

SHARES RESUME WAR BOOM AFTER FUEHRER SPEAKS

Steels Lead Jump of 2 to 7 Points in Favorite Issues —Transfers Over Million and Half for Day's Trading

NEW YORK, Sept. 19.—(AP)—The stock market swung into another fast "war boom" rally today after the long speech of Hitler at Danzig in which broadcast listeners apparently could find no concrete peace proposal.

Led by steel favorite issues jumped two to more than seven points around the start of the final hour. Virtually all of yesterday's decline was retrieved.

Notwithstanding the intermittent sluggish periods, transfers approximated 1,700,000 shares.

Prominent shares on the upsurge included U. S. Steel, Bethlehem, Westinghouse, Union Carbide, Douglas Aircraft, Chrysler, General Motors, International Harvester, Goodyear, Western Union, Anaconda, American Smelting, Du Pont, N. Y. Central, Santa Fe, Pullman, Texas Corp., Westinghouse Airbrake, Pressed Steel Car, Montgomery Ward and Allied Chemical.

Bonds followed stocks on the revival and previously heavy commodities recovered substantially.

The so-called "free" pound sterling rate came back briskly in terms of the dollar following intimations by Secretary Morgenthau the treasury was "disturbed" by the gyrations of the British currency and might "do something" about it.

One commentator advanced this thought: "Preoccupation with the rapidly shifting, and often conflicting, developments in the foreign situation should not be allowed to crowd out one overruling fact; domestic business is moving strongly forward along a broad front."

Optimistic items Among items considered by market analysts were:

The federal reserve figures for the week ended September 13, disclosed commercial, industrial and agricultural loans made their fourth consecutive broad advance, up \$84,000,000 in 101 principal cities of the country.

In the same week debits to individual accounts rose 27 percent above the preceding week and were 20 percent higher than in the corresponding period a year ago.

Window Of Clocks Shows World Times

A timely display, a window full of alarm clocks showing the difference in time throughout the world, was installed today at Heath's Drug store by Jack Madigan.

There is a ribbon from small cards on the window to each clock. The clocks are all running.

A recent window display of telephones at Heath's received national recognition in drug trade magazines.

HITLER SPEECH HIKES CHICAGO GRAIN PRICE AS PEACE HOPE EBBS

CHICAGO, Sept. 19.—(AP)—Early wheat market losses of as much as 2 1/2 cents a bushel were wiped out in a strong rally today after the close of Reichsfuehrer Adolf Hitler's speech.

Prices shot upward more than two cents from the day's low, advancing fractionally above previous closing levels.

Early selling was attributed to trade expectations that the speech might contain some hint of possible peace offerings but pit brokers said they were disappointed in the text of the address. The result was an immediate rush to restate holdings previously sold out.

The market did not fully maintain late price gains, however, and closed 1/4 lower to 3/4 higher, compared with yesterday's finish, December 84 1/2-85, May 85 1/2-86.

Corn refused to follow the upturn in wheat, closing 1-1 1/2 lower, December 54 1/2-55, May 57 1/2, while oats lost 1/4-1/2.

BOYS AND GIRLS RECEIVE PRIZES ON DAIRY STOCK

(Continued from Page One.)

ing to L. E. Frances, county 4-H club leader. The added interest in dairying is due to the general trend toward this industry in Jackson county, and to the active support from breeders' associations, Mr. Frances said.

The 4-H show grounds at Riverside and Fifth cover more than an acre of ground, and the exhibits have so far exceeded expectations that a new barn was erected for the event this year.

The largest exhibitors at the show are the well known Poyer twins of Ashland, Marvin and Melvin, who have 23 head of purebred stock at the show, including Angus Aberdeen beef steers, Jerseys, and Durock hogs. The boys have reached the age limit of the 4-H workers, 20, and this is the last of their 10 years spent in this important work. The boys placed at the top in the senior livestock show at the state fair in Salem last year.

Showmanship exhibition of the dairy class was scheduled for this afternoon, as well as judging of the poultry and rabbits by Earl Reitman of the Triangle Milling company in Medford.

An incomplete list of this forenoon's dairy prize winners in their classes follows:

Purebred Jersey producing cows: Marvin Poyer, first; Melvin Poyer, second.

Purebred Jersey senior yearling: Melvin Poyer, first; Marvin Poyer, second; Doris Hunsley, third.

Purebred Jersey senior calf: Ernest Lytle, first; Melvin Poyer, second; Marvin Poyer, third.

Purebred Jersey junior calf: Marvin Poyer, first.

Purebred Guernsey producing cow: Loyla Newby, first.

Purebred Guernsey senior calf: Cora Brigham, first; Barbara Guttererson, second; Marvin Smith, third; Allen Owens, fourth; Gray Thompson, fifth.

Grade Jersey junior calf: Twila Ferris, first; Dale Williams, second; Patty Vond der Helen, third; Harry Lydian, fourth; Bryan Yorton, fifth; Mary Hunsley, sixth; Robert Lewis, seventh.

Grade Guernsey senior yearling: Florine Smith.

Grade Guernsey junior yearling: Jack Baker.

Grade Jersey senior calf: Louise Lytle, first; Ivan Meyers, second; George Carr, third; Lorne Brennessholtz, fourth.

Judging of beef, hogs, and sheep will take place tomorrow, with a presentation of awards and showmanship of these animals. Dick Richards, superintendent of Eastern Oregon experiment station, will judge this class of entries.

Stock sale and parade is scheduled for Thursday.
