

Can't Get Out
NORTHAMPTON, Mass. (UP)—
Finding an open window in a down-
town store, Patrolman John J. O'Don-
nell climbed in to investigate. He
found everything in good order, but
had to telephone the proprietor to
get out. He was unable to climb out
through the window or to open the
door.

FIRE DEPARTMENT CONTINUES WORK FOR PREVENTION

Hints Are Given On Ways to
Avert Blazes — Terrific
Loss in Life, Property
Through Flame Stressed

Medford fire department today
continued its educational efforts to
avert fires as the 1939 national fire
prevention week neared a close.

The Medford department pointed
to the daily toll in life and property
exacted by fire and asserted that the
way to prevent fires is to remove
their causes.

"One of the chief causes is care-
lessness," said a department state-
ment. "The lesson concerning safety
against fire learned during fire pre-
vention week should be considered
essential to every-day living and
put into effect throughout the year.
No one should tolerate careless acts
and practices or continued condi-
tions that lead to fires in homes,
factories, farms or forests."

Hints Given
"Feel your personal responsibility
for the possible loss of life and prop-
erty by fire and act accordingly."

The department offered the fol-
lowing aids in fire-prevention:
Don't hang electric light cords on
nails.

Don't permit oily rags or mops to
lie around.
Don't let the fact that you are
insured make you careless.

Don't use an open light when
looking for escaping gas or in the
presence of inflammable liquids.

Put up "No Smoking" signs, es-
pecially in hazardous sections.

Don't use kerosene, benzine or
naphtha in lighting fires, or to quick-
en a slow fire—it may result in
death.

Don't use gasoline or benzine to
cleanse clothing.

Don't put ashes in other than
metal receptacles—and don't dump
them where they will come in con-

"My baking is
ALWAYS AS GOOD
as the last time"

When your pie crusts are tough and unevenly
browned, when your cakes are soggy, your rolls heavy—
— in short, when your pet baking recipe comes out of the
oven looking like a "wasted life"—
— to you we say—try Fisher's Blend flour.
Without a speck of worry it will always give you the
same splendid performance. Pastries, cakes, breads—you can
reap your own special success over and over.
Here's the secret! Every different kind of wheat produces
a different kind of flour. The great Fisher Mills have millions of
bushels of wheat in their own elevators—as many as a hundred
types and specifications. From here they select the special tested
varieties best suited for a perfect home-use flour.
Then, with a care you can't imagine, they blend and mill these
choice grains in exactly the right proportions—and there you are!
Your Fisher's Blend Flour acts always the same—sack after
sack, year after year. Isn't that an assurance worth having?

"HOW SHALL I COAX THEM?" Quick
answer—order a HandySack of Fisher's
WHEAT GERM with Mary Miller's
recipes that tempt children's appet-
ites. Easy—and it works! Get a pack-
age from your grocer—today!

WHY NOT GO "PRIMITIVE"? For 300
years golden crunchy corn bread has
been a real delicacy—and you'll find
other delicious Mary Miller recipes in
your HandySack of Fisher's Yellow
Corn Meal. Order from your grocer.

AND HERE'S A HELP! Put two slices
of crisp bacon between two buttered
Fisher's Pancake and Waffle Flour
hot cakes—and watch those young-
sters eat! Ready for use by adding
liquid. In 2-pound HandySacks at
your grocer's.

What! Halloween
and Thanksgiving Without
Pumpkin Pie?

Not on your life! Mary Mills comes to your
rescue with a grand recipe called Golden Autumn
Pumpkin Pie. Even the crust's better, because
the flour is blended, Fisher's way.

Yield: Filling sufficient for one pie wheel

1 cups pumpkin (strained, freshly cooked, or canned)	1/2 teaspoon nutmeg
1 cup brown sugar	1 teaspoon ginger
3 eggs, slightly beaten	1 teaspoon cinnamon
1/2 teaspoon salt	1/4 teaspoon cloves
	1/4 teaspoon allspice
	2 cups milk, scalded

Scald the milk. Add eggs and brown sugar to
the pumpkin. Mix together the salt, nutmeg,
ginger, cinnamon, cloves, and allspice. Add to
the pumpkin mixture with the scalded milk.
Pour into a pastry lined pie plate. Bake at 450
degrees for 10 minutes; reduce heat to 325 de-
grees for 30 to 40 minutes.

If you need help on your baking problems, or
if you need recipes, just write to Mary Mills,
Fisher Flouring Mills Company, Seattle, Wash.
