

The New WESTERN THRIFT OPENS TOMORROW!

Tomorrow your Western Thrift Stores, Medford's Original Cut Rates, open their new, and larger stores at 30 North Central Ave.—Just a half block north of the present location under the big clock! About six years ago Western Thrift opened the FIRST CUT RATE DRUG STORE IN SOUTHERN OREGON. This was the little red front on Sixth street. In less than three years the lack of space forced Western Thrift to seek larger quarters and a large store was opened at Main and Central streets. For the past three years Western Thrift has operated stores at both locations. Now your Western Thrift is consolidating

the two stores into one large store centrally located in Medford. Naturally with this additional space it will be possible to carry a more varied, larger and more complete stock than ever before. The policy of the store has not changed with the location. You will find the same courteous clerks, the same prompt service and, needless to say, the prices will be as low as before and in some instances lower! It can be all summed up in a few words—Nationally Advertised, Factory Fresh merchandise at the Lowest Possible Prices every day in the week,—and a smile is FREE with every sale!
