American Legion Auxiliary

Continued service for peace and democracy is foremost in the minds of the American Legion auxiliary members as they re-enroll for 1939, said Lutela Kuntz, president of Medford auxiliary, today. She reported a heavy early enrollment, with many members having paid their 1939 dues before they became officially due on October 20.

Interest in the auxiliary's activities for protection of our country's peace and its democratic institutions is stronger than ever before, Mrs. Kuntz stated. They have been aroused to the threat to American institutions by the radical activities in the United States. With the American Legion auxiliary has long been recognized as a powerful stabilizing influence in American life and a barrier to the success of radicalism of any kind in this country.

The public is invited to attend the biggest Armistice day observance since the world war is being anticipated by American Legion auxiliary members throughout the country, according to Georgie Holloway, Americanism chairman.

Auxiliary units in more than 9000 cities and towns will cooperate with their Legion posts in celebrating the anniversary of victory and peace. Armistice day this year will be the 20th anniversary of the signing of the armistice which ended the world war. Recent events have aroused wide public appreciation of the value of the peace and security that day brought to our country, and have stimulated a patriotic determination to maintain America's peace and freedom. For the first time this year Armistice Day is a national legal holiday by act of congress.

The Legion Auxiliary is having their Armistice Day luncheon at the Medford Hotel at 12:30. There will be an interesting program of songs and music under the efficient leadership of Mrs. Ray Wright, the tables will be attractively decorated and a delicious luncheon served. Please call Mrs. Wright or Malie Daily for reservations.

Also please do not forget the big rummage sale to be held at the Panatorium building just back of Ethelwyn Hoffmann's on the 13th. Bring a good donation to Mrs. Ruth Reed, 206 South Orange. This needs the support of all our members.

We regret the departure of our secretary-treasurer, Mrs. Margaret Burton, who is moving to Yreka. We wish her every success in her new work there. We were very fortunate in securing Mrs. Earl York to take her place in the auxiliary as secretary-treasurer.

Next Wednesday evening we are holding our regular joint meeting with the Legion at the armory, at which time there will be a chili feed and entertainment. Come and have a good time with us.

I have been a resident of Jackson County for the major portion of my life. I have served as road supervisor under three different judges and for the past four years have served as your county commissioner.

I am now seeking re-election on the Democratic ticket. Our road program of oiling several miles of road each year in different sections of the county has been systematically carried out during the past four years and each section of the county has benefited by this program. I have given to each part of Jackson county equal consideration in road improvements.

I believe in an adequate old-age pension. If re-elected, I renew the promise given four years ago "that I will put forth every effort to advance the interests and welfare of every section of Jackson county."
