LARGER TRUCKS AIM FOR OREGON

PORTLAND, Dec. 14.—(AP)—Oregon truckers will ask the state legislature to increase legal lengths, heights and load limits to trucks, James F. Morrell, executive secretary of the Oregon Highway Users conference, revealed. A bill that would authorize a length of 80 feet and a height of 13 1/2 feet will be presented to the coming legislature, he said. It would put Oregon's truck code in unison with those of 10 other western states. The load limit, he said, would be governed by the type of vehicle and equipment. DR. A. J.
