

P.-T. A. PRESIDENT CONDUCTS SCHOOL FOR LOCAL UNITS

"This is your opportunity to find the answers to the questions that have been puzzling you," said Mrs. C. W. Walls, state president of the Oregon Parents-Teachers' association, as she opened the school of instruction for all county P.-T.A. units this morning in the Christian church.

Mrs. Walls, conductor of the school, urged each member not to feel that she is only one of a unit but that she is one of two and a half million in making the P.-T.A. "voice" heard in the nation.

Mrs. H. H. Elhart of Ashland, county president, presided at the business session held prior to the school of instruction.

Silk Price Jumps 18 Cents Pound

New York, Oct. 19.—(AP)—The price of silk jumped 18 cents a pound today as active bidding on the floor of the New York commodity exchange pushed the quotation for immediate delivery to \$3.51 1/2 a pound—the highest point in nine years.

Traders said the New York market was following the Tokyo trend and that many of their orders came from Japanese clients.

KUHN EXCITED BY DIES QUESTION ON RUSSO-NAZI PACT

(continued from page one)

because he wanted all his time to prepare for trial in New York Oct. 30 on embezzlement charges, was brought to the point of Starnes' questioning when that committeeman asked: "Are you still fighting the Communists in this country?"

"Yes," Kuhn said, "yes, of course." But the question about why he approved the German treaty with Russia, produced, when the confusion had died down, no such simple answer.

Gesturing frequently, his forehead glowering, Kuhn declaimed Germany was a small country with a large population and no raw materials.

"Then they came to the United States and asked why you have a boycott," Kuhn said. Thereafter, he said, it seemed logical to him to get needed raw material from Russia.

"That doesn't mean that I have to take my former enemy's ideology," he blurted.

Rep. Voorhis (D., Calif.) protested that wasn't his understanding of what had happened between Russia and Germany.

"Carloads of priests and Protestant pastors have been sent into Russia," Kuhn countered, "you ought to like that."

New Upset Breaks An uproar broke out when Starnes asked Kuhn whether he believed in the partition of Poland.

"The committee is here to get facts and not crackpot opinions," blurted Peter L. F. Sabatino, one of the attorneys.

Dies, gaveling the room to quiet again, ordered a luncheon recess.

Soon after the session got under way, with tempers strained and hot words flying, Kuhn submitted a list which he said gave the names of all German-American band units in the United States and their leaders.

Hands Listed The list of band units and leaders placed in the committee record by Kuhn included:

Under the supervision of George Prohose (3855 North Western Ave.) Chicago; Portland, Ore., Hans Scheurer, Portland; Seattle and Spokane, Wash., Paul Stoll, Seattle.

Starnes, in questioning Kuhn about the list, said he noticed that whereas Kuhn testified in August that the band had units in all but one state, today's list showed such units existed in only 19 states.

Kuhn explained states where the band had only a few members were not shown. One of his lawyers said the band constitution requires 20 members per unit.

ident Michael Kalinin of the Soviet Union to President Roosevelt. These observers pointed to the final paragraph of Kalinin's reply to American inquiries concerning Russian aims.

It said the sole aim of negotiations with Finland was "consolidation of the reciprocal relations between the Soviet Union and Finland and a strengthening of friendly cooperation between both countries in the cause of guaranteeing the security of the Soviet Union and Finland."

In the meantime, it was learned definitely, after a series of contradictory reports, that residents of southwestern Finland were voluntarily leaving a large area near the Russian border.

Hunter Wounded Canyon City, Ore., Oct. 19.—(AP)—Ben Farwood, Gordon, Ore., was shot in one hip Tuesday afternoon in the Court Rock area, about 10 miles from Black Butte.

The flesh wound required medical attention but he will be able to go home in a few days. The accident occurred when a hunting companion, whose name was not learned here, shot at a deer and Farwood was caught in the line of fire.

Rep. Voorhis (D., Calif.) protested that wasn't his understanding of what had happened between Russia and Germany.

"Carloads of priests and Protestant pastors have been sent into Russia," Kuhn countered, "you ought to like that."
