"Disputed Passage" Coming

Lloyd C. Douglas stories have become some of the most successful film plays of the past few years—"Magnificent Obsession," "Green Light," "White Banners" — and now another Douglas story reaches the screen, "Disputed Passage," coming to the Craterian theater Sunday for a three-day run, with John Howard, Dorothy Lamour and Akim Tamiroff in the leading roles.

John Howard is the young medical student who is called upon to decide whether or not there is room in a doctor's life for love. Akim Tamiroff, a role that puts him in a leading part for Academy honors, is the famous surgeon-professor who worships science as a god, while Dorothy Lamour is the girl about whom the storm centers.

OHIO VOTERS KILL PENSION MEASURE BY 3 TO 1 MARGIN

(Continued from Page One.)

in the metropolis, where the organization had been losing in recent years.

New York republicans were victorious, however, in an upstate congressional race. Edwin Arthur Hall, republican, defeated John C. Johnson, democrat and American labor party, in a contest to succeed the late Rep. Lord (R-N.Y.).

Alfred E. Smith, Jr., son of the former New York governor and 1928 democratic candidate for the presidency, will not know the outcome of his first bid for public office for perhaps 10 days.

Young Smith, strongly supported in pre-election stumping by his "Happy Warrior" father, ran for the city council. The vote counting started this morning.

In Pennsylvania, Boies Penrose, Second, Republican trailed John E. Sheridan, democrat for the unexpired term in congress of Rep. Daly (D-Pa.). Penrose is a nephew of the late Senator Boies Penrose.

In South Carolina Mrs. Thomas S. McMillan, held a long lead in the race to succeed her late husband Rep. McMillan (D-S.C.). The house now has only four women members.

Pari-Mutuels Win

The only statewide issue in New York's election was the proposal to permit machine wagering at the five horse race tracks in the state. Heretofore such wagering has been placed with bookmakers. The vote favoring the pari-mutuels was better than two to one.

The Philadelphia mayoral race, won by Robert E. Lamberton, republican, attracted particular attention for that reason. Lamberton defeated Robert C. White, democrat, and his partisans acclaimed the victory as pointing the way to a republican victory in the state next year.

Detroit chose a new mayor in a non-partisan election, naming Edward J. Jeffries, president of the common council, over the incumbent, Richard W. Reading. The latter won two years ago over active CIO opposition.

Cleveland gave Mayor Harold H. Burton, republican his third consecutive term. Burton defeated another republican, John E. O'Donnell.

Socialist Jasper McLevy polled more votes than his three rivals combined to win a fourth term as mayor of Bridgeport, Conn.

To Be Rebuilt

Seaford, Del. (U.P.)—A house built more than 200 years ago and put together with handnails and pegs soon will be made over into a modern home. Mrs. Kitty Rogers, the present owner, has had the building moved to a site near the Seaford-Atlanta road.

Glass Eye Cows Police

El Centro, Cal. (U.P.)—A man detained by police here as answering to a suspect's description was not half as disconcerted as were police when he proved he was not the man wanted. He merely took out a glass eye.

Meet Severe Test

Cranbrook, B. C. (U.P.)—Six 9-year-old carrier pigeons flew almost 1,000 miles over uninhabited prairie lands, mountains and swamps from Fort Chipewyan, situated near Alberta's northern border, to their home lofts here. The best time was five days.

To conform with the color scheme of one streamlined train, the engineer and his assistant are dressed in white instead of the usual blue overalls.

The trend toward streamlining autos began in 1910.

Edward G. Robinson Performance Scores Hit Rialto Showing

Stark drama at a fast pace through Edward G. Robinson's first great sympathetic role, as vivid and as tense as anything he has ever done, makes a noteworthy contribution to film entertainment at the New Rialto theater, where "Blackmail" opened a three-day run yesterday.

It is an entirely different Robinson that comes to the screen in this picture. There is a distinctive new quality to his performance as he plays the sympathetic role of an honest citizen who is uprooted from his family, thrown into a prison camp for a crime he did not commit, and who gradually changes from a man whose strongest emotion is love for his wife to one whose bloodlust and only motivating desire is to wreak some terrible vengeance on the betrayer whose duplicity placed him behind prison bars.

Ruth Hussey, Gene Lockhart and Bobs Watson have supporting roles with Robinson.

"The Death of a Champion," starring Lynne Overman as Oliver Quade, plays as the companion feature with "Blackmail."

Pays To Behave

Hopkinsville, Ky. (U.P.) — Abe Carter declined to participate in a jail break when several prisoners escaped. A month later he won his freedom in court. On a commonwealth motion charges against him were filed away.
