

Bill Ousterhout Grand Champion Exhibitor at 4-H Stock Show

VON DER HELLEN GIRL WINS TITLE IN SHOWMANSHIP

Parade Of Livestock Through Streets Feature Auction Sale Closing Phase Successful Show.

By Maude Pool
Bill Ousterhout of Little Butte community is the grand champion exhibitor at the 4-H livestock show closing here today, winning with his Aberdeen Angus beef steer weighing 1,082 pounds. The steer is in the heavy, dry fed class.

Miss Patty von der Hellen, 13, of Antelope high-lighted this forenoon's events when she captured the grand championship as a showman with her Southdown market lamb. Huge drops of perspiration clouded Patty's attractive freckles as she received congratulations on this contest in which her sheep won over competitors in the beef, dairy and hog divisions. Excitement ran high at the grounds this forenoon as the crowds awaited outcome of the contests. Merton Bradshaw of Lake creek placed first in the beef fitting contest this morning.

Marvin Poyer of Ashland was awarded the reserve championship in the beef division with his light nurse fed class steer. Merton Charley of Lake creek was owner of the champion Hereford in the light nurse fed class. Reserve champion in this class was Cora Bigham of Antelope, entering her calf in the heavy dry fed class.

Livestock Parades
Merton Bradshaw of Lake creek was awarded the reserve championship as showman with a Hereford steer. Don Lewis of Fern Valley was champion hog showman.

A parade of the livestock through the city streets at 10:30 attracted throngs of spectators. The black Angus beef steer and the alert Herefords, said to rank with those shown at Portland's International Livestock shows, were in the lead with their owners, followed by placid Jerseys and Guernseys and sheep. A sleepy white rabbit and several unconcerned chickens brought up the rear. The drum corps from the Medford high school led the parade, playing a gala note to the event. The parade started at the show grounds on Bartlett, going to Sixth as far as Front street, then to Main and east to Riverside.

Judging Delayed
Owing to the large amount of stock to be judged this year, the program got behind schedule yesterday, and the beef fitting and showmanship contests, scheduled yesterday afternoon were held this morning.

Other first place winners in the beef entries were Don Pruitt of Little Butte, light dry fed Angus steer; Melvin Poyer of Ashland, heavy nurse fed Angus; Willard Welch, Lake Creek, light dry fed Hereford; Clayton Charley, Lake Creek, medium dry fed Hereford.

Champion fat barrow owner was Bob Welch of Antelope, with a Duroc Jersey. Reserve champion was Bob Dunn of Bellview, with a cross-bred hog. First place in the purebred hog division went to Melvin Poyer of Ashland with a Duroc Jersey gilt. Don Lewis of Fern Valley received first place in the grade gilts.

Championship in heavy poultry went to Bob Barbee of Oak Grove, and championship in light poultry was won by Jack Fitch of Oak Grove.

The Chas. Wing loving cup and other special awards, with the auction sale of fat stock climaxed the close of the show this afternoon.

The plaintiff further claims she is still suffering from the hurts.

BANQUET MARKS SUCCESS OF 4-H LIVESTOCK SHOW

Club Members, Leaders, Business Men, Breeders Gather At Festal Board—Program Is Informal.

The most successful 4-H club livestock show in the history of Jackson County was celebrated last evening when 80 exhibit participants gathered in the Hotel Holland for a banquet and program. Attending the affair were 4-H club members and leaders, Medford business men, Rotary club members, Jackson County Chamber of Commerce members and livestock breeders. The banquet was sponsored by the Cal-Oregon Hereford association for the purpose of creating a closer contact between the various business organizations, club members and leaders and livestock breeders.

After dinner an informal program consisting of brief speeches was given by the various agencies present. Fred Bayliss of the Mount Crest orchards in Hill, Cal., acted as toastmaster. In opening the program, Mr. Bayliss stated that the 4-H show held here for three days indicated that the boys and girls of Jackson county are getting splendid support. He paid tribute to D. E. Richards, superintendent of the Union experiment station and judge of the livestock exhibit.

L. J. Allen, assistant state 4-H club leader from Corvallis was introduced. He said that his first impression of the exhibit was that of a Ringling Brothers circus because of the large tents. He pointed out that the group of 4-H club workers showed true democracy and sportsmanship and went on to praise the show.

Brophy Responsible
Vern D. Brophy was introduced by Mr. Bayliss as being the man responsible for the successful banquet idea. Among other brief speakers were Mark Goldy chairman of the 4-H committee of the Rotary club and Robert G. Fowler, county agent.

Adding a colorful note to the dinner event were the Poyer twins, Marvin and Melvin of Ashland who have consistently won awards for their champion livestock. The twenty-year-old, dark curly haired youths were dressed in bright yellow silk shirts.

POLES HOLD FOUR MINOR POSITIONS FROM INVADERS

BERLIN, Sept. 21.—(AP)—The army high command reported today only four centers of resistance to Nazi forces remained in Poland and Germans expected they would fall without shelling. The command's belief the remaining resistance was negligible already had been indicated by the departure for the western front of Col. Gen. Walther Von Brauchitsch, commander of the German army, to assume

direction of the struggle against Britain and France. The points still held by Poles, a high command communique said, included:

1. Warsaw, besieged capital of Poland. (Reports from Budapest said the Warsaw radio which had been maintaining contact with the outside world suddenly went dead during the playing of a Polish military air).
2. Modlin, fortified center 18 miles northwest of Warsaw.
3. Gora Kalvarja, on the left bank of the Vistula 23 miles southeast of Warsaw.
4. On the Hel peninsula, narrow finger of land poking out into the Gulf of Danzig. Its extremity is 19 miles northeast of Danzig.
