NAZI BUND BOSS PLANS CAMPAIGN

NEW YORK, Nov. 19.—(AP)—Fritz Kuhn, German-American Bund leader, has announced the Bund will campaign "to rid this country of Jews."

Kuhn told a tally of the organization in Queens last night he would pattern its program after that of Adolf Hitler.

Bund leader declared the American press and radio were controlled by Jews "who are trying to smash this country even as they tried to ruin Germany."

Referring to the national administration as the "Jew Deal," Kuhn said Jews had begun to dominate American politics. In the last six years, he said, the number of Jews holding government positions here has risen from 4 to 60 per cent.
