

MANN'S STORE TO HOLD SALES ALL DURING OCTOBER

Mann's Department store will celebrate the twenty-ninth anniversary of its establishment here with a store-wide sales event to continue throughout October.

The store, which has enjoyed the patronage of thousands of southern Oregon men and women during the long existence, expects the anniversary bargain offering to enhance its reputation for fine merchandise at low prices.

Preparation for the anniversary has been under way for some time with much new goods being received, some to fill out and expand existing lines, and some to permit selection in up-to-the-minute styles.

Following long established custom the event will take on a sporting tinge for the sales force with the personnel equally divided between the Blue and Gold teams competing during the month and the losers playing host to the winners at a dinner at the conclusion.

Two large "thermometers" on the main floor will indicate the day-by-day progress of the contest.

John C. Mann settled in Medford 29 years ago he had dreams of just such an institution as today is realized in the store which bears his name. The policy which he adopted then, that to survive and gain friends a store must be part of the community it serves, has proved correct.

The public is invited to visit Mann's throughout the anniversary month and take advantage of the values offered in all departments.

V.F.W. INITIATION MEETING TUESDAY

Veterans of Foreign Wars of Medford, Oregon of which Crater Lake Post 1833 is the local unit will meet in Medford Armory at 8 o'clock Tuesday, 3rd. A large class of candidates will be initiated.

The Auxiliary will also meet at their room in the Armory. The Auxiliary will discuss plans for their sewing club and other social entertainment for the winter season.

William J. Cooney asks members of the Bicycle Safety Club to be on time at seven o'clock at the post club rooms. Mr. Cooney will talk on membership and what this club is doing for boys and girls who are its members.

How it is doing all it can to save lives by looking up and down the street before crossing. By making the proper signs while riding bicycles. Attempting to teach the drivers of automobiles to respect the signs of boys and girls who ride our streets.

Obituary

Elmer Jack Stora, age 60, a resident of this city for the past 12 years, passed away at a local hospital Friday evening, following an illness of 6 months duration.

He was born in Grand Rapids, Michigan and spent his early manhood in the east. When about 30 years of age he moved with his family to Sacramento, Calif., and has made his home on the coast since. Besides his wife he is survived by a brother in Sacramento.

Funeral arrangements will be announced later from the Per Funeral Home.

John C. Buckmaster, Joshua Harrison Buckmaster, better known to his many friends as Rodney, passed away at the home of his niece, Mrs. Annie Vinson, 144 North Riverside Avenue at 2 o'clock Thursday afternoon after a prolonged illness.

Mr. Buckmaster, an early pioneer of Southern Oregon, was born on August 2, 1862 near the Green River in Wyoming, while his parents were crossing the plains from Iowa by oxen team.

When he was young he moved to near Bonanza, Oregon where he grew to manhood. He loved the outdoors and was a fine cowboy. He always broke in the most dangerous horses, and said there was never a horse that he could not ride.

He is survived by several nieces and nephews and a large circle of friends.

Funeral services will be held at the Bonanza cemetery, Bonanza, Oregon Monday afternoon at 2 o'clock. Per Funeral Home in charge of the arrangements.

Goetze, 68-year-old Ashland WPA worker who disappeared in the park Sunday but was not missed until Tuesday morning. A group of 80 CCC enrollees and park officials are combing the area in the vicinity of headquarters, where Goetze was employed as a saw filer.

WAR CHANGE AND RAIN UPS WHEAT

CHICAGO, Sept. 30.—(AP)—A rally of more than two cents a bushel in wheat prices today halted the week's slump based partly on Europe's peace talk which had wiped out a good share of the September war boom advance.

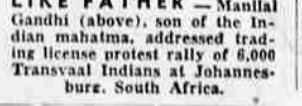

Buyers re-entered the wheat and other grain pits on the stimulus of higher security prices, clearing weather over the farm belt and distilling news from Europe indicating that peace is not in sight.

Wheat shot up more than a cent at the opening and later extended the gains to as much as 2 1/2 cents, closing near the highs of 2 1/4 @ 2 1/2 higher than yesterday, December 84 1/2 @ 85 1/2. Other grains followed this advance.

Additional rains were reported in the southwest overnight but skies began to clear and the forecast indicated fair weather could be expected, with light to heavy frosts in prospect. Little moisture is in sight for the coming week. Crop experts said rains apparently were too light in most districts to bring lasting drought relief but may prove sufficient to germinate winter wheat already sown.

EAST SIDE DOGS POISON VICTIMS

A dog poisoner, believed to be the same that has operated intermittently in the Sixkiyou Heights region for some time, struck again Wednesday, it was revealed Saturday by Humane Society officials who were notified of the finding of two highly prized dogs dead on the Rogue River golf course. A third dog, a black cocker, belonging to M. E. Banks, of Groseland avenue, was also poisoned but was found in time to be given treatment which saved its life.

The two victims, "Poko," a seven-year old fox terrier, belonging to F. R. Hagerty, 211 Cottage street, and a wire-haired terrier belonging to J. T. Reaney, 209 Tripp street, had been given strychnine in beef, the Humane Society officials said. Both animals were cherished family pets.

How the dogs got to the golf course is a mystery to the investigators, who point out that a poisoned dog rarely is able to travel any great distance. For that reason search for the poisoner is being centered in the Sixkiyou Heights district.

HOME EXTENSION MEETS COMPLETED

Home extension units of Jackson County have just completed a series of rally and program planning meetings held during the month of September. The regular project work will start this week on foods and nutrition projects. The nutrition project on weight control which includes planning the diet for underweight, overweight and for maintaining normal weight, will be given by Mabel C. Mack, county home demonstration agent. The food preparation project on vegetable plate luncheons will be given by project leaders who were trained last Wednesday by Miss Lucy Case, extension specialist in nutrition and by Mrs. Mack.

Units holding meetings this week on weight control are: Wednesday, October 4, Applegate unit; Thursday, October 5, Howard unit; Mrs. M. J. Swing, chairman, in charge; Friday, October 6, Bellview unit at the Bellview Grange.

The vegetable plate luncheon will be demonstrated at the Evans Valley home extension unit at Wimer, Thursday, October 6.

All meetings are scheduled to begin at 10 a. m. All home makers of the community are invited to attend.
