

FIRE BOYS NEED MORE OLD TOYS TO RECONDITION

Lady Lions Urge Cooperation in Annual Effort to Make Presents For Needy

If more fortunate residents will donate old toys generously, the children of 200 families will receive presents this Christmas, it was stated today by Mrs. Ray Marti, president of the Lady Lions, who assist city firemen in this annual project.

"If all the underprivileged children are to receive Christmas cheer this year, we must have many more contributions of old, discarded toys than we now have on hand," Mrs. Marti said. "We need them now so that the firemen will have time to restore them to playthings just as good as new. It doesn't matter how helplessly ruined the toys might appear; the firemen have become expert at restoring the old playthings and their work is really a revelation."

Toys Needed Now
"So we are appealing again for old, battered toys that are of no further use to their owners. We need them now as the time is growing short. Please deliver them to fire headquarters at Front and Third streets. There the firemen will be glad to show what they have done already. If donors are unable to deliver the toys, please telephone 763-Y and they will be called for."

The firemen, using funds from the annual firemen's ball for materials and supplies, restore the old toys in their fire hall workshop, donating their time and talent to the project. The Lady Lions distribute the restored toys a few days before Christmas. New toys also are gratefully received if anyone cares to make such donations, Mrs. Marti said. Old dolls are dressed by the Lady Lions and this year the women are being assisted by Girl Scouts who also are donating their old playthings.

"Let's give the poor child a big Christmas this year," said

PLANES FIRED ON BY DUCK HUNTERS

Santa Ana, Cal., Dec. 1.—(P)—Sheriff Jesse Elliott said today federal agents were investigating some terrible-tempered duck hunters hereabouts. Elliott said the hunters became enraged when army pilots, testing two military planes, flew close to their blinds, frightening the birds away. At least one hunter fired at the low-flying ships, Elliott said, blowing a hole in the wing of one and damaging the other superficially.

ART, ENGLISH TEACHER JOINS SOCIOE FACULTY

Southern Oregon College of Education, Ashland, Dec. 1.—(Spl.)—Marie Stokesberry of Durango, Colorado, has been secured to handle the Art and English position formerly held by Lucille Burtis, who was granted a leave of absence, according to Dr. Walter Redford, president of the college. Miss Stokesberry holds a Bachelor's degree from Butler University and earned her Master's degree at Colorado State college. Additional graduate studies have been undertaken in the Universities of New Mexico, Colorado and Chicago. Miss Stokesberry comes to the Southern Oregon College of Education with eleven years experience in English, Art Education and Supervision, in Indiana, New Mexico and Colorado.

McCormick Heirs Win Tax Argument

Washington, Dec. 1.—(P)—The tax appeals board decided today the estate of Mrs. Anna E. McCormick, who died in Tacoma, Wash., December 2, 1935, had overpaid estate taxes by \$295,122.

The Tacoma branch of the Bank of California, executor of the estate of the widow of Robert L. McCormick, had appealed to the board from the treasury's claim a \$493,068 deficiency existed in the estate taxes.

COMMUNITY CHEST DONATIONS TOTAL NEAR LAST YEAR

(Continued from Page One.)

proved by the budget committee of the Community Chest. If the total fund raised exceeded the total approved budgets, the excess was to be retained in the Community Chest as a carry-over reserve for future years.

Budgets Under Survey
Meantime, however, the participating agencies prepared their budgets and when the campaign was concluded it was found that the amount of the pledges slightly exceeded the total of the agencies' budgets. Last year the Community Chest total fell short of the budget estimates and the budgets were cut more than 20 per cent and the agencies' activities had to be curtailed accordingly, the board of directors recalled.

Budget committees of the participating agencies are composed of business men and women. Their budgets are now before the budget committee of the Community Chest for approval. When the budgets are approved finally, the figures

will be made public, it was indicated.

Campaign Cost Low
An effort was made this year to eliminate campaign expenses completely and while this goal was not attained the total cost of conducting the drive will amount to only one-half of one per cent of the fund pledged, directors stated. Expenses of the campaign totalled only \$81.16 and were itemized as follows:

Desk rental	\$3.00
Telephone	8.93
Printing of pledge cards	30.75
500 sets of receipt books	23.95
50 ribbon badges with printing	4.00
Motion picture trailer	10.00
Telegram	.53
Total	\$81.16

Only expense that will be incurred during the rest of the year will be for postage stamps and stationery, directors said. Voluntary contributions of services and facilities were instrumental this year in reducing

campaign expenses to a minimum, it was pointed out. In the past, for example, a paid secretary has been employed part-time but this year the secretary's services are being donated. All other workers in the campaign volunteered their services, there being more than 150 active volunteer workers. To all of them the board of directors today expressed gratitude and appreciation.

Directors pointed out that this year the proportion of cash contributions was substantially

larger than in any other recent year. This reduces the work of collection and also reduces possible collection shrinkage, it was emphasized.

All who contributed by disseminating information on the campaign and otherwise helped in publicizing the drive without cost to the Community Chest were thanked by the board of directors. There was a general feeling of optimism in the organization and the unanimous opinion was that the people had responded generously and in a

manner that merited only commendation.

Six Agencies Share
The six agencies that participate in the Community Chest fund are the Salvation Army, Red Cross, Boy Scouts, Girl Scouts, Girls Community club and the Jackson County Public Health association. The funds derived from the Community Chest do not fully meet the needs of the participating agencies as they perform services outside the areas where the annual campaign is conducted.

Outside areas, however, contribute their proportionate share for the services rendered by the various organizations.

Logical Woman.
Oklahoma City.—(P)—Roger Rogers, deputy sheriff, knocked at a door and handed a housewife a summons to divorce court. "Now who in the world could be suing me for divorce?" she exclaimed. "Must be your husband," Rogers volunteered. "Yes, sir, I'll bet that's just who did it."

SUGGESTION NO. 1 HOW TO RAISE CASH

This Is How We Financed Our Christmas Shopping...

Less than a week ago Bob and I were having a sad case of doldrums! Reason? No ready cash with which to buy Christmas gifts, and we just couldn't let ourselves get in debt. Then Bob thought of the Classified Ads and without telling me, he placed an ad mentioning the things like Mary's baby carriage and Brother's three wheel bicycle, our old gas heater and Bob's old golf clubs—which we had no more use for. Sure enough, Bob sold everything and handed me the cash with which to Christmas-shop for the family. We're happy. And the folks who bought those former possessions of ours at low cost will have a merrier Christmas too.

SELL THINGS YOU DON'T NEED FOR CASH

Start looking through the Classified Ads today, for messages from folks who have what you want to sell. It's the quickest way to raise cash without any obligation!
