

MEDFORD WOMEN TELL OF VOYAGE TO ARCTIC AREA

An interesting event of Tuesday evening was the illustrated lecture given by Mrs. Susan D. Nason and her daughter, Miss Margaret Nason in St. Mark's Episcopal parish hall.

The two Medford women recently returned from an extended journey into Arctic regions. Traveling on a Hudson Bay freight boat, the Nascopie, they docked at 30 various ports and took 600 feet of picture reels.

Twenty-five valley residents viewed the pictures of interesting and unusual scenes encountered by the travelers. The movies showed leobers, Canadian mounted police, numerous eskimos, bands of husky dogs, beautiful Arctic scenery, the Nascopie, equipped with ice cutter plowing through huge fields of ice and many other unique pictures.

Highlights of the picture showing included an Anglican priest confirming a class of 101 Eskimos on South Baffin Island, three ship board weddings and a party put on by the Greenland Eskimos for the ship passengers. These people ran races and otherwise showed off for the passengers. The affair was climaxed when an Eskimo orchestra serenaded the Nascopie in small boats.

Mrs. Nason and her daughter left Medford May 17 for San Francisco. They went through the Panama canal to New York whence they embarked on July 9 for their three months' boat journey which took them within 650 miles of the North Pole. The Nascopie carried supplies and fuel to the outlying posts.

The Medford women covered 30,000 miles of land and sea on their junket.

Soviet To Aid Of L. A. Spy Suspect

LOS ANGELES, Dec. 15.—(AP)—The Soviet government came to the aid today of Mikhail Gorin, Russian travel bureau agent held here on federal espionage charges.

Mikhail Ivanovich Ivanushkin, Soviet vice-consul at New York, arrived here by airliner last night and after visiting Gorin at the county jail, where he is under \$25,000 bond, announced he would provide the prisoner with an attorney.

Common Sense About Constipation

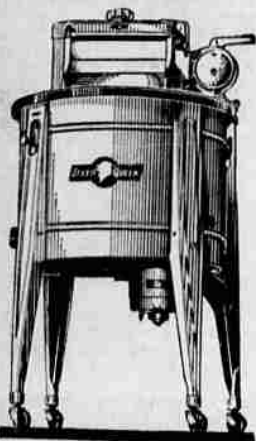

A doctor would tell you that the best thing to do with any ailment is to get at its cause. If you're constipated, don't fiddle with makeshift remedies. Find out what's giving you the trouble!

Chances are you won't have to look very far if you eat just the things most people do. Most likely you don't get enough "bulk." And "bulk" doesn't mean just a lot of food. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is what you lack, your ticket is crisp crunchy Kellogg's All-Bran for breakfast. It contains the "bulk" you need plus the intestinal tonic, vitamin B, and it's not a drug, not a medicine!

Eat All-Bran every day, drink plenty of water, and join the "regulars!" Made by Kellogg's in Battle Creek. Sold by every grocer.
