

### WAR'S INFLUENCE SHOWN IN PARIS FASHION DISPLAY

Maginot and Poilu Blue, Trench Brown and Plane Gray Fashionable Colors

By Alice Maxwell  
Paris, Oct. 27. — (AP) — Maginot and Poilu blue, trench brown, plane gray and legion red were the dominating colors in mid-season collections of new military fashions shown today.

The shows were given in spite of the war, but greatly under its influence. This feminine wear included coats and suits with big military-style pockets 10 to 20 inches long. Some new models by Schiaparelli showed swinging saddle pockets, some in fur and others in elaborately braided fabrics.

Many suits had leather-trimmed pockets swung in knapsack style from the shoulder. Dresses had front pockets swung from belts.

**Adjustable Skirts**  
Apart from the military motif were new "washerwoman" frocks, featuring skirts adjustable at the hips for day length or ankle length for evenings. Ostrich and COQ toques were shown with these dresses.

Military-style coats had turn-over collars, gold buttons and belts. Some copied trench coats. Wool jersey dresses showed military touches at the collar points which were of red velvet and gold, embroidered with various French army insignia.

Tweed suits featured a wrap-around skirt worn over bloomers or plus-fours in a bright, contrasting color which matched accompanying blouses and hats. Many soft, fold-up hats were shown with the military models.

Columbia, S. C. (UP)—Mayor L. B. Owens and members of the city police force are beginning to regret the recently enacted city anti-noise ordinance. The public is keeping the officials awake all hours of the night complaining about automobile horns, barking dogs, radios and even frogs in a lily pond.

### COLD CUTS, CHEESE WITH BEANS

Always popular because it offers a variety, is the appetizing combination pictured here with a selection of cold cuts, with a good cheese, sliced pickles and Van Camp's pork and beans in individual servings.

Served with rye bread in whole slices for sandwiches and hot mustard, with a simple fruit side dish of sliced bananas and oranges, this combination never fails to make a hit. It is quickly prepared without kitchen fuss and is suited ideally for a Sunday night supper or any half-holiday luncheon. Oatmeal cookies fit well with this combination and either iced tea or coffee.

"Feast-for-the-Least"

Brown, Eagle Point, foreman, yesterday afternoon. The grand jury then recessed subject to call.

Fred Lorentzen, Jr., and Jasper Foster, residing near Eagle Point, were indicted on charges of burglary not in a dwelling. They stand accused of the robbery of the Faber grocery store at Butte Falls last July and the taking of \$52 in cash, and candy and cigarettes. The pair were arrested at Long Beach, Cal., a few days later and have been in custody here since.

**Three Secret**  
The other three indictments will be kept secret until those named are placed in custody, District Attorney F. J. Newman said.

The grand jury, in its report, holds the auto-pedestrian accident on West Main street last October 15 in which Mrs. Dan Miller sustained fatal injuries was "unavoidable" in-so-far as Elvin E. Cook, driver of the car, was concerned. The report reads: "This grand jury investigated

the accident occurring on West Main street, Medford, Oct. 15, 1939, wherein the car driven by Elvin E. Cook collided with Mr. and Mrs. Dan Miller, resulting in the death later of Mrs. Miller, and after a careful investigation of all circumstances in connection therewith, wish to report there is no evidence that would warrant criminal action being taken in said matter, as in our opinion, the accident was unavoidable, so far as the driver of the car was concerned." The district attorney reported

the grand jury also investigated two or three matters that will be completed when the body is called into session again.

**"JUST TRY The Correct Grind"**

"Use any coffee-maker you want. Follow the directions carefully and The Correct Grind will give you marvelous coffee every time. Don't let anybody persuade you to re-grind The Correct Grind... you'll lose flavor, aroma, and freshness."

**IMPORTANT:** Carefully observe timing for each method. Measure 2 level tablespoons of coffee to each cup of water. Vary water slightly for exact strength desired. Keep coffee-maker clean.

**DRIP METHOD:** 6 to 8 minutes preferred. If less than 2 1/2 capacity is made, water will drip too fast giving weak brew.

**GLASS VACUUM MAKERS:** Put upper bowl on after water boils. Coffee and water should be in contact 5 to 7 minutes.

**PERCOLATOR:** Start with cold or hot water. "Perco" 7 to 10 minutes after steady pumping starts.

**COFFEE POT:** Bring coffee and water to boiling. Stir well. Add small amount of cold water and let stand 5 minutes to settle grounds.

**STEeping:** Pour boiling water on coffee. Stir well. Let stand 5 to 15 minutes.
