

FAIR REOPENING STILL UNCERTAIN AS GATES CLOSE

Even Chance Seen for Renewal Next Year — 147,674 Admissions Sunday

San Francisco, Oct. 30.—(AP)—The 1939 Golden Gate international exposition ended last night, and its historians wrote of it today that it was an artistic success, but a financial flop.

Bets were about even that the \$50,000,000 show on Treasure island would be re-opened in 1940.

A total of 147,674 persons paid admissions on the closing day, bringing the attendance for its 234 days of operation to 10,496,203. The closing day figure was considerably higher than the 128,697 attendance on February 18, the opening day, but far below that of October 8, when the exposition's all-time daily record of 187,730 was set.

Whether the exposition will be re-opened next year appeared today to depend on the wishes of creditors, who have their choice of dividing up approximately \$500,000 in ready cash now or gambling another season's operations would enable the exposition to pay off in full its \$4,606,914 of debts.

The amount of unpaid debts was disclosed October 20, when the exposition filed an action in federal bankruptcy court under recent laws providing for consolidation of debts, and forbidding filing of collection suits, pending settlement under court direction.

PUBLIC LIBRARY OFFERING NEW HOME SERVICE

Now is the time to plan for the leisure that comes with the winter evenings. What do you most wish to know? What places of the present or the past seem most interesting? Which personalities seem most inspiring or dramatic?

The Jackson county library is suggesting a new use of the library's book collection during the winter months, especially for residents of the county who may not have easy access to the central branch at Medford. Home libraries of 15 to 25 books will be loaned for periods of two months for the use of individuals and home groups, without the former necessity of administering such book collections for the whole community.

There will be no increase in the tax levy for Jackson county next year, County Assessor J. B. Coleman said today, inasmuch as the 1940 budget is practically the same as last year, showing only \$124.70 increase. Not until after the public hearing on the budget, and its certification by the budget committee will the budget be extended on the rolls, and the levies made.

Word also was received from Miss Harriet Long, state librarian, that the state library is ready to proceed with reading courses for the winter.

"I think no service we have ever offered has been so much appreciated by individuals." These are not stereotyped, previously made up sequences of books on conventional subjects but, instead, are made up as each request is received and sets the aspect of the individual project. Applications for the reading courses may be had at the Medford public library.

The home collections offered by the Jackson county library constitute an additional service to the public. The service is intended primarily for residents of areas who do not have easy access to the library. The policy of maintaining depots will be continued.

NO COUNTY TAX BOOST SEEN IN COMING YEAR

There will be no increase in the tax levy for Jackson county next year, County Assessor J. B. Coleman said today, inasmuch as the 1940 budget is practically the same as last year, showing only \$124.70 increase. Not until after the public hearing on the budget, and its certification by the budget committee will the budget be extended on the rolls, and the levies made.

Selection of the books for the home collections will be adapted as much as possible to the preferences and the purposes of the persons who are to use them.

HOLMAN RETURNS; PRAISES M'NARY

Portland, Oct. 30.—(AP)—Senator Rufus C. Holman (R., Ore.) returned from Washington today with a prediction that congress would adjourn as soon as neutrality legislation was completed.

Holman said he stayed long enough to vote against repeal of the arm's embargo, which the senate passed by an overwhelming majority, but was ready to return by plane if his presence was necessary.

His colleague, Senator Charles McNary (R., Ore.), who said last Thursday he would permit his name to go before the Republican national convention as a presidential candidate, Holman described as one of the most popular and best informed men in Washington.

Susa, near the Persian gulf, is considered to have the longest continuous existence of any city known to history, having flourished from 4000 B.C. to A.D. 650.

BERGDOLL TO GET \$300,000 REFUND

Washington, Oct. 30.—(AP)—Grover Cleveland Bergdoll, serving a sentence in a military prison, soon will get back \$300,000 of an estate which the government guarded 20 years for him.

Attorney General Murphy has ordered the convicted draft evader of World war days be given more than half the \$535,540 worth of property seized when he fled to Germany in 1920.

To get the money, Bergdoll had to consent to the government's keeping, temporarily at least, 20 per cent of his property. This might be used to satisfy awards to Americans damaged by German activity during the war.

TWO SEA SCOUTS DROWN IN RIVER

Portland, Oct. 30.—(AP)—The Columbia river between Camas, Wash., and Bridal Veil Falls, Ore., was dragged today for the bodies of two Camas Sea Scouts.

lost in a Sunday afternoon river accident.

LABOR TEMPLE IS LOOTED BY YEGGS

Portland, Oct. 30.—(AP)—Two yeggs who practically took over the Portland Labor Temple in the early hours Sunday morning, bound two janitors and two union officials, punched a safe and escaped after rifling a cash register of \$2100 in cash.

Detective John Goltz said the men entered the building from the roof via an adjacent building, captured Janitor Rutter on a top floor, ran for the elevator, captured Janitor Henry Kindopp who was operating it, went to the basement and bound the two men to chairs.

One of the bandits answered the elevator bell and captured Mrs. C. Grant and Rudy Strejc,

union officers, and added them to their hostages. Then they punched the safe in the basement tavern and opened the cash register.
Kindopp managed to loosen his bonds two hours later and summon police.
