GOLD BAR

A FEATURE BRAND of the CALIFORNIA PACKING CORP.
Packers of the World's Best Liked Canned Foods

THIS week we bring to southern Oregon "Gold Bar" brand canned foods—a full carload, 34 tons—new to many of you, but well known in the food industry as one of the best of canned foods.

We'll not try to tell you a lot about it, except to say this: It is packed by the California Packing Corp., the world's biggest canners of good foods. Every can of Gold Bar is of the California Packing Corporation's highest standard of food goodness. Every can contains the kind of food you have learned to expect from your Groceteria—the biggest food value for the money you spend.

To this we add: Every can of "Gold Bar" is guaranteed to measure up to the above standard or your money will be refunded. Every price reflects the saving resulting from car lot buying before prices were disturbed by the war.
