12-Ton Truck Lands In Man's Boudoir
Seattle, Nov. 11.—(AP)—Henry Anderson, 63, mechanic, needed no alarm clock Friday morning. A 12-ton, 6-wheel Seattle-Portland transport truck, laden with walnuts, rumbled into his basement bedroom, hurled a large section of concrete wall across him and stopped after the bumper upset his bed.
Although the impact showered debris, Anderson apparently was unhurt and his glasses, lying nearby, were unbroken.
Burgundy, a province in France, has small farms where the famous French delicacy, escargots (snails) are grown. Some of the parent snails attain the age of 25. Infant snails, at most two years of age, are captured for consumption.

M'NARY BOOSTERS PLAN STATE DRIVE

Portland, Nov. 11.—(AP)—Plans for a state-wide McNary-for-president organization with active units in each county were completed Thursday by the Republican state central committee.

Governor Sprague will be asked to serve as honorary chairman of the campaign to promote the candidacy of Senator Charles L. McNary (R., Ore.), minority leader.
Petitions will be circulated by committees and clubs, Chairman Kern Crandall of the central committee said. One thousand names are necessary to place a candidate's name on the ballot.

Without optical aid only 1,500 stars are visible at one time to the human eye. Moonlight or a slight haze will obscure half of them.

8000 PEACE TREATIES--
HAVE BEEN SIGNED IN 3428 YEARS OF HISTORY-- YET THERE HAVE BEEN ONLY 268 YEARS OF PEACE!

GO NURSE--
IS AN ANAGRAM OF SURGEON

SHORT-LIVED TREATIES
When the Armistice was signed 21 years ago today, hopes of everlasting peace were entertained. Yet, strange as it seems, there have been more than 25 wars since the "War To End Wars."
War-torn Warsaw, Poland, was the scene of a meeting of the Society of International Law which revealed this startling fact: History has known only 268 years of peace against 3,160 years of war.
The society estimated 8,000 peace treaties have been concluded in 3,428 years of recorded history—with an average life of only two years each.
