportation charges, insurance premiums.

REAL ESTATE sales are taxed 2%.

VOTE 315 X NO 2% Transaction Tax for "Citizens Retirement Annuity"

Filed Adv. by Oregon Business & Investors, Inc., 303 Fenton Building, Portland, Ore. U.S. Patent, Free. F. H. Young, Mgr. It is against the public interest to permit the sale of securities without adequate disclosure of their true character and value.
