Lower Power Rates
CASCADE LOCKS, Oct. 14.—(AP)—Electricity rates here will be cut as much as 48 percent November 15 when a schedule approved by the city council last night goes into effect. Cascade Locks is the first northwest city to obtain Bonneville power.

San Quentin Felons
SAN QUENTIN, Cal., Oct. 14.—(AP)—San Quentin prison officials admitted today that 41 convicts were whipped with rubber hoses after a hunger strike, but Warden Court Smith insisted the treatment had not been brutal, and said the incident did not justify two scheduled official investigations.
"I am hurt and damn mad at the injustice of it all," the warden told newsmen.
A five-man legislative committee which has been secretly investigating California prison conditions for three months took statements from nine guards Thursday night concerning the floggings.
The statements disclosed that the prisoners were chastised last March 23 when they refused to submit to disciplinary measures in the prison's solitary cell block, commonly called "Siberia" by the 5,300 convicts in America's most populous prison.

Jacksonville 'Pugs'
WILL STAGE SMOKER
JACKSONVILLE, Oct. 14.—(Sp.)—Jacksonville high school's mitt artists will exhibit their wares in a boxing act to be staged in the school gym Wednesday as a feature of a benefit smoker to aid in defraying hospital expenses for Lester Wendi who suffered a broken leg recently in football practice.
Among veterans of the squared circle who are expected to be seen in action are Clayton Fields, Cliff and Eddie McGinty, Frank Brown and Matt Winghamam.

Central Pt Hatchery Enlarges Capacity

Central Pt Hatchery Enlarges Capacity
CENTRAL POINT, Oct. 14.—(Sp.)—For the fourth consecutive year Mr. and Mrs. Paul Nitzschke, proprietors of the Central Point Hatchery, have added improvements and expanded their plant for the coming hatching season.
They have just finished building a brooder house which will hold four large battery brooders with capacity of nearly 7,000 chicks. They have also ordered three more units of Jamesway incubators which will arrive in December.
The hatchery proprietors stated Saturday that increasing demand for their strong, healthy chicks had necessitated addition of the new equipment.

LIGHT Condition YOUR HOME!
Safeguard Your Family's Precious Eyesight

The MODERN family avails itself of all the up-to-date, scientific aids to better living, including MEASURED light. The youngsters in school have the best lighting provided because school officials KNOW the serious effect of eye strain, caused by inadequate light. Dad has correct light at the office, in most cases, because employers KNOW that GOOD LIGHT increases efficiency. The job of safeguarding eyes is not complete unless plenty of glareless light is provided at home—in EVERY room—for reading, for housework, for home study and play!

Low Cost MODERN FIXTURES
First of all, have your home MEASURED for light—then, if new fixtures and lamps are needed, see your electrical dealer—he is featuring attractive and inexpensive equipment that will make YOUR home LIGHT CONDITIONED!

COPCO

FREE!

There is a SURE TEST for the seeing value of light—the simple little gadget known as a "Light Meter" does the trick quickly, accurately! We will be glad to test the light in YOUR home without charge.
