You can't fish
like this in
a pool room

OF COURSE, you've never
fished for a 200,000-pound
fish—unless you've angled with
Captain Ahab for some fantas-
tic Moby Dick. But we have—
doggone it! Fishing is one of
the unhappiest and most expen-
sive things we do. Fishing is
the industry's term for the job
of getting out tools which mis-
fortune has stuck in an oil well.

We hate it. But secretly we're
rather proud of it. For every
"fish" job tests ingenuity
to the limit. When "a bunch of
junk" weighing anywhere from
10 to 200,000 pounds is caught
a mile down it means a job as
tricky as getting a safety-pin
out of baby's throat blind-
folded.

A driller has more fishing
tools than a dentist has chisels
but in spite of that some new
and special tool frequently has
to be devised. Sometimes, after
a "fish" is hooked, the lift re-
quired to haul it up would flop
a whale out of the ocean like
a minnow.

This is one of the reasons
why, when you drill an oil well,
you don't just dig a hole. You
don't just say "Presto" and the
black gold flows. If you drill
a well without a fishing job,
you're lucky even if—as is
often the case—it turns up a
dry hole.

HELP STOMACH
DIGEST FOOD

Without Laxatives—and You'll Eat
Everything from Soup to Nuts
The stomach should digest ten pounds of food
daily. When you eat heavy, greasy, coarse or rich
foods or when you are nervous, hurried or over-
worked—your stomach pours out too much fluid.
Your food doesn't digest and you have gas, heart-
burn, nausea, pain or sour stomach. You feel sour,
flat and upset all over.

Doctors say never take a laxative for stomach
pain, indigestion and flatulency. It takes three
little black tablets called Bili-Oxal for indigestion
to make the food digest. Bili-Oxal is a natural,
digestive in 5 minutes and put you back on your
feet. It is a quick, safe, relaxing and 25
cents package. It is Ask for Bili-Oxal for indigestion.

ADMITS THEFTS

State police announced today that
Robert Ray Bowman, 17, alias Robert
Riley, Ashland youth who escaped
from the state training school at
Woodburn early this summer, had
been arrested near Oregon City late
Monday and had confessed to the
burglary of four cabins at Lake of
the Woods, two on the Hyatt lake
road, and theft of two automobiles
from Ashland last week. Lost from
the cabins and the automobiles was
recovered by state police last Friday.

Bowman, state police said, was
arrested while driving a car he had
stolen from Salem, and that after
being questioned, also admitted the
theft of a machine from Grants Pass
and of many others in Idaho and
Washington since his escape. A war-
rant has been issued here charging
him with burglary not in a dwelling,
state police said.

MAHONEY CANDIDACY
ENDORSED BY REAMES

Willis Mahoney, Democratic candi-
date for the U. S. senate, spoke last
evening over radio station KMED,
stressing the same points as in his
speech the previous evening in Town-
send hall. He emphasized again the
importance of the voters of Oregon
electing on November 8 a Democratic
senator to work for the needs of
the state with Republican Senator
Charles McNary.

The talk was followed last evening
by U. S. Senator A. Evan Reames,
who said, "I am privileged to endorse
this distinguished gentleman, Willis
Mahoney, for the next Democratic
senator from Oregon."

MEDFORD YOUTHS
GET CHANGE FOR
NAVY COMMISSION

Gilbert E. Leland, son of Mrs.
Frances Leland of 524 South Ivy
street, is one of three principals ap-
pointed by U. S. Senator A. Evan
Reames for admission to the naval
academy at Annapolis.

Gilbert, 19 years old, was gradu-
ated from Medford high school in
June, 1932, and at present is visiting
on the coast. For years he has been
interested in a naval career and has
had his heart set upon gaining ad-
mission to the Annapolis academy,
his mother said.

The appointed youths will take
their final qualifying examination
for academy entrance next April. All
of the principals and alternates have
been advised by Senator Reames to
begin studying now for the examina-
tions, the senator said, adding that
the tests are exceedingly difficult.

The other two principals appointed
by Senator Reames are Ralph O.
Leedy of Brooks, an Oregon State
college student, and William Van
Dusen of Portland.

Alternates named by Senator
Reames included two Medford
youths: Richard Mole, Jr., son of
Mr. and Mrs. Richard Mole, Sr., of
522 South Newtown street, and Les-
ter Stinson, son of Mr. and Mrs.
Frank Stinson of 710 Park street.

Mole is 18 years old and was gradu-
ated from Medford high school last
year. Stinson is also 18 and was gradu-
ated from Medford high school last
June.

The appointments were filed offi-
cially in Washington, D. C., this
morning, Senator Reames was in-
formed by telegram.

Thirty-four candidates had been
designated to take the preliminary
civil service examination on October
8 but only 12 took the test, Senator
Reames said.
