### 960 Out of 1,000 Men—in Dramatic Survey—Confirmed Our Belief that OLD QUAKER, Now 3 Years Old, is an Amazing Bargain!

You'll welcome this news! You can save money on whiskey without cutting corners on quality. Why do we say so? Because the judgment of 960 out of 1,000 men is that Old Quaker—now 3 years old—is a mild, ripe, full-bodied whiskey. But—we call your attention to the fact that Old Quaker sells at an amazing low price.

We actually sought out 1,000 men—from 32 states—asked them to try Old Quaker and give us their unbiased opinion. "Smell it!", we said. "Taste it! Swallow a drink of it! Then, tell us what you think!"

Not one of these men knew the name, age or price of the whiskey he was trying. Yet 960 praised its smoothness, mellowness, mildness. So again, we say—Look at Old Quaker's rock-bottom price.

What This Means To You  
If these 960 out of 1,000 men are right, then Old Quaker has got something you want! It's got fine quality at a low price! Make this same, simple trial yourself! Convince yourself that Old Quaker is good news for every thrifty drinker!
