PORTLAND, Sept. 13.—(AP)—The state board of higher education moved Tuesday to protect the state's interest in patentable scientific discoveries of commercial value.

Medford Eagles lodge today offered for publication the following resolution, condemning profiteering in food stuffs:

Whereas, war is raging in Europe, and America is playing no part in that war, and

Whereas, during the first week of the conflict there has been an undue, unjust and unnatural rise in the price of flour, sugar and other staples and general foodstuffs here, and

Whereas, it is known that there is a super-abundance of these food commodities in this, our beloved country, the United States of America, and

Whereas, the above condition in our opinion is due wholly to the recent action of manufacturers, wholesalers, retailers and other individuals handling and selling such commodities and is in our opinion nothing short of profiteering.

Therefore, be it resolved by Grater Lake Aerie No. 2093, Fraternal Order of Eagles, here and now assembled in regular lodge this 7th day of September, 1939, at Medford, that we go on record condemning such undue, unjust and unnatural conditions, and we urge that action be taken immediately by a constituted authority to curb and correct such conditions, and

Be it further resolved that copies of this resolution be sent to the Congressional delegation of the state of Oregon, and also that a copy of this resolution be sent to the local newspaper, and also that it be spread upon the minutes of this organization.

CRATER LAKE AERIE NO. 2093, FRATERNAL ORDER OF EAGLES, "W. F. Roney, President."

COAST PORT TIEUP BELIEVED AVERTED SAN FRANCISCO, Sept. 13.—(AP)—A potential tieup of coast ports when present working agreements expire September 30 appeared averted as union longshoremen and waterfront employers, breaking a month's impasse, agreed to resume negotiations today and keep the old contract in force until a new one is signed or negotiations are deadlocked.

HARRY BRIDGE, president of the C.I.O. International Longshoremen's and Warehousemen's union, proposed the two factions meet at 2 p. m. today to discuss the new agreement, and suggested "if no agreement is reached right for by September 30, that negotiations and present contracts continue indefinitely beyond that time until such time as a new agreement is reached or negotiations end in disagreement."

Boom Men Strike. PORTLAND, Ore., Sept. 13.—(AP)—Room men on the Columbia and Willamette rivers from Scappoose to Oregon City went on strike today because, they charged, operators refused to negotiate a new contract to replace one that expired last spring.
