Billy Hulen says:  
Davis Finally Gets Plaudits For Mound Work

At last Curt Davis, the big 20-victory pitcher for the St. Louis Cardinals, seems to be getting some of the credit he deserves. . . the Sporting News, official baseball weekly, gave Curt a terrific spread in last week's issue, with pictures of Curt's stars in the national pastime, of his career in southern Oregon while playing for the Ashland Beas and of his battle to get out of the Coast League and into the majors. . . It's "cherce" reading for Curt's many friends here and especially for Court Hill, who is mentioned as having sent the tall right-hander to the States.

Steve Fowler, ex-Ashland high grid star, has been shifted from full-back to left half by Oregon Coach Tex Oliver, and reports from Eugene are to the effect that Steve is making Jay Graybeal step to hold his starting post. . . Willamette university's Beacorns will have two regulars from Medford on their varsity grid club this season—Bob Hittman, end and Floyd Baker, fullback. . . In being Klamath Falls last Saturday night, Chico high completed 14 out of 24 passes for a total of 204 yards, while the Pelicans hit one out of 10 for four yards. . . On the ground, Klamath outgained the Californians, 131 to 62 but Chico rolled up 13 first downs to Klamath's eight. . . the tally was 13 to 13.

The Bend high Lava Bears, with a veteran team, served notice they will be mighty powerful this season by crushing Hill Military academy of Portland, 49 to 0. . . Medford's Bears bend here October 27. . . Mac high of Milton-Freewater, another Medford opponent this year, bowed to Walla Walla, Wash., 0 to 20. . . two other 1939 Tiger opponents played their initial games, Ashland and Lakeview standing off at 13-and-0 and Grants Pass losing to Dunsmuir, Cal., 20 to 12.

That long delay during the Medford-Grants Pass ball game Sunday was caused when Pitcher Steve Crippen of the visitors protested that the flinging rubber wasn't of legal height. . . the rubber had been spiked to a board planted under ground, and part of the plank was chopped away to give the rubber itself more elevation. . . Bill Calvert turned in the nicest piece of base-running seen this season when he scored from second on an infield out. . . White hit a high bouncer under the first base line, which the first sacker felled and tossed to the pitcher, covering the bag. . . Calvert, on second, whizzed past third and came right on home, sliding in safely under the throw to the plate. . .

A couple of permanent ticket windows are under construction at the entrance to the baseball park at senior high. . . these will supplant the present duct berths at the north end of the football grandstand, and will be in operation next Friday night, when the Tigers open their grid season against Wood. . . Enter for football fans who don't enter the stadium through the baseball stands another ticket booth will be available at the south end of the grandstand. . .

Want to know one of the reasons why the Yankees dominate major league baseball? . . . OK, here it is: six Yankee farm clubs won pennants, and four others were good enough to get in Shaughnessy playoffs this season. . . one of those pennant-winning teams was Wenatchee in the Western International loop, the club Bill Lanning, Grants Pass boy, plays for. . . Gordon Howerton, Grants Pass third baseman, who signed a contract with the Cincinnati Reds last week, certainly had a poor day Sunday against the Cristers. . . he committed two errors and got only one hit in five trips.

# Deer Fairly Plentiful for Season Opening Wednesday

## 'MEAT' WILL BE IN HIGH PLACES, REPORTS STATE

### Hundreds of Nimrods Making Camp Sites—No New Laws in Effect—Female Mule Deer Area Opened

Reports from the state police, sporting goods dealers and others who keep close tabs on such things indicated today that deer would be fairly plentiful for the opening of the season tomorrow, but that the "meat" might still be high in the mountains. The season closes on October 25, inclusive.

The state police explained that the deer might still be in the high places because there has been no rain or snow to drive them into the valleys and ravines in search of food. Feed has been fairly good all winter, state police said, and added that the deer should be husky and good eating.

To Eastern Oregon  
Hundreds of Medford hunters have already moved into the hills to establish camp sites and get started at the crack of dawn. Many have left for eastern Oregon for mule deer. Additional nimrods are starting out today and scores more will leave tomorrow morning. A state policeman said he met 18 Medford automobiles on the Greensprings this morning, headed for the mule tail country in eastern Oregon.

There are no changes in the 1939 laws from those of last year. The bag limit still is two Columbian blacktail and one mule deer having not less than forked horns, with the requirement that both deer tags must be affixed to the mule deer.

Permits Limited  
A female mule deer hunting area has been opened up in Klamath and Lake Oregon counties, and all hunters carrying antlerless deer permits will be required to check in and out of the open area at one of the following checking stations: Lakeview, Paisley or Dairy. The number of permits for this area has been limited to 800.

HIBBERT, MOYER OUT OF OPENER  
Alden Hibbert, veteran first string left guard, and Don Moyer, first string right end, probably won't see action when Medford high's 1939 Black Tornados opens its season against Wood, (Cal.) high here under the lights Friday night. Coach Bill Bowerman announced today, Hibbert, the coach said, suffered a bruised shoulder in practice yesterday and Moyer sustained a cleat cut on his hand. Neither are seriously injured but the mentor explained they probably wouldn't play. The remainder of the squad is in good shape.

All football teams in the city will participate in the grand opening ceremonies Friday evening. There will be two squads from junior high, the varsity and soph squads from senior high and the four grade school squads. They will all run signals on the field and take part in the flag ceremonies.

BEAVER GRID LINEUP JUGGLED BY STEINER  
CORVALLIS, Ore., Sept. 19.—(UP)—The only member of the Oregon State college eleven that seemed assured of a starting varsity position today was Eberle Schultz, left guard. Coach Lon Steiner has juggled his lineup endlessly during the first week of drill, but Schultz, 222-pound two-year vet, so far has always been on the first team.

## SMOLINSKI BOWS TO BIG GERMAN IN ARMORY BOUT

### Champ Holds Challenger in Contempt—Bob Plans to Outbox Bomber—Fight Slated for 20 Rounds

DETROIT, Sept. 19.—(AP)—Joe Louis, ready to defend the world's heavyweight championship against Bob Pastor tomorrow night, has contempt and hatred in his heart for his challenger.

Personal feeling rarely has played any part in Louis' fights, but the negro title holder has no liking for Pastor because of statements attributed to him and his manager, James J. Johnston, since Pastor surprisingly stayed the 10-round limit with Joe in their battle in New York in January, 1937.

Louis is determined to prove Pastor was extremely lucky to last the ten rounds. He is supremely confident of stopping Pastor within five rounds. The champion places this time limit on the duration of the bout, even should pastor attempt to run away from him.

Three minutes later Schulz had his second and winning fall and again it occurred at the very moment Smolinski seemed to have the advantage well in hand. Joe was giving the German an unmerciful beating with right and left hand wallops to the head and body; such a beating, in fact, that Schulz couldn't take it any longer and scurried for the ropes.

It was a fine match, Levin spent considerable time working on Wilson's arms and legs and the ex-football star retaliated with potent scissor and arm holds. Not once did Wilson cut loose with his scannenberg, Levin apparently being too clever to allow himself to get in position for the maneuver.

In another sparkling bout, Billy Venable used reverse step-over toe holds to defeat Taro Ito, two falls to one, in the opener. Venable's first fall came in the second round when Ito was forced to give up to save his foot from being broken. A combination arm scissors and stretch gave the clean Japanese grappler the second fall in the third heat, but Venable wound things up in the fourth with another reverse step-over toe clamp.

PLAYER MAKES IMPRINT UPON BOSS WITH FOUL  
INDIANAPOLIS, Sept. 19.—(AP)—A baseball player for the Louisville Colonels made a real impression on his boss—but isn't too happy about it.

At bat during an American association game with Indianapolis last night, he cracked a foul into the stands. The ball hit Frank McKinney, backer here and part owner of the Louisville team.

## BAER TOO MUCH FOR TEXAS BOY

LUBBOCK, Tex., Sept. 19.—(AP)—Babe Ritchie, 20-year old west Texan, put all his eggs in one basket and had them smashed the first time he wandered too far afield.

Baer knocked the same youngster out in a minute and ten seconds of the second round of their scheduled ten-round bout.

New Type Hospital Contract Out Soon Says Ralph Furrer  
The National Hospital association will soon initiate a new type of contract which extends to stores, offices and other clerical groups, according to an announcement today by Ralph Furrer, district supervisor with headquarters in this city. In the past this association has confined its coverage to employees in the hazardous industries. The decision to serve those employed in non-hazardous occupations comes as a result of widespread demand for protection from this group, Mr. Furrer pointed out.

The date of extension of contracts to those engaged in non-hazardous occupations will be made public in the near future. The new contracts will be a wide departure from the usual ones, it was announced.
