

PRACTICE SHOOT AT CLUB SUNDAY

The Medford gun club will shoot again Sunday morning at the airport grounds at 10:30. It will be a practice shoot especially for non-club members who want to sharpen their eyes for the bird season that will open October 15. The local club especially invites hunters who have never shot clay targets to come out and have a good time with the same privileges as club members. There is no admission fee.

The Medford club has taken advantage of the advancing ammunition prices and purchased its supplies for the coming year so shooters will have no advance in prices until the present supply is exhausted.

First Methodist Sunday School To Mark Rally Day

The Sunday school of the First Methodist church will meet 15 minutes early Sunday, assembling in the church sanctuary promptly at 9:30 a. m. for the rally and promotion day exercises. The Sunday school has set a goal of 500 attendance for this occasion. "Come and be one of five hundred" is the slogan. A suitable program has been prepared. This is a great event with the boys and girls, as a large number are promoted from one department to another, and all are promoted from one class to another. Parents are particularly urged to attend.

The church service is also a rally service, the pastor preaching on the theme, "Rallying 50-50 With God." The choir, under direction of Mrs. Elsie Carlton Strang, has arranged some very fine special music.

Evening service, in Wesley chapel, will conclude the rally day services. The new song-books will be dedicated by a big song service at 7:30 p. m.

All are invited to these services.

Roguedale Cafe at Shady Cove Bridge Will Open Sunday

The new Roguedale Cafe, located on the Crater Lake highway 21 miles from Medford and just north of the Shady Cove bridge, will open Sunday, according to an announcement by the proprietors, Mr. and Mrs. F. K. Barnes.

Adjoining the cafe is the Roguedale river beach which will be available to the public. The new cafe service has been patterned after the old Sunnyside Hotel of Eagle Point, a popular eating place in former years, and family style dinners personally prepared by Mrs. Barnes will be featured.

Canada Flying Rules.

WASHINGTON, Sept. 9.—(AP)—The civil aeronautics authority said today it had been notified by Canadian officials that all aircraft must obtain specific permission from the minister of transport to fly over Canadian territory.

Plymouth BUILDS GREAT CARS

Firm Professor Lets Phone Ring While Car Burns

PORTLAND, Sept. 22.—(AP)—Professor Harold C. Ekinon of Linfield college probably will answer the telephone the next time it rings in class.

When the telephone rang yesterday he told the class, "If they want me they can come after me."

They were calling to advise his car was burning. They came after him.

MENGOZ ROBBED BY SLICK THIEF

Frank Mengoz, of 104 East Main street, was today minus a gold nugget stickpin and his pocketbook containing a \$20 confederate bill and various keys—all because he refused a drink of whiskey.

Mengoz told city police that a stranger called him over to his car last night and offered him a drink of whiskey in a glass. When he refused the offer, Mengoz reported to police, the man threw the whiskey at him.

Then, Mengoz related, the man reached out and wiped off his (Mengoz's) necktie, in the operation removing the stickpin and the pocketbook, which was in Mengoz's coat pocket. The man then drove away in his car.

Police were furnished a fairly good description of the fast working thief.

MELBOURNE—(AP)—Teddy Reynolds, 7, on a trip to England had \$18.70 to buy his mother a present. The money dwindled on the way and his gift on landing was some postage stamps. "I find they always come in handy," he said wisely.
