Noted Harpist Will Appear Here on November 19

The announcement that Ruth Lorraine Close, solo harpist, will be presented in concert on Sunday afternoon, November 19, by the Medford Musical society, is creating unusual interest.

This artist who has won international renown, has not previously appeared in Medford. Miss Close, American born, received her musical education in France, and since her debut in Paris, has played many concerts in Europe. She also recently made a round-the-world concert tour, appearing as harp soloist in Shanghai, Manila, Dutch East Indies, and Singapore.

Miss Close has been the solo harpist of the Portland Symphony orchestra under Wilhelm van Hoogstraten for the past several seasons, and has also played under the direction of other world famous conductors, Jose Iturbi, Artur Rodzinski, and Eugene Goossens, and has an unusual collection of autograph pictures of these musical celebrities. Her collection also includes one of the great Toscanini, who inscribed it to her after hearing her play in concert in France.

This interesting artist prefaces her numbers on the harp with illuminating comments, making her diversified program alluring and doubly enjoyable. A facile speaker, this artist has also written numerous articles on musical subjects and is at present engaged on a book of reminiscences to be titled "Conductors I Have Known."

Ruth Lorraine Close comes to Medford direct from concerts in San Francisco and Sacramento, California, and the Medford Musical society is anticipating great interest in this musical event. The concert will take place in St. Mark's Guild hall at 4 o'clock November 19.

Touching on the beginning of American history, she told of the making of the first flag. Bible references were read by Mrs. Bell Littrell. Apple Surprise

Take as many apples as you have people to serve, and peel and core them. Mix the contents of a can of dry coconut with maraschino juice, using enough to moisten without making the coconut wet. Roll the apples in honey and then into the coconut until they are covered. Stuff the core with chopped cherries and nuts adding a teaspoonful of sherry for each apple. Bake in a slow oven, basting occasionally with a mixture of sherry and maraschino juice.

Keep those bright eyes BRIGHT

Young eyes may be injured as quickly by poor light as older ones. School children especially need GOOD light—it's as important as enough rest and sleep and good food. Schools these days are making every effort to provide the best of light—the importance cannot be too strongly emphasized. The job of safeguarding children's eyes cannot be successful UNLESS they play, read and study under proper lighting conditions AT HOME. Plenty of glareless light is inexpensive eyesight insurance!
