D.A.V. Auxiliary Enjoyed Session

The D. A. V. auxiliary held its semi-monthly meeting and social evening at the armory Tuesday evening. During the session, arrangements were made for a bazaar to be held in the near future.

The social affair was the occasion of several members' birthdays, celebrated with refreshments, a large birthday cake and gifts. Members of the post joined the auxiliary for the refreshments.

Commander of the Grants Pass D. A. V., Col. H. Blaney and Mrs. Blaney, a member of the auxiliary, were visitors at the meeting.

Former Resident Visits Friends

Miss Lillian Hansen of Sacramento, Cal., has been visiting in Medford the past week at the ranch home of Mrs. A. E. Stratton. She also visited for several days with her brother, Arnold Hansen in Butte Falls.

Miss Hansen is a former Medford resident, having lived here until two years ago when she moved to California. She graduated from Medford high school just prior to leaving here. Since her arrival in the valley, Miss Hansen has been entertained at a number of pleasant social events by her many friends.

She will depart for her California home this week-end.

Johnstons Hosts At Evening Party

Nineteen relatives of J. T. Eads, 121 Crater Lake avenue, were the guests Tuesday night of Mr. and Mrs. Arthur Johnston, 202 Stark street, at a party in honor of Mr. Eads' brother, Andrew Eads of Sheridan, Wyo., who visited here for a week on his way to Long Beach, Cal., to spend the winter.

John W. Eads, son of Mrs. Susan Eads, and well-known Medford musician whose stage name is Calvon, entertained the guests for an hour with many unusual feats of magic.

Phoenix Aid To Sponsor Dinner

The annual harvest home chicken supper of the Ladies' Aid of the Phoenix Presbyterian church will be held October 31 at 5:30 o'clock in the church dining room. Halloween decorations will be used. Mrs. Jack Carr is in charge of the dinner.

Golden Links Party Friday

Golden Links Bible class of the First Baptist church and their families will participate in a hard times party Friday evening at 7:30 o'clock at the C. A. Whitlock home on the Old Central Point highway. All are invited to attend the party.

What the Girl Scouts Are Doing

Girl Scouts under the Medford council have waited patiently for this important news concerning their scout work: New badges are now ready. Last week eight Camp Craft badges were presented to scouts in troops 2 and 7 (senior troops).

There are 39 new badges based on the new activities included in their revised program. These badges, in addition to those which have long been used, make a total of eighty now being offered by the national organization for those girls who like to have a visible record of their progress.

At this time most of the troops here are working on the badge requirements for the "explorer," "my troop," "hostess," "first aid," "world knowledge" and "international friendship" badges.

Each troop in addition to working toward a definite project or towards completing certain badge requirements, is preparing a song, dance or skit for the local international festival, to be given in December. This all Girl Scout festival was held in February at the Junior high last year.

The regular monthly meeting of the Girl Scout leaders association will be held at scout headquarters Tuesday, November 1 at 1:30.

The program for this meeting will be "Games and Party" plans for troop meetings. Leaders of troops 7, 8 and 9 will be joint hostesses. These leaders are Mrs. Dorothy DeRoos, Mrs. Esther Wilson, Miss Mary Loucks, Mrs. Jack Spaulding, Mrs. Cecilia Anderson, and Miss Barbara Gerrison.

All Girl Scout leaders for Brownie Scout, Girl Scouts and Senior Scouts meet at this time to plan for the correlative work among the many groups.

Plans will be formulated at this time for a special meeting on Wednesday, November 9 at 2, with Miss Esther Ansil, member of the regional staff. Miss Ansil will meet with the local council in the morning, preceding the leaders session.

CONCERT SERIES GAINS INTEREST IN GRANTS PASS

The membership campaign for the Southern Oregon Concert Association has been under way but four days, yet so great is the enthusiasm being shown that prospective members are being urged to secure their cards as soon as possible to assure choice seats for the series of three concerts.

Mrs. Esther Bristol, chairman of the Grants Pass committee, today notified Mrs. H. Chandler Egan, association president, that the series of concerts is attracting unprecedented interest in that city and a great number of Grants Pass people are planning to be in Medford Nov. 16 when the San Francisco Opera Ballet opens the series in the Holy theatre.

Meanwhile, local committee workers report a healthy response to the series, which is being staged this year under a new scale of membership prices and with the attraction announced in advance.

John Howell and Mary Monti, San Francisco opera stars, will be here with a company of singers in two operas, "Secrets of Suzanne" and "Portrait of Manon," in the second concert of the series January 17. The Mozart Boys' Choir, of Vienna, will sing here March 21 in the third concert of the series.

This year's concerts will present large ensemble groups rather than individual artists, and all will be programmed to appeal to the average theatre-goer as well as to those more sophisticated in music and dance.

Of unusual interest is the opera ballet, which stars Janet Reed, granddaughter of the late Judge Johnny Reed of Gold Hill, and a former Medford girl, Zoe Del Lantis, Medford's "Pirate Girl," will also appear in the ballet, a dance form not ordinarily associated with her San Francisco exposition publicity roles.

Visit Here—H. A. Barzee and W. W. Wheeler of Portland were recent guests of Mr. and Mrs. C. B. Arnold at their home, 304 South Central avenue. Mr. Wheeler is a nephew of Mrs. Arnold and is employed in the sales department of the Arden Farms company in Portland. Mr. Barzee is with Mier & Frank company.

DEMAND RETURN OPEN DOOR FOR TRADE IN CHINA

(Continued from Page One)

Some students of Far Eastern affairs professed to see in this statement a veiled threat if Japan did not accord Americans better treatment, Japanese merchants dealing in or with the United States soon might encounter restrictions.

The note set forth American interests have been largely squeezed out of Manchoukuo by Japan.

"In the opinion of my government," Ambassador Grew wrote, "equality of opportunity or the open door has virtually ceased to exist in Manchuria notwithstanding the assurances of the Japanese government that it would be maintained in that area."

The word "Manchuria" was used rather than "Manchoukuo," Japanese term for the puppet state it made of Manchuria in 1932. The inference was that the United States has no intention of recognizing Manchoukuo.

China under Japanese control, which operate either directly or indirectly to discriminate against American trade and enterprise;

"2. The discontinuance of any monopoly of any preference which would deprive American nationals of the right of undertaking any legitimate trade or industry in China, or of any arrangement which might purport to establish in favor of Japanese interests any general superiority of rights with regard to commercial or economic development in any region of China; and

CINDERELLA STOCKINGS

The stockings that are always made of fresh silk—not only fresh silk but the best silk that can be bought.

Look at the texture of the next pair of stockings you buy. Hold them up to the light... examine them closely. Are they clear, ringless? Are the colors even and beautiful? If they're Cinderella, THEY ARE!

Cinderella has developed a process which insures ringless stockings. It's called "three carrier construction"—which simply means that during knitting, the silk thread is drawn from THREE spools instead of one. Thus any unevenness in the silk of one spool does not gather in one spot to form a ring. Get the stockings, you KNOW are ringless! See the M. M. Department Store in Medford for Cinderella Stockings today!
