Want to Know Why You're Constipated?

Would you give a million to shake off that dull, dopey, played-out feeling that often comes with common constipation? Then stop a minute and think.

What gives you food to eat this week? Just meat, bread, eggs, potatoes? Probably the reason you're constipated is you don't get enough "bulk." And "bulk" doesn't mean how much you eat. It means a kind of food that isn't entirely digested, but leaves a soft, bulky mass in the intestines which helps a bowel movement.

What to do? Eat some Kellogg's All-Bran for breakfast every day. This crunchy toasted cereal is not only rich in "bulk"—it also contains both the intestinal tonic vitamin B, and iron.

Eat All-Bran every day and drink plenty of water. See if you don't get off your heels and on your toes! Kellogg's All-Bran is sold by every grocer.

Practical Side Of Religion Is Aim Of Evangel

(Contributed)

Those in attendance at the special meetings held by Rev. Ethel Duncan in the Hansen Hall, Sixth and Barlett streets are discovering with deepening interest that the religion of this famous woman evangelist is not a thing apart from man's everyday life, but the key to full, rich living in the Christ of the gospels.

Rev. Duncan develops among her hearers a community interest in the practical, rather than in the ethical side of the Christian faith.

Even as the Saviour of Men while in the flesh had compassion on the multitudes, so He is still ministering in love to needy souls through such divinely chosen instrumentalities as may be found in the gifted woman evangelist.

LEGION MEETING TOLD PLANS FOR ARMISTICE DAY

At a meeting of Medford Post No. 15 of the American Legion last night final plans for the local celebration were made. George Gates, general chairman, and his staff of committee chairs reported on various phases of the day's program indicating that all was in readiness to entertain the throngs in this city tomorrow. He urged all the World War veterans to turn out for the Armistice parade which will form at the City park at 11 a. m. and to be on time.

The center of attraction for all veterans on Armistice day promises to be the "dugout" where a big "tag" party will be held from noon to night. A free feed will be served the ex-service men at noon, following the parade and there will be plenty of entertainment, games and contests available during the day and evening. It was again emphasized that the noon feed is for all veterans whether members of the Legion or not and that the public will be admitted to the dugout any time after 1 p. m.

Other attractions of the day, including the big Armistice dance at the Oriental Gardens, are also open to the general public, announced Chairman Gates. Sales of Legion scrip, good for all events, will be

made by some of Medford's attractive young ladies on the downtown streets tomorrow.

A report of the membership chairman, Wm. Lingaas, indicated that nearly 100 members have paid their 1938 dues and this total promises to be materially increased on Armistice day. "Dues may be paid at the dugout any time from noon until night," advised Lingaas.

Two military funerals were conducted during the past week according to Adjutant Horace Bromley, who thanked those who participated in this final tribute to the departed veterans.

Cole Holmes reported fine progress by the new Legion Boy Scout committee and members of the troop. He also announced an interesting scout ceremony for November 30 at the Roosevelt school, inviting all members to attend.

Following the meeting refreshments were served by the auxiliary.
